

1993-94

THE BRENTONIAN

**VIRTUAL
REALITY**

THE BRENTONIAN

*We dedicate this annual to our Assistant Headmaster,
Mr. John Garvey, whose sense of humour and exceptional
talents as a teacher and administrator have enriched our school
for twenty-two years.*

**Brentwood College School
Box 1000, Mill Bay, B.C.
Canada V0R 2P0**

Telephone: (604) 743-5521

VIRTUAL REALITY

For his grand finale, a magician asks a volunteer from the audience to hit him over the head with a sledge hammer. Something goes awry and the magician is knocked out, stone cold. He spends the next couple of months comatose in the hospital. When he awakes at last his first words are "Ta da"!

This old joke comes to mind as I sit here in the middle of July surrounded by the paraphernalia of the yearbook. The last school term is long over and it will be the middle of November before the students get to see the printed memory of their collective year. In these days of instant gratification in the "real" world a person can take a photograph and see it almost immediately. However, Brentwood is not the real world, thank goodness, only virtually so. We treasure traditions such as a fall delivery of an annual that does cover the whole year's events at school. The magician sleeps, but the magic will come.

The yearbook group this year was even smaller in number than usual, but they were a feisty group, eager for change. Co-editors, Amy Wolfe and Liz Hargreaves felt that the students wished to see as many photographs and as little writing as possible. "Copy" such as speeches, stories, poems, captions and the dreaded "theme" were superfluous in their view. Nevertheless, I was able to convince them that some copy was necessary for a historical record of their graduating class. Gracefully they agreed and finally came up with a theme - virtual reality.

This concept, which we

only partially understood (less so after speaking to the computer gurus), did seem to fit a school

which was preparing young people for the real world but implied that they were not quite there yet.

Co-Editor Amy Wolfe with SMC trying to come up with some magic for the Yearbook.

In a year when sports heroes were tried for murder or were themselves murdered (as happened to a Colombian soccer star who committed the fatal error of scoring an "own-goal") "virtual" reality is perhaps a safe haven. The theme also applies to the fact that the yearbook is becoming more and more a computer exercise. For the first time at Brentwood a desktop publishing class contributed material to the annual. The effectiveness of the class was its undoing, however, as the students were kept so busy with other school projects which were more pressing that they had little time for yearbook assignments. Even so, Kirsten Scheuer, Evan Schmitke, Sam Prytulak and Warren Code completed layouts and the computer whiz Scott Kameron (helped by Sam) came up with the inspiration for our divider pages.

The yearbook is a herculean task and the brunt of it was borne once again by our eternally patient and industrious "secretary for all seasons", Catherine Kinhead. She somehow managed to fit all the typing and page-making into her schedule around and between work for the Rowing Club. The yearbook simply could not exist without her. I thank her and my two editors Amy and Liz for a job well done.

So, as I sit I can hear the magician snoring (or is it John Garvey) and I wonder whether the pictures around me are the reality and I only virtually so. Such are the restless thoughts of idle men and I have work to do, deadlines to meet. In reality, the magician cannot sleep forever.

HEADMASTER'S ADDRESS

June 25, 1994

And now to begin my Annual Report. The past 12 months have been immensely gratifying with respect to student interest, staff and student commitment, participation, and achievements. Even more exciting and inspirational has been the effectiveness of the School community, acting as a dynamic which has served to increase individual attainment beyond expected levels.

In the classroom, for example, our lengthy honour role for each grade, the improvement which has been gained by students having difficulty, the student by student endorsement of excellence as a celebrated goal, in contrast to the cynical view of success, represent values that do not flourish without inspiring social forces playing an active role. I am talking about the influence of the School environment; the energy provided by school tone. To secure understanding of the point I attempt to make, may I refer to the achievement of our Rugby team, one depleted of veteran players because third term play led to major conflicts with other athletic commitments. Nevertheless this team played the first ranked team in British Columbia and soundly defeated it. Without each player supporting team goals; without a cohesive bond between players and coaches; without lesser athletes playing above personal expectations, such results are not achieved. Within the context of individual attainment driven by positive social forces and interaction may I cite the annual

record. With reference first to academic attainment a few highlights:

In August 1993, it was confirmed that 37 graduates had achieved provincial scholarships, two had been named national science scholars, namely Chuck Haigh and Abigail Johnston, and Abi achieved a Governor General's Medal for leading the province in Biology.

The 1994 grads have already achieved scholarships which in value exceed \$100,000 and more awards will be confirmed during the summer. You will hear more about their attainments from Mr. Prowse.

The Science Olympiad of B.C. Schools sponsored by the University of Victoria was won by a graduate - Sam Parlatore. From other grade levels our students performed strongly in provincial and national mathematics competitions. Warren Code, Grade 10, finished in the top 5% in Canada in the University of Waterloo Chemistry competition. Hanna Ezzat, Grade 10, was top Junior Debater in the prestigious Ravenhurst Tournament and winner of the Senior Shakespeare Reading Competition sponsored by the English Speaking Union, Victoria.

Athletically, I choose a few highlights from a rather lengthy list. May I mention first that our Senior Girls Field Hockey team won the Bridgman Cup, the Independent Schools Championship, and were third overall in the Province of British Columbia. They were led by Captain Aoibhinn Grimes who was

selected to the B.C. under eighteen team.

Independent Schools Championships were won in both Junior and Senior Squash, and Junior Rugby. In Tennis we ranked seventh overall in the Province of British Columbia.

Our girls' Volleyball and Basketball teams played in Single A competition. Both ranked first on Vancouver Island and qualified for provincial play.

In Double A Senior Boys' Basketball, Brentwood was undefeated in Mid-island play and the team narrowly missed qualifying for the extremely competitive provincial tournament.

Senior Rugby players, Robbie Dixon and Mike Herschmiller, have qualified to represent the Province of British Columbia in the Canada Games.

In rowing, our Senior Girls, notwithstanding injuries to key athletes, achieved a Bronze Medal at the Canadian High School Championships. Our Lightweight Varsity Eight won a silver medal in the same competition. Gold medals were won by our Coxed Four and Heavy Eight Varsity Boys Crew. From the Heavy-weight Varsity Crew, four boys have qualified for national teams. Three are to represent Canada, namely Grant Cyr, Nolan Sisett and Morgan Crooks. Ian Fletcher has been invited to try out for the American National Youth Team. If successful, they will row this summer in the World Youth Championships scheduled to be held

in Munich, Germany.

In the Arts, I believe we have had our richest and most exciting year. We offered an entertaining review entitled the "Battle of the Sexes", written by Ivor Ford and directed by Edna Widenmaier. That was followed by a straight stage play entitled "The Last Real Summer", directed by Keith Digby and, from the Intermediate Drama Club directed by Edna Widenmaier, "The Secret Diary of Adrian Mole".

In Dance we were excited and entertained by a huge cast of male and female dancers. Indeed, our Dance Society flourishes and will continue to excel as within it we have several extremely talented juniors.

In Music, eight of our students qualified for the B.C. Honours Choir. The Choir performed at the West Coast Choral Festival and received an excellent rating. Mr. Cooper further reports that interest in music is growing steadily. He, this year, registered a greater number of students for private tuition and prepared many more than usual for Royal Conservatory Music Examinations.

Many have already commented upon the quality of the art work displayed in our gallery and in the corridors of our School. We offer Photography, Design, Computer Graphics, Ceramics, Sculpting, Painting and Drawing. I think all will agree that the quality of work has been truly exceptional. Although we have had other vintage times in respect to creative activity in the Visual Arts, Brentwood has had its finest year.

Finally, I must not neglect to mention that our full calendar of events did not reduce the commitment the School makes to local community services, provincial, and national charities.

This past year, the SAC through our Charity Work Day and other activity over \$10,000 was raised and distributed.

Through these highlights I want to demonstrate that, guided by our philosophy, we have offered a wide variety of opportunities. Our students, individually and in groups, have seized these opportunities. Driven not only by their own desire but also energized by an exhilarated school culture large numbers have improved and many have excelled. It truly has been a very exciting and fulfilling year.

SALVETE

EILEEN MAIS

Eileen received a B.A., Dip.Ed. from the University of the West Indies in 1968, and spent most of the years following teaching Geography at the high school level in Jamaica. Nine years ago, she came to Canada with her husband and four sons to settle in Duncan, B.C. For five years she did substitute teaching in the Cowichan Valley from Kindergarten to Grade 12, getting a feel for some of the differences between schools in Jamaica and Canada. She joined the Brentwood staff as full-time Librarian and Assistant Housemistress in Alexandra house in September, 1993.

CARI ADAIR

Born and raised in Rocky Mountain House, Alberta, Cari attended Waterloo University and worked one summer at the Queen Street Mental Health Center in Toronto. She earned her education degree at U.Vic. and after doing her practicum in Duncan attended the Case Studies Workshop at Brentwood. She caught the attention of our Department head, Mrs. Widenmaier, and was offered a position teaching English. Cari's duties in a very successful first year also included the Reading Club. Next year she adds the responsibility of Assistant House Mistress of Alexandra House to her repertoire.

VALETE

JOHN and LYNNE CRONIN

From Mt. Maunganui in New Zealand, these energetic Kiwis had taught for several years in the Bay of Plenty area before a chance meeting with the Cooks (Brentwood friends and former staff at School) attracted them to Brentwood. While John pursued another degree at U.Vic. he also took up the position of Assistant Housemaster of Privett and coached rugby. Lynne did duties in Alex while coaching soccer, volleyball, outdoor pursuits and racquet sports. The staff and students are reluctant to let these marvellous people go, but they are off to travel Europe and Africa before returning to work in New Zealand.

VALERIE M. DENIKE

Valerie has filled a temporary position on the Brentwood faculty this year, teaching mathematics and various computer courses. She has made a wonderful start to her teaching career and her contribution to the mathematics department has been much appreciated. We wish her every success in the future.

SUE BROWN

Sue Brown leaves us after two years nursing in the School's Health Center. During this short space of time, in addition to giving birth to her second child, Sue initiated a proactive health awareness programme for both students and staff. She will be greatly missed, but we wish Sue and her family continuing happiness as her husband takes up a challenging posting in Washington, D.C.

BOARD OF GOVERNORS

Brian Kenning - Chairman (Vancouver)
Mrs. Lynn Eyton - Vice-Chairman (Calgary)

GARV: A REAL CHARACTER

John Garvey is an original: Brentwood's Baggio, Ballesteros, and Baron von Leibnitz all in one inimitable character. Teacher, coach, head of department, athletic director, Assistant Headmaster, John's roles have expanded exponentially since his arrival in 1971. To every portfolio, Garv has brought his magic.

Generations of students have counted themselves fortunate to have been taught by the masterly mathematician the letters of whose name number a perfect 10, and whose age (based on the frequency of his birthday parties) has passed a millennium. From the sums and puzzles of Grade 8 to the dizzy heights of calculus scholarship, John has imparted his passion for accuracy, his clarity of thinking, and his powers of logical analysis to guide his pupils confidently through the mathematical mazes of the mind. Not a few are forever in his debt. All, I am sure, will remember him with respect and affection.

As Head of the Math Department, Garv forged an esprit de corps among his colleagues which was unmatched. From coded passwords to impromptu guest appearances in other classrooms, his teachers of numbers were celebrated for their joie de vivre, and duly commemorated the dull lives of other departments in the annual Math Dept. Awards Ceremonies. No colleague beyond their hallowed halls escaped their iconoclastic wit.

To a school where rugby and rowing once ruled as twin emperors on the field and on the water, John brought the subtlety and skill of soccer and golf to sports afternoons. An accomplished athlete in his own right, John has become highly respected as an inspiring coach and a first rate athletic director, who juggles registrations, fixtures, finances, and the politics of sport with the finesse of a Pele or a Price.

As Assistant Headmaster, John has much to his credit to date: among his numerous achievements, he has master-minded the computerization of the administrative fabric and immortalized Warren Rabey and the Midnight Ramblers. His memos are legendary: his eye for detail, his superb organizational skills, and his irrepressible humour are apparent on every page. In moving bodies at the right time to the right space, he has no peer.

This morning, when I asked my son (who has just finished Grade 8) how he would sum up Mr. Garvey, he said, "I think he's a real character." After 23 years at Brentwood, there may be no finer accolade than that.

John, we salute you. Cheers to 23 more.

VISITORS PULL THEIR WEIGHT

Australian exchange student
Thea Pruul.

Mark on the "pipes".

Mark Haslett from Scotland.

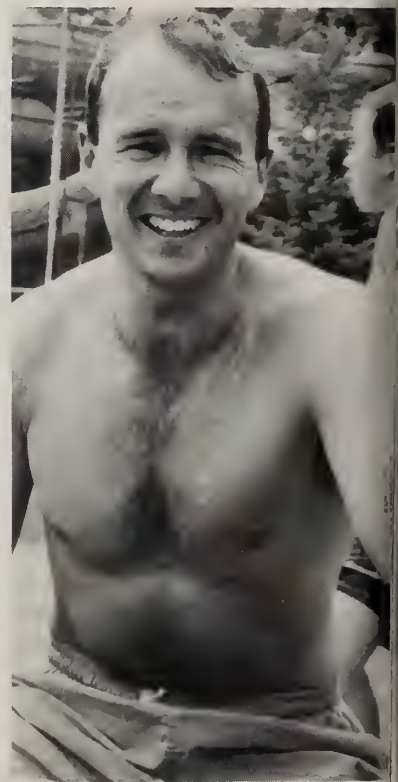

First term exchange student Natalie D'Allessandro parties with
Jennifer Marston.

St. Jean Moore from England on boating expedition with Renee.

THE WILD CRONINS Jousting, barbecuing or watersliding, John (here with David Irvine from England) and Lynn were willing supporters of nearly every activity going.

Ben Michael was an integral part of the First Eight.

Coach David Levine from England performs a pleasant duty at Womens Sports Dinner.

Ben Michael from Australia pulls his weight for The House in Tug of War.

This year's staff and student visitors came from various countries and became involved in a variety of activities making the school more fun. *Left:* Aussie Natasha Beattie and Kiwi Lynne Cronin keep score at the Interhouse Track Meet. *Above:* Natasha goes on the water with student Chris Becker.

GETTING AWAY FROM IT ALL

PREFECTS RETREAT

The school prefects find their escape in a trip to Bamfield early in the year. The group includes *Left, Back*: B. Coats, C. Tassin, M. Jaims, B. Jesson, R. Dixon, K. Moore, A. McFall, M. Jones, N. Reddington, A. Krekovic, S. Parlatore, A. Holmes.

Front: M. Jess, S. Sutton, Mr. MacLean, Mrs. Pennells, M. Crooks, S. McArthur, D. Stroble, A. Grimes, M. Shepherd, S. Richardson, F. Perez, C. Anderson, M. Hall, A. Forster. By the end of the trip led by Mrs. Pennells the students were better acquainted with the School's philosophy and each other.

GREAT ESCAPES

This escape, a Biology expedition, sets off for Portland Island.

Grade 12s on a weekend campout take the rail route away from school.

Rogers House boys play baseball to beat the band (the Pachena band) when they get a choice to escape into the local community.

Purdon's bikers are happy in the mud and the wet on a mountainside.

Left: The Oceanography students get away with Mr. Purdon to Squally Reach. "Rags" goes along for the ride on the Hardie (*below, left*).

Below: The grade nine class look like castaways at Long Beach. This getaway which took place in June was led by Mr. Purdon and Mr. Henry.

Left - Some people don't need to escape in order to enjoy themselves. Here Mr. Prowse is treated regally by his History 12 class on the occasion of his birthday. That's not real beer, is it?

Above: Mr. Henry demonstrates his exuberance as he imitates the creature from *The Black Lagoon*. His escape from the pressure of school life obviously came too late. Lynden Bradley meanwhile doesn't know what to make of it all.

Right... Grade eights put on a brave face before a fearsome serpent.

Below... Aaron Vallejo poses in his sleeping bag.

Below Right... The big slumber party at the aquarium

Marine Expedition

The grade eights go on an overnight field trip to the Vancouver Aquarium

Left...

Katie Mills says goodnight
to her underwater friends

Left...

Grade eights congregate
around the Beluga Tank

Above: Woodchucks: Mark Jess and Malcolm Jones.

Right: Gardeners for a day: Grade Eights, Bjorn Ashby, Leslye Baird and Patrick Kerr.

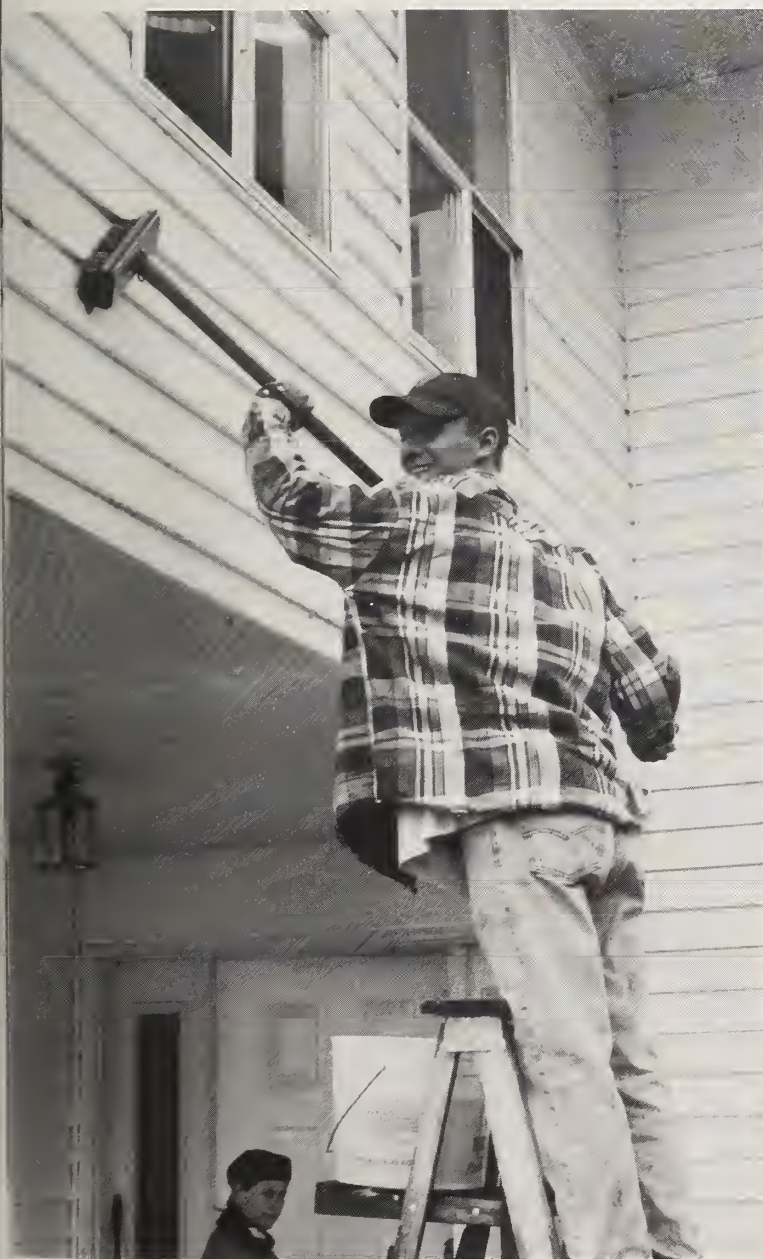

By working for citizens in the local community students earned over \$10,000 in donations for charities like The Canadian Cancer Society, United Way and the Easter Seal Camp for Children.

CHARITY WORK DAY

Left: Cesar Sroka chops for charity.

Below: Lindsay MacLean, Rebecca Whitney, Devon Pipars return from a hard day's work.

Left: Colin McFall, the cleaner.

Above: Oliver Amiel at work.

Le Club Francais

Right: Part of the French Club enthusiastic members, Angela Dublanko, Jonathan Keith-King, Katie Mills and Sasha Mervyn pose with Mr. Culham in front of the French bulletin board.

Below, Right: Katie, Jonathan et Angela s'amuse aussi. Est-ce qu'ils se moquent de Phillippe?

Natalie et Sasha s'amuse pendant le déjeuner.

Other French Club members join Mr. Culham and special guest from France, Ms. Joni Miller. Seated l-r are: Hilary Walkley, Jen Marston, Natalie Reti, Mr. C., J.M. Philippe Kloc and Richard Kiltz.

"Le Club français"

Again this year, the French Club met overlunch once a week and everyone spoke French (it worked most of the time!)

I would like to thank the francophiles (seen in these photos) for the enthusiasm and love of French they brought to this program. The group was of mixed experience and diverse levels of French knowledge - yet communication was always achieved (sometimes after a lot of charade moves). J'ai profite des heures de conversation que nous avons partagees. Bonnes vacances a tout le monde! A l'annee prochaine.

LA FETE

On Tues April 26 some grade 8's, Ms. Bergeron and Mr. Culham spent a fun-filled day at "La fete colombienne des enfants" at the Vancouver Science Centre.

This is an annual event which celebrates francophone culture in B.C. The entire day was "en français". The students enjoyed visiting various exhibits, meeting Madam Tropoccupée, attending a concert featuring Acadian music and stories and, as always, ending the day enjoying a film at the Omnimax Theatre.

Un gros "merci" du group a Mme. Bergeron pour sa patience, et "joie-de-vivre" pendant le voyage!

C. Culham

Mr. Prowse with guest speaker Wade Davis.

Brentwood faculty assemble for speeches and awards.

Graduating Class 1994

Mrs. Widenmaier presents Ruth Bull Award for English Lit to Sasha Mervyn.

Right: Dux of the School Hansol Lee accepts Andrew Rahme Memorial Award from Mr. Reg Pitt. Above: Mr. MacLean presents book prizes for Social Studies to Megan Stone and Devon Pipars.

AWARDS DAY CEREMONY JUNE 1994

Vade Davis presents The Callin Award to Catherine Anderson and Trevor Williams.

Mr. Brian Kenning with Mackenzie Award winner Warren Code.

Headmaster's special award winners.

Above: Major Prize Winners:
Back - R. Dixon, M. Jess, M. Crooks, A. Grimes, M. Jaims, J. Lewis, T. Williams, C. Anderson, C. Burkmar, H. Lee, W. Code, G. Scott, C. Frangou. *Front*: N. Reddington, B. Coats, K. Moore, F. Perez, A. McFall, D. Pipars.

INTERNAL AWARDS 1993/1994

ACADEMIC COLOURS

JUNIOR ACADEMIC COLOURS

PIN awarded to a student in Grade 8 carrying an A average, or in Grade 9 carrying an average in excess of 80%, and displaying a sound academic attitude.

GRADE EIGHT:

William DUGUID, Lee FERREIRA, Tom PENNELLS, Devon PIPARS, Alana SILVERMAN, Rebecca WHITNEY

GRADE NINE:

Jennifer ALLARD, Garrett CAMERON, Chad DANARD, Derek FUNG, Josef GOETZ, Jacqueline GREGORY, Ergun GURAK, Mark HODGSON, Jennifer MacLEAN, Sean PAN, Adam SCHEUER, Megan STONE, Erik WALLE, Jasmin WRIGHT

INTERMEDIATE ACADEMIC COLOURS

PIN awarded to a student in Grade 10 carrying an A average, or in Grade 11 carrying an average in excess of 80%, and displaying a sound academic attitude.

GRADE TEN:

Warren CODE, Hanna EZZAT, Jeremy FERREIRA, Thomas HERSCHMILLER, Gordon KARAU, Marlena McLEOD, Carla SMITH, Lorna WEEKS, Michael WEISNER, James WELDON, Miwa YAMAMOTO

GRADE ELEVEN:

Feras AL-SARRAJ, Sara BAILEY, William BOYTE, Sarah BRAUTIGAM, Thomas BURNS, Robin CHAN, Katherine GLANVILLE, Christine LEE, Jennifer LIU, Jennifer MARSTON, Travis MEIER, Tara NORD, Katalin PILLER, Jennifer REDSHAW, Natalie RETI, Leonard SHEN, Danny SIT, Debbie SIT, Natalie SKINNER, Elisette SROKA, Eric STENERSEN

SENIOR ACADEMIC COLOURS

SWEATER AND FLASH awarded to a student in Grade 12 carrying an average in excess of 80%, and displaying a sound academic attitude.

GRADE TWELVE:

SPECIAL AWARDS PRESENTATION

HOGAN MEMORIAL SHIELD

To a Grade Eight student whose citizenship is unquestionable and whose leadership potential is couched within a lively and positive personality.

WINNER: **Devon PIPARS**

DAVIS AWARD

For the most impressive academic IMPROVEMENT in the Junior School.

WINNER: **George SCOTT**

MACKENZIE AWARD

To the superior academic student of the Junior School.

WINNER: **Warren CODE**

BRENTWOOD TROPHY

For Junior Citizenship: for a student in Grade 8, 9 or 10 with an outstanding degree of selflessness indicated by a strong desire to serve the community and the school as a whole.

WINNER: **Christopher BURKMAR**

GRADUATES AWARD

Recognises a graduate who is held in high regard by the other members of the senior class, not so much for any outstanding accomplishments though there may be many, but rather for the quiet but courageous manner in which he or she has reached out and embraced wholeheartedly any and every challenge.

JOINT WINNERS: **Clare MACKINNON Karina WICKLAND**

MICHAEL IPATOWICZ MEMORIAL AWARD

To a graduate student who has been at Brentwood in Grades 10, 11, 12 and who carries a courageous spirit of adventure through a wide range of interests and activities. He or she is an individual who combines a strong self-belief with a touch of daring while striving for perfection. The rubric is captured by the phrase "*Believe in yourself*"

WINNERS: **Mackenzie JAIMS Jeff LEWIS**

KATHLEEN BRYAN MEMORIAL AWARD

To a female graduate who, in her response to Brentwood, ultimately demonstrated a respect for the feeling that close meaningful personal relationships formed the basis for growth and personal development through our program.

WINNER: **Gillian BAKER**

CALLIN AWARD

This award goes to a student in Grade 10, 11, or 12 who is a loyal, enthusiastic, buoyant citizen, caring of the community. He or she is keen to do well academically, athletically and artistically, although high achievement may be elusive.

JOINT WINNERS: **Amanda McFALL Trevor WILLIAMS**

PEYTON TROPHY

Awarded to an outstanding citizen in recognition of a strong contribution to both Athletics and Fine Arts.

WINNER: **Mark JESS**

POWELL CUP

For Senior Citizenship: for this we seek a student in Grade 11 or 12 with an outstanding degree of selflessness indicated by a strong desire to serve the community and the school as a whole.

JOINT WINNERS: **William COATS Nichola REDDINGTON**

MARY BROOKS LAW

To the student from any grade in the school who shows AWARD "promise and strength of character and personality".

WINNER: **Morgan CROOKS**

LOEWEN ONDAATJE McCUTCHEON EDUCATIONAL AWARD

To a Grade 12 student who has done the most while at the School to encourage love of scholarship, through either personal attitude and achievement or through assistance to others.

WINNER: **Michael HALL**

(Michael HALL also wins the UNIVERSITY OF TORONTO BOOK PRIZE).

BUTCHART TROPHY

Awarded to the Dux, the leading academic student of the Senior School.

WINNER: **Hansol LEE**

HEADMASTER'S SPECIAL AWARDS

To members of the graduating class who are considered by the Headmaster to have given some outstanding service to the school and through whose personal presence the school's society has been considerably enriched.

WINNERS: (In alphabetical order)

Catherine ANDERSON, Alysha FORSTER, Alexander HOLMES, Malcolm JONES, Michael PAGET, Sarah RICHARDSON, Andrew ROSS, Edward ROSS, Michael SHEPHERD, David STROBLE, Christopher TASSIN, James TSAI, Amy WOLFE

APPLETON TROPHY

An award for senior leadership, recognising outstanding strength in leadership and ability to organise intelligently, together with a personal charisma which attracts others to follow his or her example.

WINNER: **Robert DIXON**

THE T. GIL BUNCH CUP

(originally by the family in memory of Major H.C. Holmes, co-founder of Brentwood College, 1922, and Governor 1923-1948) For the student in the graduating class who displays, in addition to scholastic and artistic excellence, stability and strength of character together with a willingness to serve.

JOINT WINNERS: **Kevin MOORE Fabritzio PEREZ**

THE YARROW SHIELD

For that student in the graduating class who displays, in addition to scholastic and athletic excellence, stability and strength of character together with a willingness to serve:

JOINT WINNERS: **Morgan CROOKS Aoibhinn GRIMES**

Kevin
MOORE

Fabritzio PEREZ

Logging in

THE COLLECTION

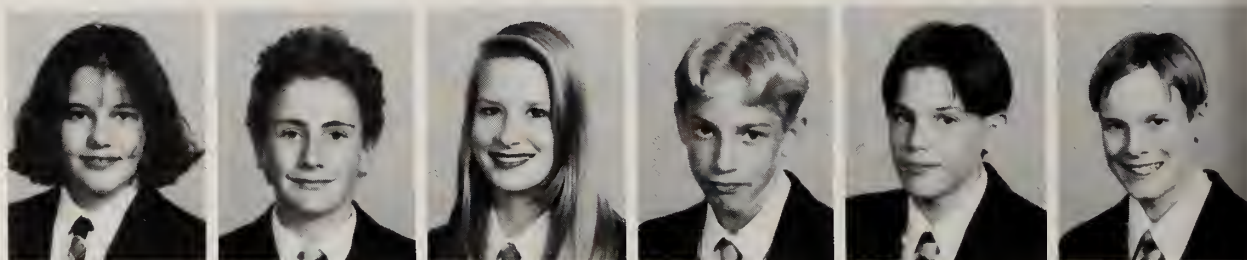

Glimmering and glinting, on a bed of red velvet, yet cold as ice, they recline in state. Their beauty has driven men to distraction and their value has driven men to murder. For each radiant facet upon their surface, a grisly tale can be told. Mined by grimy, sweating slaves, from the bowels of

the earth, their cost in human labour far exceeds their value. The hundreds that peer through the glass observe only a group of gorgeous stones and marvel only at their value. Experts, however, notice that each stone radiates in a different way. Pink or yellow can faintly be detected in some,

whereas in others clarity stuns the eye. On the white ceiling above, every colour in the room reflects back, wavering like a living thing. Fine angles twist light and seem to burn with white fire. Unquenchable fire belongs to a collection without price.

GRADE EIGHT A COLLECTION OF GEMS

Whether on a field trip, a camping trip, a house outing or just hanging out looking cool in shades, the Grade Eights are priceless.

OH FRABJOUS DAY!

Whiffing by the tulgey wood.

All mimsy were the borogroves.

So nested they by the tum tum tree.

The frumious Bandersnatch

Slithv toves

GRADE 8 ?

'Twas
BRILLIG!!

Beware the Jabberwock!

Did gyre and gimble in the wabe.

And as in uffish thought he stood.

Beware the Jubjub birds

THE TOURIST

Staggering uncontrollably, the tourist fumbled his way off the Greyhound bus, stalled, and sojourned to soak in the splendour of the newborn tourist attraction afore him. While silently admiring the magnificence of the entire concept, he amiably gibbered to the hot dog vendor, drew his battered wallet from inside his leather satchel, and carved out several bills from it. His dark, opaque shades enhanced his expression of disgust as he threw his eyes over the daily rates overhanging the ticket booth. Though

the tourist, being overwhelmingly bloated, ludicrously flaccid, and mind-bogglingly stupid, could not even begin to contemplate factors of everyday life, he does have a goal: to seek out attractions, spend as much money as possible, and amuse himself to a certain extent, only to return home virtually bankrupt, yet happy. Staring in bewilderment at his burgundy sandals, the somatic creature - clad in a pompous motif of silk and rayon, decorated with the colours and symbols of paradise, dove into his

funds once more before dawdling into the lobby. A caustic stench of cheap cologne trailed behind him as he tramped into the gift shop to purchase useless plastic trinkets as memories of his travels. After haggling with the clerk, the tourist proceeded into the zoo while dextrously juggling his coveted treasures.

Without a heed of warning, he was greeted by a catastrophic caterwaul of squeals, roars, howls, and screams that quaked the ground. Shivers soared up and down the tourist's spine like elec-

tricity. As the ruckus subsided, he regained his bearings, only to gag and splutter in disgust as a splash of mustard stained his diversified costume.

Unexpectedly, a splurge of flapping and squawking emerged from the nearby tree, and the tourist bolted for his thirty-five millimetre Kodak disposable. Taking precautions he tracked the avian's movements and shot...

The photo proved itself to be the best of the tourist's collection.

Ergun Gurak

The grade nine travellers, usually scattered all around, come together at last for a group of singsong led by Mrs. Pennells, Mrs. Cronin, Mr. Irv and Mr. Henry at Long Beach.

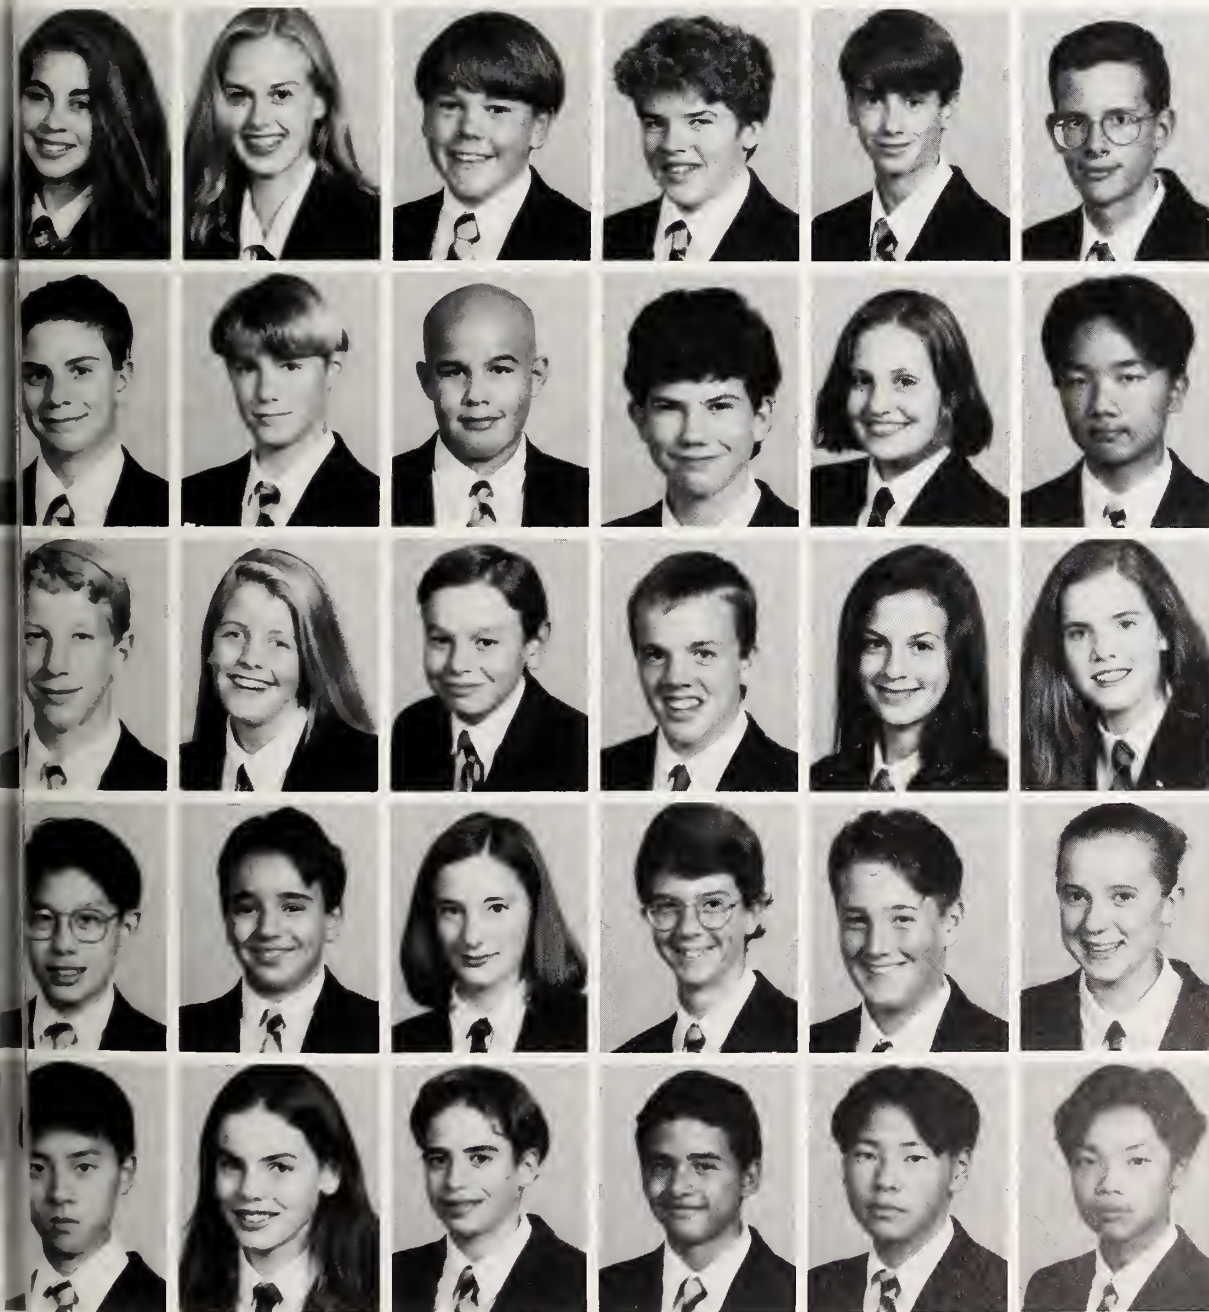

GRADE NINE - HERE, THERE AND ELSEWHERE

ADJUSTMENT TIME

Grade nines may start the year somewhat reflective and reserved as are Ian Bishop and Rob Moller (*right*) but they end up brimming with confidence as shown in the faces of these merry lasses (*far right*) from the junior school.

The Challenge *by James Weldon*

Like moths to a light,
The blazer clad brood
Marched in a line
To their mid-morning food.

Most just obeyed
The huge marble plaque
That glared its command
On the wall at the back:

'Though shalt not take cookies
Out of the cafe.'
Had been carved in its face
By wise Brentwood staff.

Jimmy MacDonald,
An unholy grade nine,
Decided to flaunt
The great marble sign.

Surveying the sentries
With a casual glance,
He slipped a half cookie
Into his pants.

Whistling, he strolled
Back down the aisle,
And passed Mr. Garvey
With a radiant smile.

Before he'd got far,
Or had had time to think,
His world was engulfed,
In a great sea of pink.

A slow, booming voice,
From the massive rose shirt,
Said, "Give me that cookie,
And you might not get hurt."

"Mr. Garvey!" said Jimmy,
Avoiding his stare
"What do you mean?
My hands are quite bare."

"The one in your pocket,
You horrible gnome!"
"Oh, this one?" he asked,
"I, uh, brought it from home."

For a moment, the teacher
Pondered his story,
"All right, then," he muttered,
"I'm terribly sorry."

His excuse having worked,
He broke into a trot,
But with a scream from behind,
He froze to the spot.

"Hold it right there!"
Came a thunderous order,
"Garvey, you fool,
That child is a boarder!"

"Fiddle!" swore Jimmy,
Amongst "Dam its" and "Hecks".
Foiled again,
By that blasted T.X.!"

"Eat that in here,
Or clean tables 'til five!"
"Never!" cried Jimmy,
"You won't take me alive!"

With a desperate cry,
He dove to the floor,
Slid through his legs,
And burst out the door.

"Stop him!" they bellowed,
"He must not get through!
If that cookie gets out,
Who knows what he'll do?"

"I'll call for back up,
Don't chase him alone!"
He dashed to the kitchen,
And picked up the Red Phone.

"This is Crossley!" he yelled,
Put me through to the head,
I'm down at the cafe,
We have a code red!"

Outside, little Jimmy,
Clutching his prey,
Charged out the gates
Into downtown Mill Bay.

From the campus behind him,
Came a tumult of sounds:
Gunshots, sirens,
And the baying of hounds.

Driven by cries
And the pounding of feet,
He sucked in his breath,
And shot up the street.

"Young man," crowed a lady,
Who stood by the way,
"Where are you going
At this time of day?"

But Jimmy, now quick,
and accustomed to lies,
Cried, "Over the road,
For a burger and fries!"

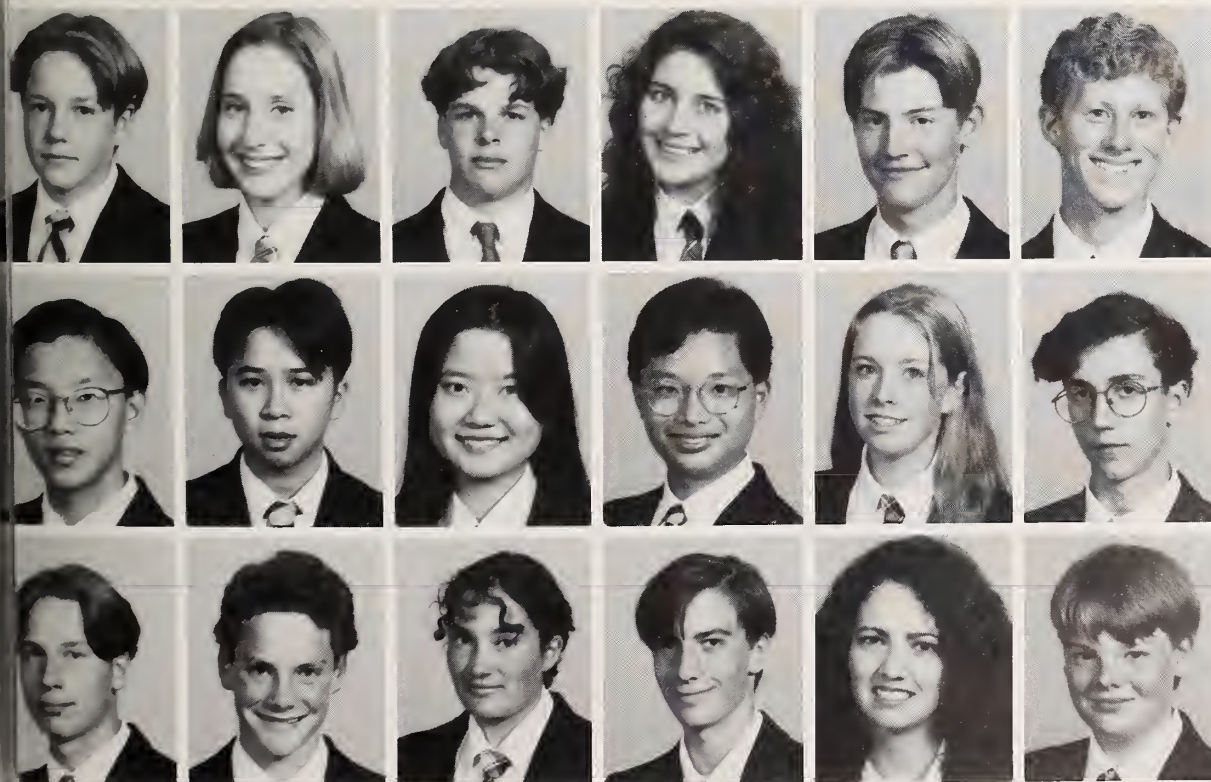

"No!" gasped the lady,
Catching her breath,
"Crossing the highway
Will mean certain death!"

Jim took no notice,
His progress unslowed,
He leaped from the sidewalk,
And on to the road.

Within seconds, MacDonald,
But a smear of yuck,
Was stuck to the grill
Of a large passing truck.

So be warned, all ye students
That Death simply laughs
At those who defy
The laws of the cafe.

NEW RULERS

Laying claim to foreign soil are the grade eleven Biology class. On this field trip they captured Portland Island.

IF I RULED THE WORLD

I am riding my bike, around a corner - hawooooosh - and down, down a serpentine road. I should be writing an essay, but I can not write an essay right now; I need to feel alive. The wind in my hair is alive. It inspires me. I tried to explain to a friend once about me and words. I tried to show her what words did to me, how they comforted me and how they shook me, but she could not see it. Sometimes it hurts to write essays, like it must have hurt Camille Claudel to make molds for Rodin. I can not mold my words to fit your topics. My writing is not robotic; to me it is art. It is so hard to make an essay beautiful. It hurts me to write things that are not beautiful, that do not move me.

There is an incline coming up. No matter how hard I looked, I could not find a route without at least one uphill in it, and yet I am glad of this because I wonder if I would have been satisfied to coast the whole way to my destination. I look at the scenery while I pedal hard up the hill, having found that time passes easier if one does not watch the clock.

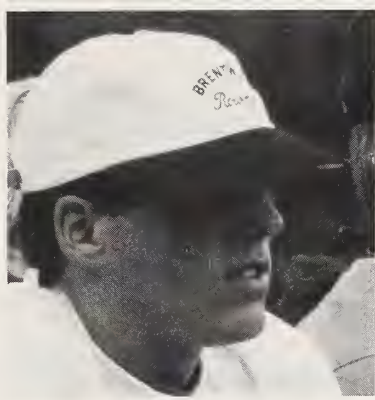

I am learning a lot, not from my teachers or my parents, not from any book or any course, but from life. I think a lot, about many things. Yesterday I thought about truth and beauty, and decided Keats was not completely right. Sometimes beauty is a mask, and sometimes the truth causes pain which is not beautiful. Today I found myself contemplating right and wrong, and how they relate to good and evil. I have done many things that are wrong, but wrong to whom? If I have broken the rules of society, I feel no guilt; I owe society nothing - it is a mess of hate-thorns tangled up in the wood of a thousand sheep-people. I do not believe in sin because nothing is so black and white, and if God loved us all so much, he would not send us to Hell for one bad word. Maybe I am evil and maybe I am not. All I know is that if I ruled the world, Charles Manson would have cancer.

There are so many things I do not understand, like death. Why, when my kind, old friend from next door drove to the police station, crawled under his car, and shot himself in the head, why did this not hurt me nearly as much as when my dog died? I am not grown up yet, and I try so hard not to wish I were, but it is hard when people you love go off, and come back different, wiser, while you are still the same muddled child you were when they drove off into the brilliant sunrise of adulthood. I try not to feel envy; my time will come and, besides, I am happy now.

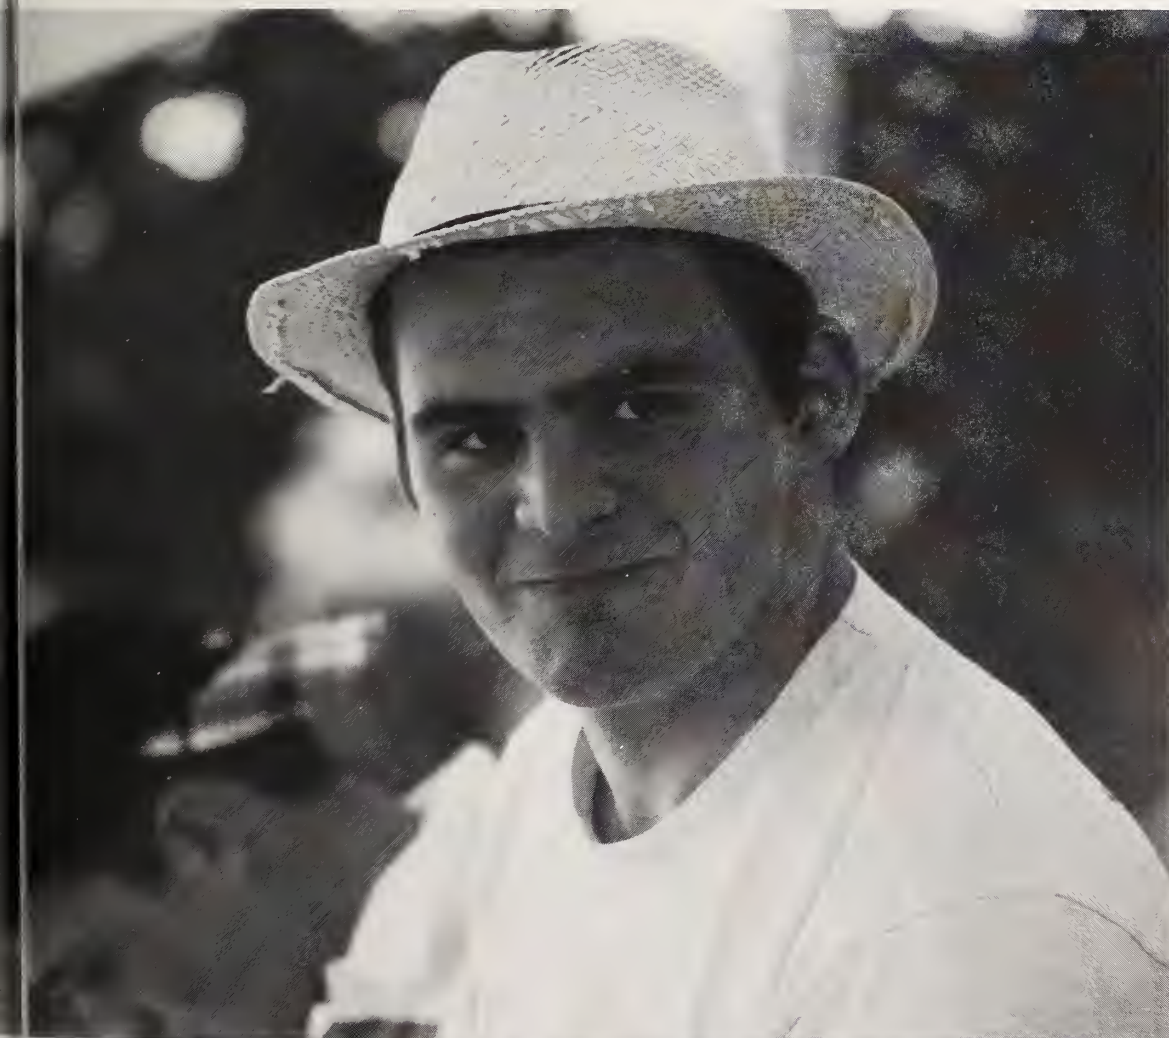

I am getting close to home now, and I pedal slower, wishing I could stay out all night with the wind, the stars, and a poem. But I must get home and write my essay, and pretend I am writing something that will not be marked out of twenty-five, something that will move the world. Someday I will, and my English teacher will look at it in awe and say, "She never wrote like that in high school".

Jennifer Marston

HERE'S LOOKIN' AT YOU KID

**SMILE
ANYWAY**

MEANT TO BE

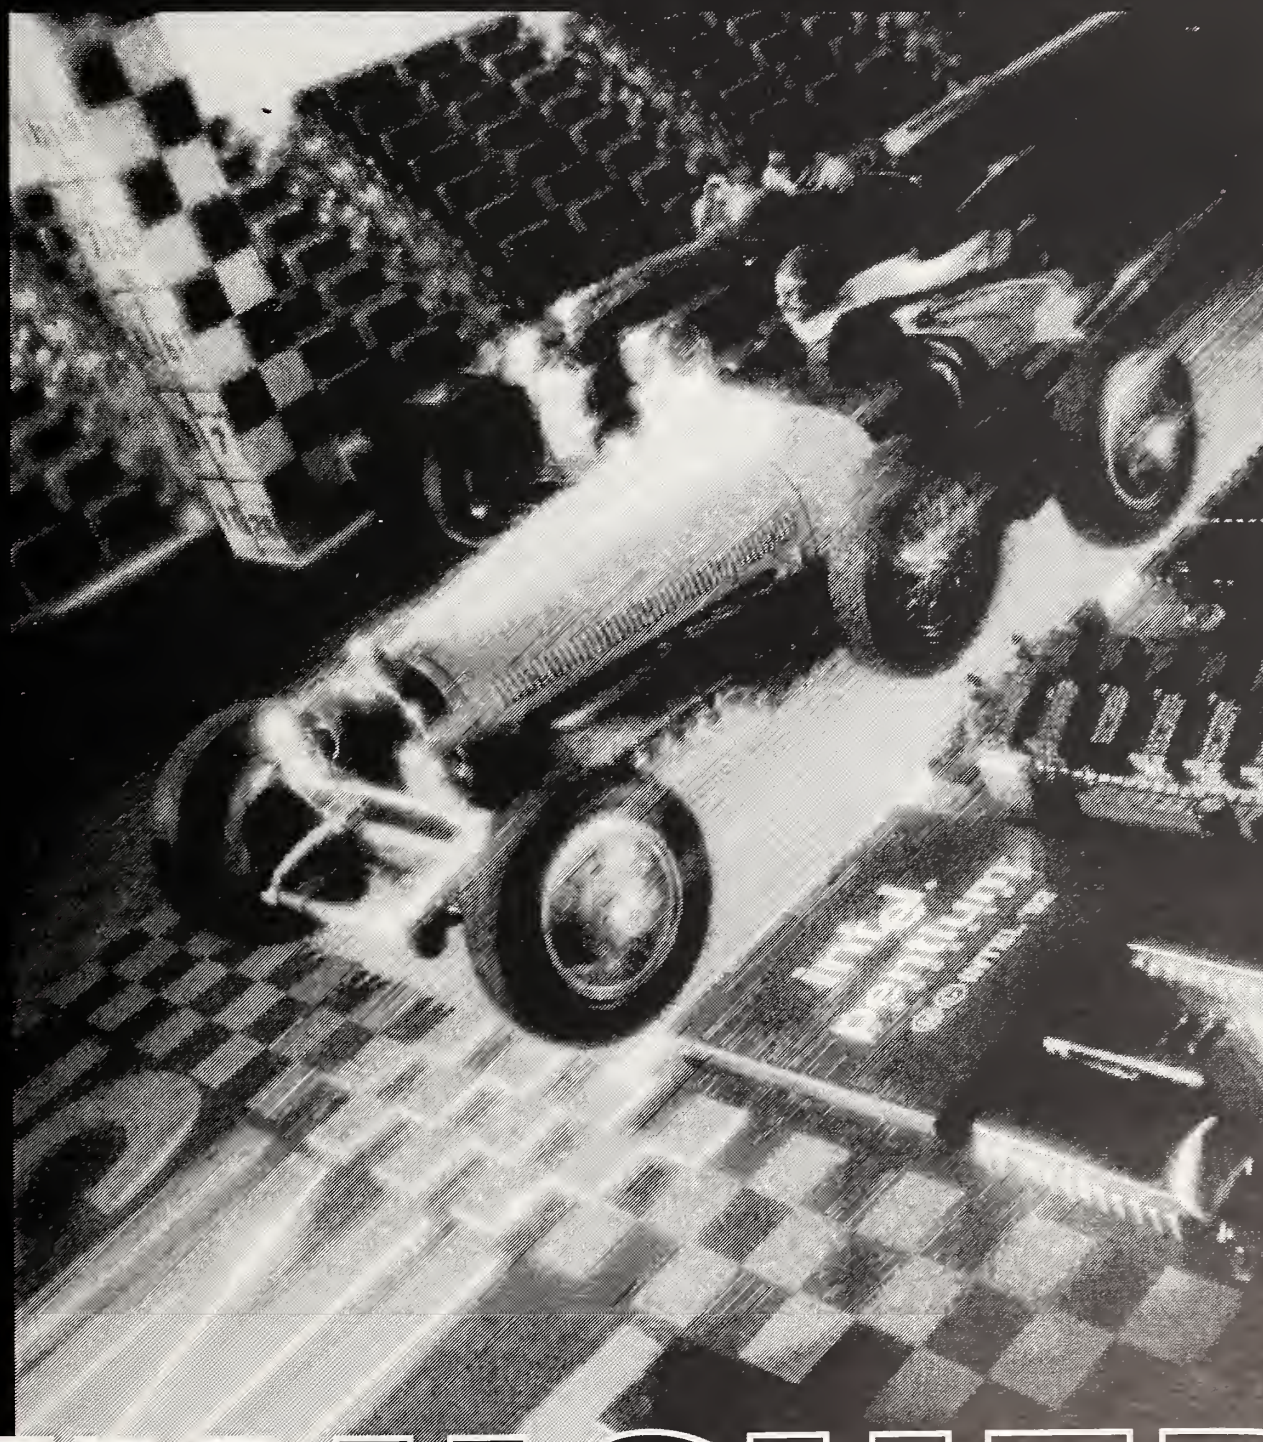

Grad

VIRTUALLY

FINISHED

GRAD 94

NORMAN ABRAOVICH

WHITTALL 91-94

LAST WORDS: funny how the days go by invisibly / and faster than I realise the things I think about / scared to find the calendar my enemy / and when I die so will the thousand things / I think about. - *Toad the Wet Sprocket*

VALEDICTORIAN'S ADDRESS

Honoured guests, Brentwood Faculty, Families, and Fellow Graduates:

Today is a special day. It is an opportunity for us, the graduating class of 1994, to step up and out of days, weeks, and months of routine, to take a step up, and not only see more clearly what lies behind and ahead of us, but to look at the faces around us today - to recognize their meaning to us, and express our gratitude to them. Our step up also allows us to be recognized, as young people with promise.

Years are not made up of days, and months; they are made up of moments. Moments of pain, and joy; of frustration and understanding; of conflict and agreement. Such moments are often remembered, but more often unremembered. They are produced when we allow ourselves to interact with others, when we open our minds to those of the people around us, and when we spend time reflecting, introspectively, on those experiences. We give meaning to these moments when, on occasions like these, we recognize their importance to the individuals we are becoming.

We are, all of us, fortunate to be living in an environment where we have close contact with so many, and such a diverse group, of people. The faces we see day after day - those of classmates, houseparents, teachers, and friends, are the substance of our daily life. These faces have personal meaning to us all - they are important to us. Friendships have been formed here, by us all, that will endure and grow despite separation by great distances.

The faces we see less often, but are closer to us, are those of our families. Our parents have sacrificed their right to watch us grow up, so that we may gain independence and the resources necessary for an excellent education and full, rounded lives. We graduates have learned that we must accept the responsibility that comes with such opportunity. We owe a debt to our parents that we must pay to our children.

The care and commitment put into our lives has paid off. We graduates feel well prepared and confident about our futures. Our talents and strengths have largely been discovered, and extended. We look to the future with eagerness and optimism. We are ready for the ever changing world that we will soon be forced to face.

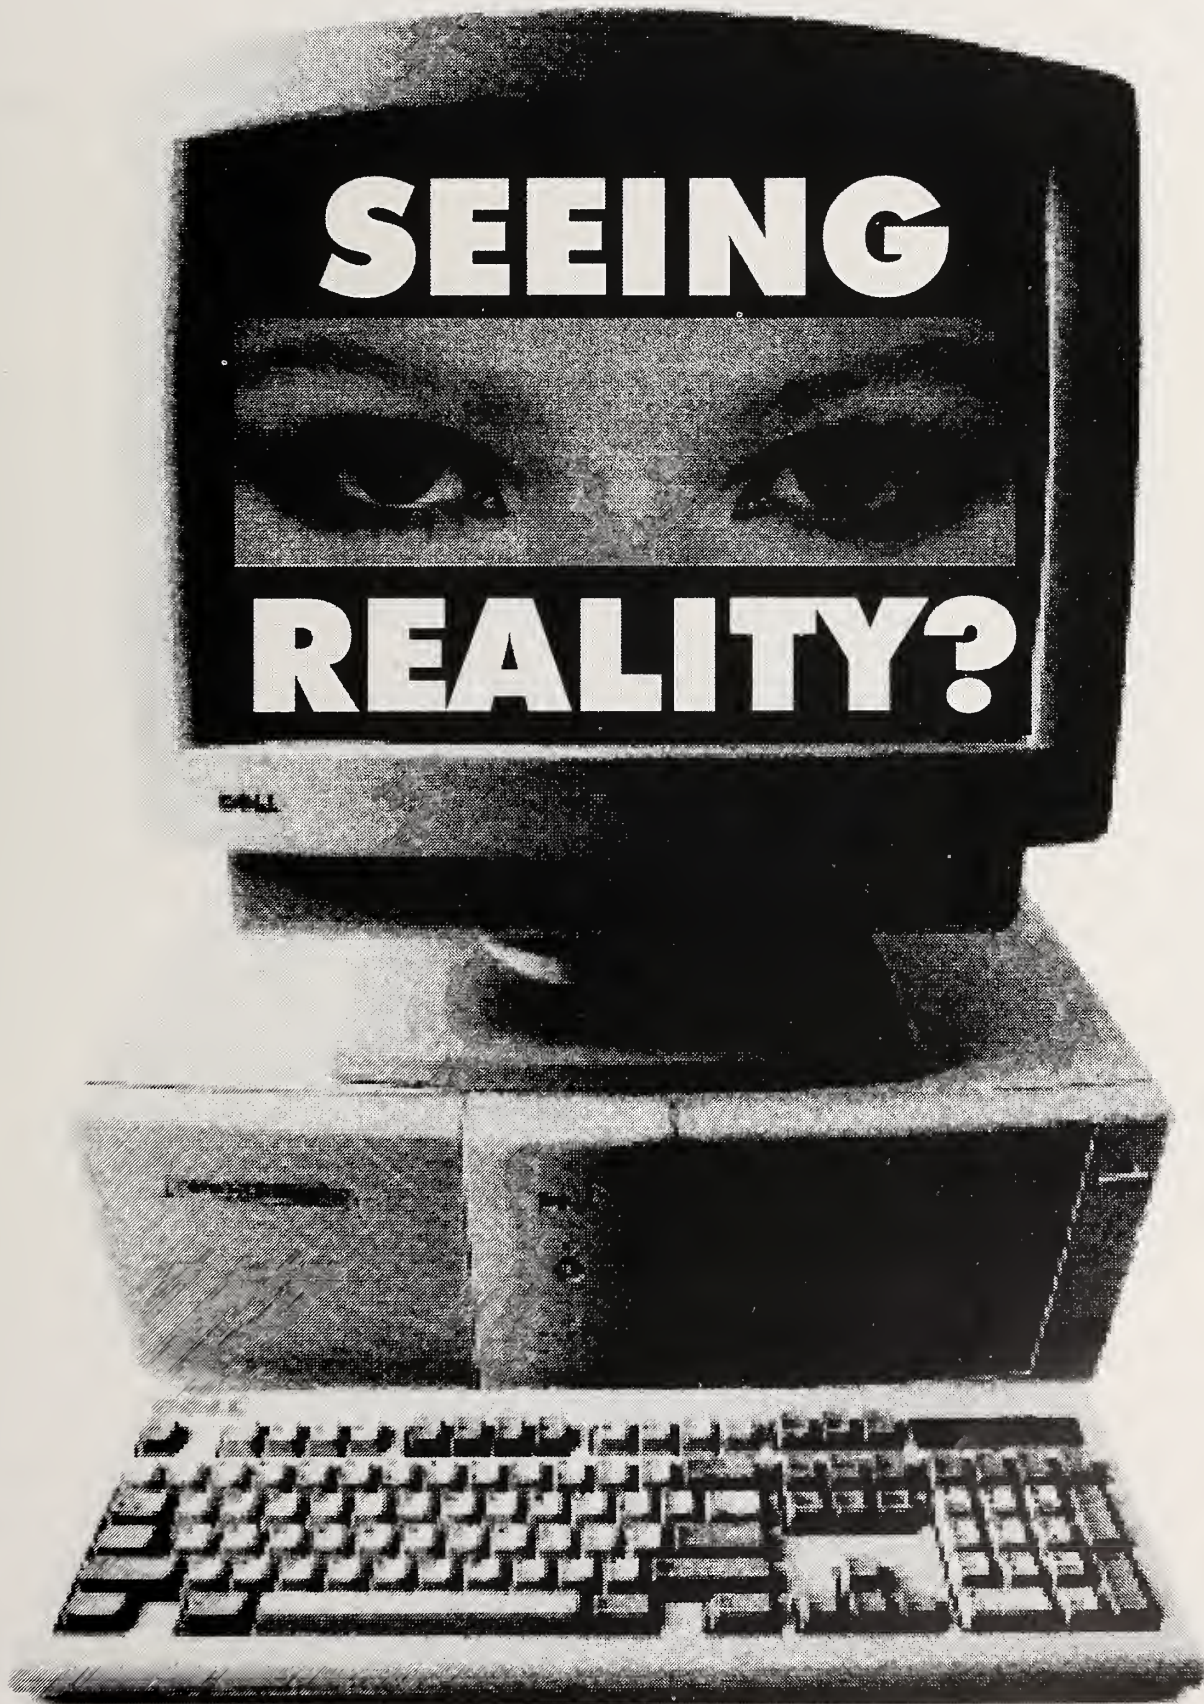

The graduating class of 1994 is a talented one. Outstanding musicians, gifted artists, and tremendous athletes are among us. We are a class strong in artistic, athletic and academic achievement, but there is something more worthy of recognition. We have grown to become individuals, with thoughts and values, and aspirations. Let that be what we are proud of, and let that be what we are recognized for.

"Parting is such a sweet sorrow" wrote Shakespeare, expressing the contrasting emotions felt by us graduates today. My words will perhaps be erased from your minds today as we witness tears and smiles, hugs and handshakes - the images that reflect our deep-felt emotions.

In closing, may we all have the vision of truth, and the blessing of happiness in our future years.
.....Farewell.

Michael Hall

Socializing at House time! 6:45-7pm

House Outing to Don Mee's for great Chinese food.

A toast to the Christmas holidays from Angie, Christina, and Amy

The infamous Gr. 12 Meeting!?

The zany antics of Dorm 10.

ALEXANDRA HOUSE

Our House Mascot - Tarka

What a year it has been in our house! From late night fire bells to strange dungeon smells, the experience of being an Alex house girl this time around has been interesting. Big sister, little sister nights, bagel sales, rope swing, Melrose, dairy queen runs, Mrs. Mais' sons, outings, and close friends, are only a few of the memories the girls of Alexandra will cherish. Tanis' impressions of Harry Cronin Jr. and Mrs. Backer's labour stories kept us all entertained throughout the year. The house would like to thank Mr. Ford, Mrs. S. Mais, Mrs. Cronin,

Mrs. Adair, Mrs. Kelly, Mr. Backer and, of course, Mrs. E. Mais and Mrs. Backer. These people have done an excellent job of keeping the house together and happy. The house would also like to recognise the Grade 12's, who will be dearly missed next year. They have done an excellent job of compassionately caring and guiding the other girls.

Hopefully our second home will run just as smoothly next year. Thank-you everyone for giving us a real home away from home.

Dana comes to a watery end.

MACKENZIE HOUSE

Mr. Linn (The Second Cutest Guy in MacKenzie) Reveals All - Well, Almost . We've Survived. Have You?

How can a whole year like this one be summarized into a few words?

We've encouraged. We've advised. We've been ignored. We've cheered up. We've calmed down. We've broken so many rules. We've given out so many Kleenex. We've unplugged so many toilets. We have smelled so many pizzas. We've heard so many fire alarms. We've written so many money chits. We've spoken to so many people; we who care. We've listened to people; who want to be heard. We've lent a hand when there was no toilet paper left. We've encouraged. We've cursed the bells.

We've consoled. We've ticked the days off on the calendar. We've watched so many movies. We've watched so much cuddling (jealousy). We've waited for people to go to bed. We've loaned so many eggs. We've lost so many pens. We've understood some problems. We've misunderstood others. We've made mistakes. I've pulled more hair out. We've sat on the couch. We've listened to lies (just a few). We've waited for Godot (he hasn't come yet). We've kept positive. We've tried our best. We've nagged. We've written so many post-its. We've lost too many friends. We've listened to the numerous knocks

on the door. We've spoken to WTR. We've witnessed the good, the bad and the ugly (no names). We've wondered. We've inspected. We've shouted. We've despaired. We've longed for our vacations. We've listened to the 'phone ringing. We've got mad. We've cried. We've been sympathetic. We've wanted to go home. We've made new friends. We've said "no". We've seen successes and failures. We've listened to advice. We've laughed.

We've done the same as you. We've enjoyed it or most of it. We'll be ready for next year. Will you be?

The Maestro of the House - Ivor Ford

FORD HOUSE 1993-1994

IN THE CENTRE OF MILL BAY

By the hockey-field near Thrifty's, lookin' lazy at the sea,
There's six Ford House girls a-settin', and I know they think o' me;
For the wind is in the fir-trees, and the Sign-In Bells they say:
'Come you back to Brentwood College; come you back now to Mill Bay!'

Come you back now to Mill Bay
Where the eights and singles lay:
Can't you 'ear the cox'ns shoutin' as the boats get underway?
In the centre of Mill Bay,
Where the seals and sea-gulls play,
An' the dawn comes up like thunder on Mount Baker ev'ry day!

Now the first girl's name was Lorna, and whenever I would look,
She would 'ave 'er nose a-buried in some new excitin' book.
Though she always was commended, an' she liked 'er rowin' too,
Readin' volume after volume's what she really loved to do.
With 'er nose stuck in a book —
From the page she wouldn't look
Tho' a seven on the Richter all Vancouver Island shook.
In the centre of Mill Bay . . .

The second girl was Lana, who could always make me smile,
For 'er wicked sense of humour kept appearin' all the while.
When she wasn't playin' hockey or at basketball, she'd sit
Enlivenin' the prep time with some timely shaft of wit.
With 'er wit as light as chaff —
She could always make me laugh
With 'er comments 'bout 'er schoolmates or my colleagues on the Staff
In the centre of Mill Bay . . .

The third girl's name was Tara - in field-hockey she played goal;
And the opposition rarely scored with Tara in control.
And she also played ice-hockey in the local Ladies League
When not at the grand piano playin' Mozart, Bach, and Grieg.
She was happy as a pup —
We were down, and she was up —
'Cos alone she was supportin' New York for the Stanley Cup!
In the centre of Mill Bay . . .

The fourth girl's name was Natalie, and many miles she biked
While a-doin' the Triathlon - that's a sport she really liked.
Or you'd find 'er in Ceramics busy throwin' pots of clay,
When she wasn't doin' French prep., or a-scullin' round the Bay.
She was throwin' pots of clay,
Or a-scullin' round the Bay -
It's no wonder she was stressed out at the end of ev'ry day!
In the centre of Mill Bay . . .

The fifth girl's name was Jennie B. With other kids she'd swing
While the band of Benny Goodman was a-playin' "Sing, Sing, Sing"!
She could dance to Boogie-Woogie; she could Jive and Jitterbug;
She could Eagle Rock, and Charleston; she could also Cut a Rug.
In my mind's eye I can see
Jen curled up, all cosily,
With a baby bear beneath each arm a-watchin' the T.V.
In the centre of Mill Bay . . .

The sixth girl's name was Tanya - she 'ad suitors by the score -
In the yard a dozen Brentwood boys; a-'phonin' dozens more!
Yet she always got 'er prep. done, and at paintin' won a prize;
She played volleyball, and basketball - took lots of exercise.
When the phone rang, I knew well
"Call for Tanya!" they would yell.
How I wish that I'd invested in some shares in B.C. Tel!
In the centre of Mill Bay . . .

Ship me somewheres south of Duncan, where the last is like the first,
Where there aren't no House Defaulters, tho' the Prefects do their worst;
For the Sign-In Bells are ringin', an' it's there that I would be
By the hockey-field near Thrifty's, lookin' lazy at the sea.
In the centre of Mill Bay,
Where the eights and singles lay,
An' you 'ear the cox'ns shoutin' as the boats get underway!
O the centre of Mill Bay,
Where the seals and seagulls play
An' the dawn comes up like thunder on Mount Baker ev'ry day!

Right: Kevin Fuller is all "dressed" up and "tressed" up for the dance.

Far Right: Ellis goes on manoeuvres in an early year camping trip led by Bill Coats and Evan Schmitke.

ELLIS AT PLAY (*Clockwise from Above*): Hsu, Schubert, Kawaja and Code show Ellis teamwork on "fun and games" night; Aaron Vallejo is in the forefront of the green machine gone "paintballing"; chess champions of Ellis include Jim Stewart, Arsen Krekovic and Mark Bensted. Communing with nature and with each other are Dunlop, Asselstine and Spankie while (*bottom right*) last minute preparation for the Interhouse Cross Country must have worked as Ellis emerged victorious.

ELLIS HOUSE

The year of '93-'94 will be one I will enjoy looking back on for many reasons. It will, of course, be remembered as the year the house renovation was completed and we gained new common rooms, a kitchen, plush bathrooms, two man dorms and many other improvements that all contributed to a tremendous upgrading.

It is people that make a house, however, and this year has been no exception in furnishing us with a lively and interesting group of characters who have meshed together well and produced a happy and productive house. The energy and enthusi-

asm of the Grade 8's and 9's threatened to wear us out at times - thank goodness for rowing season when coxswains are up at 5 and ready for bed by 9! Thankfully, too, we were blessed with Grade 12 students who were willing to take initiatives, to invest their time and to show tremendous leadership with the juniors. My thanks to Mike Paget, Mike Hall and house captain, Bill Coats, for doing such outstanding work. I am sure we will reap the rewards of their service for years to come.

Grade 10's were the powerhouse grade in many respects. They brought us victory in the interhouse cross country for the

first time in a long time and helped us also clinch wins in basketball, swimming and the esoteric arts of chess and debating. Indeed, Ira's contribution to the dress code argument left us all speechless and was impossible to counter.

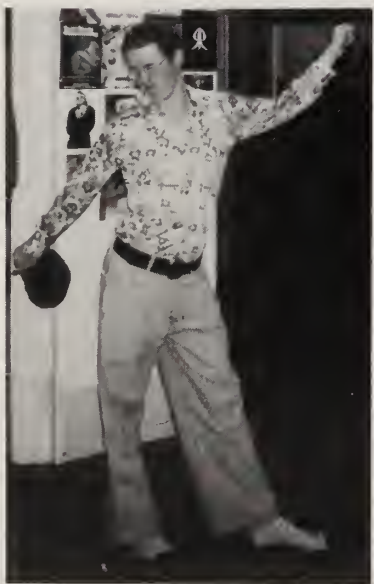

Grade 11's worked hard for the house, in the final term particularly, organizing a successful garage sale and an interesting Open House where Sumo wrestling brought new meaning to the phrase "pumped-up".

Memories of the year swirl around like the photographs on the pinboard - Cougars at Mount Tzouhalem, Paintball, Wind-

storms blowing down trees, chimneys and goal posts, a Dead Rabbit on the Highway, Skits at Christmas, Mr. Prowse inspections, King Robbie Dixon and the Grad dinner, Vallejo's cubed, Hockey nights, Hair raising tales from Portland Island, Raising the Interhouse Trophy for the first time, to name but a few.

My thanks to all the prefects for helping to run the House this year and to Bill Coats, our House Captain, for being a tower of strength. To the duty staff sincere thanks, particularly to Mrs. Melhuish in her rookie year for being so enthusiastic.

D. McCarthy

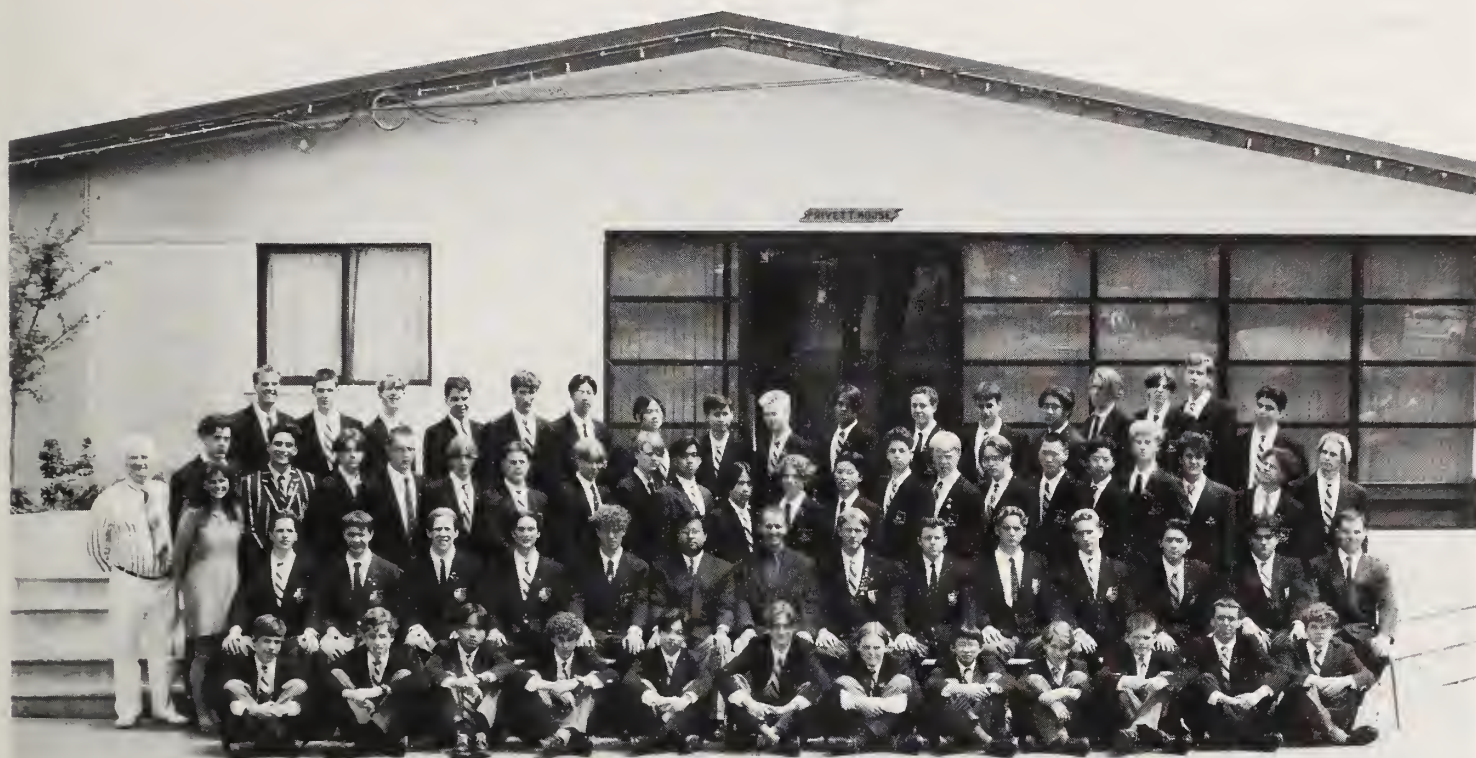

PRIVETT AT PLAY

Clockwise from above: Chris Woodward has Saturday Night fever, the eights cavort, the twelves in rare formal mode, the tens enjoying dorm time, Privetteers cooperating on Fun and Games Night, the nines (Storey and Roper) performing a skit.

PRIVETT HOUSE

Another year and Privett House maintains its AMEX motto membership has its privileges... though the executives have changed hands the corporation still stands. The handover and transition of the mighty Privett Empire from Dave Robertson continues... sometimes a tough time, especially for the seniors, the entire house has risen to the occasion with positive support. Our credit rating remained high as we charged through the year.

Guiding this year's members, David Stroble and Mark Jess, led the way, showing the juniors the ropes and keeping spirits high. Once again the grade twelves found themselves with the luxury of the downstairs floor but still provided the leadership as prefects upstairs where it was most needed. Though the prefect group seemed prone to falls from grace

it maintained an undying core to the end.

On the sports field we suffered from a disappointing lack of success at the interhouse level. Despite finishing strongly in the track and field and the cross country the final standings left us in fourth place overall (to*#@!!* house). It is placing that will be tenaciously avenged with true Privett fervour next year. Much credit goes to Sports Captain Mark Jess for organizing, motivating and mustering everyone in a year with a very full calendar of events to work around.

However, the Privett pride was still exuded in the repeat of the annual interhouse laundry competition champions. Though the laundry prefect seemed to be a rotating position - Chris Becker, John McKinley, Drew Hetherington and Mark Jess can

all take a bow for a cooperative (but dirty) job well done! We look forward to next year as we go for the threepeat.

Looking back, there are many highlights to remember... mid exam trips to McDonalds, Christmas Dinner at the Quamichan, NBA Jam on the house Supernintendo, the Grade Eleven organized Privett Disco, end of year outing to Shawnigan and Just Jakes, Big Brothers and the Sheepster. Ah, yes, the sheepster, alias Mike Shepherd, after five years how will we survive without him? Who will fix the house computer now - any nominees! Along with Michael our only other five year man is David Stroble, the house captain. Both have grown up in Privett and I am sure it will always be a special place for them. I must thank them both for their contri-

butions and especially David for his efforts as House Captain. David and Mark Jess showed great care for the house and the well being of all the members.

I must also mention the contribution of my assistant, Mr. John Cronin, who along with his wife, Lynne, joined us at the beginning of this year from New Zealand. John brought with him a very easy going and relaxed style and I must thank both of them for the work they have done in the house.

As the grade twelves put away their gold cards until they come back for a visit, others are just applying for their greencards, while yet others are trading up for their gold cards. At Privett they continue to reap their membership rewards.

S. Khanna

ROGERS HOUSE

Photos clockwise from above:
The ritual splash in the ocean is joined by an exuberant Mr. Ogilvie; Kevin Moore and Rhonda Bucsis rally the troops on Fun and Games Night, Mr. Purdon and Rags on duty; House Captain, Morgan Crooks, gets the hook on Chad Danard at sign-in; Cesar Sroka barbecues for a hungry house while some of the boys enjoy a bit of outdoor couch time.

SHIP'S LOG

September 7, 1993

1500 Hours

Officers report for duty.

Crooks - firstmate, Perez and Parlatore - second mates, Sisett and Williams - training officers, Ross - laundry officer, Dennett - ship security, Tsai - accounting, Moore - public relations and Bradley - leisure pursuits. Fine group of young men - practise drills, prepare for enlisted men's arrival.

September 8

1600 Hours

New recruits arrive. Mothers unpack and make beds. Ship's counsellor Ogilvie acknowledges the amount of work to ready these boys to sail.

1800 Hours

Play name game. Recruits have much in common: computers, tennis and skiing. Recruit P. Kloc leaves name game group speechless. Must talk to him.

2300 Hours

Introduce ship routine, soccer game on field hockey pitch. Some very talented athletes - Burns, Al Sarraj, Sit, Suh - looks promising for Intership. Sprinkler system turns on at dusk, adds water hazard to game. Bradley twins direct heads at participants. Must closely monitor them. Swim in Bay - buoy and back - no moon, black night. Secure.

September 12

2200 Hours

Ship ready to sail. First mate does admirable job even on crutches. Recruit P. Kloc surprises men with pigeon joke at ship's meeting.

September 19

2200 Hours

Portland Island trip with Junior cadets. Capture the flag - Counsellor Ogilvie leads his team to victory.

December 15

2330 Hours

Ship's outing to Jaeger House. Santa has close resemblance to Sisett. Senior Men do traditional skit - Ship's Meeting. Williams has me nailed, as does Parlatore on Counsellor Ogilvie, Bradley on recruit Gettis and Arora on himself. Must modify the tenor of the meetings!

March 13, 1994

1500 Hours

Bamfield with junior recruits. Some heavy seas. Certain boys yet to acquire their sea legs. Play Pacchina Band for second annual

game. Boys pleased with tie score. Surfing at river mouth excellent. Good peak, best two hours before and after a lower low. Recruit Love befriends Japanese movie director's son while halibut fishing.

June 9

2230 Hours

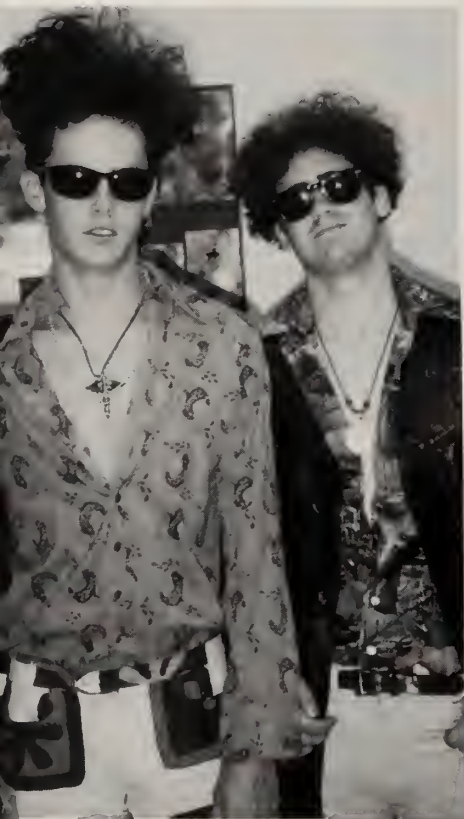

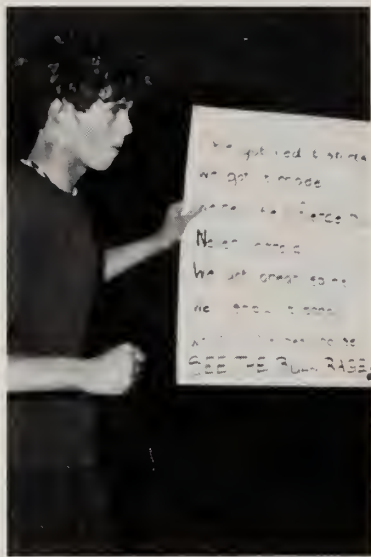

Ship photo retake due to technical difficulties in first. Water shot immediately following. Memo from Fleet Systems describes event as "something tribal". Ship barbeque. Bolsters ship spirit.

June 25

0330 Hours

Ship outing successful. Acknowledge fine work by ship's officers. Will miss them. Next crew looks promising. Secure.
F.C. Purdon

Right: Bill Boyte leads the Whittall fight song while "Althorpius Camoronicus" is the bull bearer. **Below:** Two of the flakier twelves, Malcolm Jones and John Pugliese, look too cool and comfortable in "Sixties" mode.

In Inter-house competition Whittallers show their teamwork in Fun and Games as well as tests of strength. **(Right):** their togetherness is shown above as Preston Buffalo, Ian Dufton, Andrew Wray, Jamie Amiel and Scott Kameron share couch time.

WHITTALL HOUSE

We are used to hearing from the Chinese that this is the Year of the Dog, or Year of the Cat, or Year of the Fish, etc. etc. Well, for Whittall House this was undoubtedly the Year of the Greater-Crested Althorpius Camaronicus. This is a somewhat rare species noteworthy for extremely high energy levels verging on the hyperactive by night, whilst remaining very dozy by day and, for generally managing to be in the wrong place at the wrong time. The species is characterised by its long, lean body topped with a far-from-natural blond fuzz on a small head. Our specimen adopted Whittall House last year and developed such an affection for us all that he decided to stay another year before leaving the nest. The species makes a wonderful house-pet, being generally affectionate and having a playful and loyal disposition. Rather like a young puppy, though, our G-C A.C. was

constantly in minor trouble and could be relied upon to be right in the thick of things whenever the housemaster was on the prowl. He lifted our spirits but was never there when he was supposed to be. He provided comfort to many but nearly gave the housemaster an ulcer. We shall miss our Cam. He was unique.

Throughout all this, the house ran smoothly. The grade nines, starting into that phase which often brings out the worst in teenage boys and through which most pass miraculously back into humanity, have kept us all on our toes. The Grade tens, very mindful of their dignity but not quite sure how to handle it, have survived the year largely unscathed. The Grade 11s, starting to see that big outside world getting ever closer have adapted to the greater academic demands on them with good sense and have started to emerge as the leaders elect. The

Grade 12s, finding, as ever, that the year has passed almost before they had time to gulp, have handled their multiple responsibilities with good sense and sensitivity. The unit, from 8 to 12 has remained cohesive, pleasant and supportive. From the smallest to the largest, they have helped each other and that is what the house has always stood for. They are a multi-talented group of young men who could probably run the world perfectly adequately - or so they assure me.

For Malcolm, Chris and Ben, at the top of the house, comes the end of three years, finishing with distinction, careers that have brought them honours yet with humility. My warm thanks to this triumvirate for all their very considerable hard work and support with a year which they have helped to make smooth and productive. To the other prefects; Jeff, Mackenzie, Andrew, Hansol,

Colin, Arthur, Cam., Norm, Max, Stephen, Mark, Vince, John and Matt, go my sincere thanks and best wishes. Mr. Culham, soon to get a new apartment, has been a patient and hardworking Assistant Housemaster whose service has been considerable over the year. I am most grateful to him as I am to the other duty staff, Messrs. Burrows, MacLean and Digby whose considerable and wide experience brings much to the richness of chat in the house of an evening. We have also been glad to welcome Mark Haslett as a temporary addition to the duty staff this year and wish him well for the future.

The house will soon be changing, at least physically, but I hope that our new "palace" will never detract from that atmosphere that is uniquely Whittall.

DANCE

DANCE --

to move rhythmically, usually to music, using prescribed or improvised steps and gestures.

The finale was "An Evening of Dance". Individual, Duos, Trios and Group Performances of this very improved and talented class showed a collection of well choreographed and improvised steps. Great music selections and artistic abilities created a memorable, entertaining evening for all.

A thousand thank-you's to Miss Avery for her expertise, patience, labours of love and fantastic sense of humor. We could not have accomplished it if it was not for her! Also a thank-you to Mr. Digby, Mrs. Pennells and the stage crew. Who, with their expertise, made us all glow on stage.

The Dance class missed the contributions of Giada and Hilary and know the 1994-95 class looks forward to their return.

Brentwood Dancers were a fun-loving professional class! I was incredibly proud to be part of this group and thank you all for the good times and great memories. I'll miss you.

Good luck, be happy! To the 1994-95 class "Break a Leg"
Jordan Piper

Below - Arsen Krekovic accepts one of the bouquets from Mr. Digby. Visual Arts teacher Geri Leigh and dance director Karen Avery applaud a wonderful evening.

The 1993-94 Brentwood Dance class, under the guidance of Miss Avery had a hard working, incredibly busy and totally entertaining year.

The first presentation of the year was on November 11, Remembrance Day. It was a very moving dance interpretation to honor the memories of those who gave so courageously.

1994 Brentwood Regatta introduced the "Swing Kids", an energetic, vibrant, high spirited dance troop that certainly moved rhythmically and attained unbelievable "heights". It was a superb addition to the weekend festivities.

Left, below - Wayward bunnies Nancy and Marlana.

THE SECRET DIARY OF ADRIAN MOLE AGED 13 ³/₄

performed by the
Brentwood Young Company
May 30 & June 1

The assorted and sundry quirky characters in this dramatization of Townsend's bestselling book, allowed for an ambitious scriptwriting and acting project in the Intermediate Drama programme (Grade 9 and 10). A comedic vehicle for ensemble work, the play recreates selected events described in Adrian Mole's secret diary as he responds to his parents' separation and neighbourhood philanderings. Being episodic in nature, our script made challenging demands on the 34 students in the class, split into two separate casts. I was delighted by their energy and commitment, inspite of very busy schedules. Reaching into the minds of adults, as any teenager knows, can be a daunting task; this interpretive practice met with varying degrees of success, but for many of the company, this was their first nerve-racking stage experience. They came through with flying colours! So to all the "Molies", a big thank you for a job well done!

Edna Widenmaier, Director

THE LAST REAL SUMMER

RIGHT: Giada Dobrzensky (Lizzie Tingley) looks on with disapproval as Bill Boyte (Doug Cameron) tells tall tales to his momentarily gullible mother Sasha Mervyn (Peggy Cameron).

ABOVE: A tender moment shared between Shannon Hartley (Molly Tingley) and Andrew Frost (Herbert Tingley).

RIGHT: A contemplative schoolgirl prepares to go to school, whilst her parents jest in the background.

LEFT, BELOW: The bitter twist of Fate which pulls the two lovers apart as portrayed by Giada Dobrzensky and Bill Boyte.

A Thank You From The Director

I think that most of us are impressed with "Bells and Whistles". We react instinctively to a performer who can juggle, dance and sing an aria whilst defending a bridge against all odds. But we are less prone to acknowledge the performer who can play a piece which is predicated on honest moments played with exact truth, and full quiet commitment.

"Being funny", then moving to an embarrassed silence of a simple statement of the heart seems, to the average audience member, to be an easy matter. It is no easy matter; it is acting rather than "just" performing. It takes the dexterity of the juggler, needs to be as sure-footed as dancing, demands the same full commitment to the emotional pitch as singing - and it can be as scary as a pitched battle. What impresses me are students who, at a vulnerable stage in their lives, can risk the vulnerability of not "performing" - simply being.

To the cast of *The Last Real Summer*, your director's sincere thank you for NOT performing! To the crew and others who helped - thank you for giving them such fine support. And, as ever, to the Grade 12s in the piece - farewell. Thank you for your help in giving,

".....to airy nothing,
a local habitation, and a name."

Keith Digby

Some random observations by the author.

I love musical revue! Some say it's dead!

When I was an undergraduate, it seemed every little college and medical school had half a dozen people who could, at the drop of a hat, write skits, dash off lyrics, and compose music. (Of course, these were the heady days of Sandy Wilson, Julian Slade, Alan Bennet, Dudley Moore, David Frost, John Cleese, et al.)

When Edna Widenmaier told me she also loved musical revue, a team was born. Just like Judy to Mickey she said, 'Let's do a show!' After the experiment of *The Seven Ages of Women* and a cast of six, it appeared time for *The Battle of the Sexes* and a cast of sixty. So that's how it evolved.

And what were my favourites? A parent loves all his children, and only under duress will I be forced to admit I really liked "The Computer Song" (the most difficult to write), "Adelaide" (my favourite inspiration), The Closing Chorus (the noisiest and

most energetic), and "Boys, Girls, and ?" (a nothing song transformed into a gem by those wonderful Grade 8 girls). But, I liked just as much "___", and "___", and, of course, "___". (I leave you to fill in the gaps).

I must mention Karen, our drummer, and Dan, our trumpeter. When I told the Cast their accompanists had no music and were improvising every note, the students could not believe it. They learned, I hope, an important lesson: you have to pay your dues. Dan, Karen, and I paid ours with over 15 years of dances, wedding receptions, and birthday parties. No wonder we identified with "The Fabulous Baker Boys"!

And now it's all over. Edna is talking of another show in two years' time, so I'd better start writing. We're doing our best to keep musical revue alive in the Cowichan Valley, and disavow the claim that the form is dead. It deserves to survive. If some of the students from the cast are inspired to keep it alive elsewhere, Edna and I will be well-rewarded.

We love musical revue!
I.R. F.

BOYS OF BALLET Comely males, Mark Jess, Kevin More, Bill Boyte, Chris Piper and Cam Althorp are all "dressed" up for the dance.

THE BATTLE OF THE SEXES

Report from the Trenches From Director E. Widenmaier

When I. Ford solicited me to collaborate on another musical revue venture, I could hardly refuse the man. Another world premiere, penned by Brentwood's satirist, highlighting the talents of 55 performers - what more could a director ask for? The resulting production was a satisfying evening of 24 musical sketches, following a tour of love on earth, hosted by the Olympian duet of Aphrodite (Sasha Mervyn) and Cupid (Robbie Dixon). A show to challenge professional ensemble skills, Battle of the Sexes played to good houses in the auditorium as the cast worked to create the shape, sustain high energy, whiz through costume changes and portray a variety of characters from sketch to sketch. A vibrant set created by art teacher, Geri Leigh and the fluorescent props built by Lyle Young reflect the tremendous support given by staff. Speaking of

reflections, I'm sure that eighteen young ladies will remember "drying for three hours" in the skeleton paint. From blues to ballads, there were times for everyone played by the house band in heaven, the Aphrodisiacs, led by I. Ford at the piano. Fine solo performances by Mark Jess, Victoria Peacock, Sasha Mervyn, Kevin Moore, Leah Mathewson, Bill Coats, Rhonda Bucsis, Shannon Hartley and Christina Frangou highlighted the evening. But who was prepared for that rugby ace Robbie Dixon to ably manage his opening cupid solo? (More musical successes seem promising in years to come if the Grade 8 girls' delightful performance in "Little Girls" is any indicator).

A temporary peace treaty in this battle was signed in the final number as the cast and audience agreed that "Love Will Find a Way".

LOVE ON OLYMPUS

Sasha Mervyn as Aphrodite reflects on the forbidden fruit while Rob Dixon as Cupid mischievously contemplates his next conquest.

SWEET SUCCESS Writer, performer Mr. Ford enjoys the fruits of a smash hit show. Hilary Walkley and Sasha Mervyn provide the accolades and gifts.

FINE DESIGN

Demonstrating the variety of mediums used in pottery are: (*Clockwise from above*) Alysha Forster and Ian Dufton moulding clay on the wheel, Jeremiah Polard doing some fine tuning with clay and Fab Perez decorating in plaster.

VISUAL ARTS 3-D POTTERY

The year has been distinctive for the individuality of its budding artists and it has been exciting to witness the diversity of experimentation and ideas, stretching from wholly functional pottery through the integration of handbuilt forms. Frank Vallejo's highly functional work on the wheel, Jennifer Marston's loose, experimental approach to the same art form and Amy's and Fabrizio's sculptural handbuilt forms typify this. Several students have used the studio with real commitment to further their skills in order to accomplish their ideas.

Mariska, Clare MacKinnon, Amy, Fabrizio, Natalie Reti, Colin Bradley, Tyron, Rebecca Christofferson and Colin Bradley among others, deserve mention here.

The events of the year began with the Visual Arts trip to Seattle that Joseph Hoh has written about in a separate article. It was a chilly, windy weekend but we took in everything we had intended and walked till we dropped. It was a successful venture by all accounts but for some, seeing originals, both contemporary and classical, was an exhilarating experience. I saw the amazing effect of successful communication between artist and viewer on a few faces that made the trip worthwhile just for that.

The introduction of a foundation art course at the grade eight, nine and ten levels mitigates the problem of students coming to us at different age levels and from varying levels of exposure to art

and having an uneven knowledge of the basics and vocabulary of art. Andrea Pennells deserves credit for having the vision to see the answer to this problem. Thanks are also due to her for finding us a more appropriate venue for pottery display. The case in the main lobby provides a space that allows for a more intense experience for the viewer and a safer venue for the artists. I would like to formally thank the Addison family for their gift to the pottery studio. Lucy was an avid potter for three years at Brentwood, graduating in 1990. She has gone on to specialise in the medium and is presently studying at Sheridan in Ontario, hoping to open a studio in Vancouver after graduation. Lucy visited me at Christmas and enquired about our needs. A new slab-roller will be in place at the start of next year. Thank you to Lucy and her father! We will be introducing two new ceramics awards over the next two years, one of which will be the "Lucy Addison Award" for wheel work in recognition of Lucy's commitment to this art form.

I would also like to thank Amy, Fabrizio, Michael Hall and Frank for their invaluable help over the year. The clay was prepared, the kilns were fired and students' work was kept at moisture levels that allowed further work. Another busy productive year seems to have gone by in a flash!

Helen M. Smith

JOYS OF CREATION

The pleasure of working with the hands seems evident on the faces of (from top to bottom) Mariska Richters, Clare MacKinnon, and Michael Hall.

Right: Nikki Reddington carves a work of art out of wood using the band saw.

Opposite Page, Top Left: Nick Lee shows his craftsmanship working with cardboard.

Below: Pippa George and Vince Biondo fashion exotic sculptures from strips of aluminum. This on-site work took place as part of the Fine Arts *Work-In-Progress Evening*.

SCULPTURE

This year I had an unprecedented number of experienced Sculptors who had gone through the program with me, and I so was able to implement much more difficult and involving projects. Proposals for Public Sculptures on Brentwood campus were worked out: Colin Bradley and

Liz Hargreaves each led a team that proposed a sundial, and a comprehensive plan for the swimming pool, respectively. These teams got a taste of what long-term commitment meant! Next year we may include electronics and kinetic movement into the sculpture program.

The junior Sculptors were involved with learning the basics of Visual Arts, covering a wide variety of materials from paper to aluminum. The focus, as always, is to develop critical and manipulative skills. I am very pleased with the overall program and hope to expand to meet the growing needs of the students.

Congratulations to everyone for their creative hard work.

Joseph Hoh

Left: Andrew Yeung is a smooth operator in the world of sculpture, here using the band saw.

Above: Andy Ho rounds off his work of art which ultimately becomes a pocket watch.

SELF-PORTRAIT

Exhibiting herself in charcoal, Liz Hargreaves provides an artist's insight. This painting was one of the fine pieces which adorned the hallway of the main academic block this year.

BALANCING ART

Mike Paget finds time in his busy schedule to create another masterpiece in acrylic. For his next act he will paint standing on his head.

NO BONES ABOUT IT

Liz Hargreaves makes a fine point about art as her mother listens attentively. The skeleton meanwhile hangs on her every word.

A PICTURE OF MODESTY

Roger Chen has little to be humble about as his art, in this case a pastel sketch, clearly shows.

ART 2-D DRAWING AND PAINTING

A QUIET MAN

Jason Remail is a man of few words but he expresses himself eloquently in this piece entitled "The Dyslexic Painting".

LEADING THE WAY

Instructor Geri Leigh takes art in a new direction at Brentwood, bringing often spectacular results from her students.

Last year, my "freshman" year at Brentwood, I was excited and impressed by the quality of the work students produced. This year I am truly thrilled! It just gets better and better.

We started the year by developing drawing skills and ideas in black and white in a multitude of mediums, from pencil to ink to charcoal and chalk. One of the more exciting projects was cutting and reassembling charcoal drawings of plants and skeletons, to achieve a dynamic collage - woven and pasted. One of the more exciting projects, and one which brought wonderful and encouraging comment from students, the public, and the media from which we had plenty of

attention!), was the "Brentwood Dinner Party". Students in Mrs. Smith's Ceramics classes modelled variations on the sandwich, which were then painted and assembled on a table-cloth - each with an appropriate background - after Judy Chicago's famous dinner party.

It has been another year for murals - from trees, to personal logos - all exciting and important projects.

Roger Chen, Liz Hargreaves, Jason Remail, Mike Paget, Ben Wu, Patrick Wai, Rosanna Watson, Rob Dixon - to name only a few, have been devoted artists - often "hanging out" in the art room after hours to do and discuss their work (among

other things). The reason, it seems, based on the written comments I invited in our last week was, "the liberal and comfortable atmosphere in the art room which has encouraged students to embark on self-initiated projects which are not necessarily restricted to the classroom." (Liz Hargreaves) Well ... we did get a sofa!

One of the highlights of the year was a massive art display, not only in the new gallery, but up and down the halls of the admin. building, for the Rowing Regatta - a first for Brentwood. It gave all of the students an opportunity to show their work to the widest possible audience. The positive comments were boundless, the energy surrounding it exhilarat-

ing, and a fringe benefit is that many works were sold.

Again, from the written comments from students, the Seattle Art Tour was a highlight for many. It certainly inspired Roger Chen to break new ground to explore large, expressive, and luxurious use of paint, and Jason Remail became a Picasso addict.

When I sat down to decide who should get the awards and the colours at year end, I wanted to put them all on the list. They've been marvellous. Their enthusiasm has been an inspiration to me in my own art - and to the grads - I'll miss them terribly and good luck! To the rest, see you next year, and Thanks.

Geri Leigh

2ND ANNUAL ARTS PILGRIMAGE TO SEATTLE

A group of 32 students trundled along in a BCS bus driven by Dave Crowe to Seattle for the second annual Arts field trip to Seattle November 19-21 led by Helen Smith and myself. The trip was wildly successful - even better than last year's which I had thought hard to beat, mainly I think, due to the great bunch of young leaders like "Guido" Getejanc. "Guido" on one occasion helped haul some young 'uns by the scruff of their necks out of the O.K. Cafe mosh when it was time to go.

There was as usual much to

see and we had to cut out some visits despite having an extra half day. This trip dove-tailed with the dance group who saw an excellent performance by the Moazz Dance. One of the special exhibitions we visited was the Modern Masters and the Figure at the Henry Art Gallery, University of Washington. The Matisse Jazz series was astounding. However, to me, the highlight was the Susan Rothenberg exhibition at the Seattle Art Museum, a rare lady among North America's premier Abstract Expressionists. Also while downtown, the Sculpture/

Pottery group toured the public art of Seattle, while the 2D Art/Dance group visited the commercial galleries.

I always enjoy the Public Art tour in the downtown core. "Where is Mrs. Smith?" was a common question this time. She was usually found half a block back admiring the work and generally lost in the photo-taking process. I was very pleased to have her join us this time around after discussing a field-trip for many years. Here's to many more!

Joseph Hoh

WHERE IS MRS. SMITH?

When not searching for their guide and mentor, students took in some fabulous art.

Top: Jennifer Marston gets to the point with a conic sculpture.

Middle: Sarah Brautigam leads "Guido" and Nick Lee on a wild goose chase, perhaps to find the ubiquitous Mrs. Smith (*bottom*), here seen briefly hanging out in front of the Paramount. Note that Michael Hall seems oblivious to her presence.

" OF TRAVEL "

London Theatre Tour '94

Francis Bacon advised his readers in 1625 that *"Travel, in the younger sort, is a part of education, in the elder, a part of experience."* Mr. Digby and I were most grateful for Bacon's timeless instructions to "the tutor" or "grave servant" who undertakes such a journey, particularly since we were constrained by seven days *"to travel into a little room, and in a short time to gather much."* Our literal reading of that particular dictum seemed to advise an advantageously placed hotel, hence the Park Court (which rhymes with Harcourt) overlooking Kensington Park and distanced by bus, ten minutes to Shelley's Shoe Store at Oxford Circus.

As for the itinerary, *"the things to be seen and observed"*, according to our Renaissance travel agent, are *"the courts of princes specially"* Buckingham Palace and the Rock Circus; *"the churches, with the monuments which are therein extant"*: St. Paul's Cathedral, Westminster Abbey and Madame Tussard's; *"the walls and fortifications of cities"*: the Tower of London and the sweeping Regent Street, famed for Liberty and Hamleys Toys; *"the antiques and ruins"*,

the British Museum and Carnaby St.; *"the libraries, colleges and lectures"*: the Royal Naval College in Greenwich, the Beatles Walking Tour and the Hard Rock Cafe; *"houses and gardens of state and pleasure"*, Warwick Castle and Soho; *"comedies such as where the better sort of persons do resort"*, Stratford-on-Avon and Chelsea football ground; *"treasures of jewels and robes"*, the Faberge Exhibit at the V & A, and Portobello Road Market; and *"to conclude, whatsoever is memorable in the Places where they go"*.

Further, *"that the young travel under some tutor who hath the language"* became invaluable advice evidenced by our linguistic confusions over the tube and W.C.'s. We had no problem in fulfilling his recommendation *"that triumph masks, feasts ... and such shows ... not be neglected"* as we engaged in our nightly soirees to London's Theatreland.

Hence, with his good sense, we *"abridged our travels with much profit."*

Veni, Vidi, Visa!

VENI VIDI VISA

Much coming, going, seeing and spending were the lot of these tourists.

Top: Enroute - Mrs. Darling, Nancy Leckie, Mrs. W., Megan Stone, Preston Buffalo and Carla Smith.

Middle: Our gang, plus some.

Bottom: Devon Pipars finds a moment of solitude in Trafalgar Square.

Beethoven's Fifth Symphony - passionate, dramatic, heroic - those first three notes - the 'fate' motif. Time after time we rehearsed the final movement to get it exactly right whilst running the risk of being impaled on the flying baton which had difficulty remaining in Mr. Cooper's hand - sometimes we thought the frenzied and demented composer had been reincarnated as our Mr. C. However after much detailed and painstaking work we reached a level of performance that even Rory stopped complaining. From Beethoven to 'New York New

York' to 'The Liberty Bell' and 'Puttin' on the Ritz' it was 'a very good year'.

The Choir also had an excellent year. Led by a close-knit group of eight of our members who were part of the British Columbia Provincial Honour Choir, we participated in the West Coast Choral Festival and various other musical events throughout the year. We had our hilarious moments too: Colin's "solo", Mr. Cooper's glasses falling off at a concert in Victoria, my outbreak of laughing - all of these contrib-

uted to many enjoyable incidents.

As the year progressed, rehearsals increased, during cookie-break, between classes, during prep and sometimes later for various solos and duets, all of which were great fun.

It all came together on a wonderful evening in May - that annual 'Invitation to Music' concert. Pianists, soloists, duettists, small ensembles, Concert band and Choir performed with style and polish to create a memorable experience which we will all remember. Perhaps the high-

light was the final number, Josef Haydn's 'Gloria' for solo quartet and chorus.

The success of this superb evening was a tribute to Mr. Cooper's commitment and unending support. His enthusiasm and hard work made this year one of satisfaction and achievement.

The departing 12's wish Mr. Cooper and future music programmes the enjoyment and success of this year.

Christina Frangou

CONCERT BAND AND CHOIR

Pianist Debbie Sit (*left*) and singers Christina Frangou and Rhonda Buccis (*above*) performed for the public as well as at school assemblies on formal occasions. Here they are entertaining the audience at the "*Invitation to Music*" in May.

JAZATAK

IMAGED-IN

Of all the jazz groups I have worked with, JAZATAK '94 was, perhaps, the most talented, dedicated, and the most musically inspiring.

They were the first musicians to have individually mastered the technical demands of their instruments, and the music, to the extent that they were all capable of interpreting the compositions we played through collective improvisation. They were, in other words, the first musicians to have fully grasped the jazz idiom and function as a truly spontaneous performing group.

How did they accomplish this? In addition to aptitude, they shared a common sense of purpose, a strong commitment to hard work and to each other, and they found the time and opportunity to educate themselves. Most important of all, they had imagination!

Ian Nugent and Ted Mason, on piano and percussion respectively, deserve the highest praise for their remarkable progress. Having served a brief apprenticeship, their industry and personal initiatives quickly enabled them to become equal partners in the success of the band's arrangements. On bass guitar, Chris Bradley gained the confidence to take increasing and necessary risks in his playing without straying too far from the dependable foundation we all relied upon.

Drew Hetherington was a prolific drummer with an amazing capacity to absorb new ideas and transform them into free-wheeling, inventive performances. Although he was a strategist, he played from the heart. His constant urge to explore his own resources enabled him to bring a walking-on-eggshells elegance to the music at a given moment and an explosive, fiery passion, the next.

As the featured soloist, Brent Gettis revealed an extraordinary artistic talent on keyboards. There were moments of wizardry and sheer brilliance as he unveiled abstract values from standard progressions, proving himself to be an intelligent and highly creative adventurer. If Drew was the heart of the band, Brent was the soul.

Highlights during the year included public performances, the Victoria studio recording of "Electric Dream Machine", and the European Tour during which the musicians travelled fifteen thousand miles, playing nine concerts in England before moving on to Paris. Their achievements were unparalleled and a source of great personal pride. Sadly, the year did not include a performance for their parents or for the School.

The development of imagination, the ability to "image in", must remain a fundamental objective in education. There appears to be a global shrinkage of the vision of "self" which stems from eyes that look but fail to see, ears that listen but do not hear, and even educated minds that live in tailor-made cages of every size. The arts offer precious insight into human dynamics and exercise our power to grasp what it is like to be, simply, somebody else.

In JAZATAK '94, each performance gained polish as a statement which was regenerated on an uncharted journey into the unknown. The process was not without trials and failure, but when it was successful, it reinforced the capabilities of the musicians to imagine and value the unique contribution of a distinct, separate individual. It was a process which brought with it the pure excitement of "wholeness" and the dignity of gifts realized.

In the Photography department over 30 students have learned everything or more about how their camera works. Most students have applied that knowledge throughout the year and produced good work. The assignments that were given were not easy. A lot of thinking had to be done before they could actually produce a well thought out work of art on film. And then there was always the darkroom, where they had to work to produce the end result requested. The quality of the finished work was of varying degrees. We had students from Grades Eight through Twelve in the course and, obviously, some of the juniors need more time to produce good assignments.

Amanda McFall deserves a special mention. She has been in this course for three years and has produced some excellent works of art. She will continue to be active in photography and I am sure that she will enjoy what she is doing. The 1993-94 year has been an exciting year. I am looking forward to working with my students during the next school year.

FIRST XV RUGBY: *Back* - K. Moore, T. Meier, D. Robinson, S. Vertes, J. Recalma, M. Koch, S. Pidcock, J. Polard, E. Ross, D. Wood. *Front* - Mr. McCarthy (coach), N. Abramovich, M. Jaims, R. Dixon, G. Getejanc, M. Herschmiller, Mr. Allpress (coach).

If the number of wins were left as the only measure of the success of the '94 1st XV it would do them a great disservice. Indeed, had Rob Dixon's XV not sustained a run of injuries to key members of the backline, we might well have been viewing this season from quite a different perspective.

Early season fixtures were a mixture of wins and losses as players established their positions. The pack virtually picked themselves and dominated in every match they played with Rob Dixon and Gordie Getejanc controlling the scrummages and Mike Herschmiller winning superb possession in the lineouts. When we finally settled for a loose forward combination of Mackenzie Jaims controlling backrow plays from open-side break and the explosive Travis Meier at number 8 the pack began to gel and the addition of Ed Ross on the blind side gave the team some speed to second phase play that was lacking. Drew Robinson took on the unusual combination of hooker and goal kicker and did a great job of both, while Sean Pidcock became the first grade 10 in many years to win a place on the 1st XV. The

backline took longer to settle because most of the established players were involved in other sports. For the match against Reigate Grammar School, a touring side from the U.K., we finally settled for Kevin Moore at scrumhalf, Devon Wood at flyhalf and Jeremiah Polard at inside centre after working with other options in earlier games. The combination that faced Oak Bay was finally the right people in the right positions, but little did we realise at the time that it would be the only game of the season when the line was intact. In fact, it was only 17 minutes of that game before full-back Norm Abramovich came off with a cut to his head, but not before he had scored an impressive try that gave us a decisive lead and ultimately a 17-10 win. Wingers Steven Vertes and Jake Recalma both had great games and their defence was superb.

The route to the B.C. High Schools' Championship was decided by the winner of the Shawnigan-Brentwood fixtures. The first game was a very flat performance by us and Shawnigan, who were a more spirited side on the day, won a close encounter 7-5. Everything hung on the second game

10- days later. We started without the penetrating attacking force of Mike Koch at centre and Jeremiah who had dislocated his shoulder and was out for the season. The final blows were the losses of Devon in the early minutes of the game with a broken nose and later in the match Kevin who broke his arm. Despite these setbacks we still had our moments as the forwards played with great heart and determination, but in the end, the result was in Shawnigan's favour.

It would be all too easy to associate the fate of this year's side with the change in the seasons of play, as I have heard so many doing. Certainly, there would have been a greater depth of players to weather the storm with the run of injuries that we sustained, but I maintain that this team had as much potential as any I have coached in recent years. I salute Robbie Dixon's men, and co-coach Dave McCarthy, for I know how frustrated and disappointed they were when circumstances prevented this side from showing its true colours.

John Allpress

FIRST XV RUGBY

FORWARD POWER

Brentwood's pack shows off its vaunted strength "up front" against Mt. Albert from New Zealand. Though defeated in the game the forwards won plenty of ball and gave their opponents a severe challenge.

Photos show superb lineout work (*left*) as Gordie Getejanc wins a ball at the front. *Top* Gordie prepares to set up a maul on a penalty move while *above* the pack rushes to the aid of a back caught in the tackle. In the foreground are Mike Koch (#13) and Mackenzie Jaims hair aflying.

RECORD:

PLAYED	13
WON	5
LOST	8

HARD AND FAST ACTION

Brentwood's first XV hosted Reigate Grammar School from England and the fans were treated to an exciting show of tough, fast-paced rugby. In the main photograph Norm Abramovich bursts through a gap

with Steve Vertes in support. Other photographs show action from scrums, lineouts (Mike Herschmiller rising above the crowd), the tackle, open field play (*bottom right*: Mike Koch breaking away), rucks and mauls.

GREAT GAME, GREAT HOSTS

In this early season battle Brentwood was bested by the visitors 20-5. However, the Reigate players admitted to being beaten "up front" and they were full of praise for their hosts who made the visit so memorable.

TOUGH TUSSLE

Far Right: Arsen Krekovic is wrapped up by a Reigate tackler as he tries to pass to Fab Perez. Close support comes from Chris Woodward and Art Maughan.
Right: Yufo Okada is on the move on defence as Chris Piper comes away from the loose play.

WHERE'S THE BALL?

In the heat of the battle the ball is the thing to look for. *Clockwise from above:* Alex Holmes, Chris Woodward and the rest of the pack maul the ball; Tom Burns clears it out of harm's way; Peter Mathews tries to catch their guy with it; Arsen Krekovic tries to break free with it and the two sides scrum down to see who gets it.

2ND XV RUGBY

BACK: Mr. Linn (*coach*), M. Hsu, S. Dixon, N. Korosu, P. Mathews, G. Swales, N. Schubert, R. Chen, R. Whittaker, Mr. Cronin (*coach*). **FRONT:** A. Stone, K. Tmana, P. Woodward, R. Chan, C. Sroka, D. Rorison, T. Nakatani.

RUGBY IN THE SPRING

It was Alfred, Lord Tennyson who wrote:

"In the spring a young man's fancy lightly turns to thoughts of rugby"

Never, rugby in the spring! That is as unlikely as a Burrows smile, Ross brevity or a generous Scotsman! Yet, in 1994 the unbelievable came to pass. Senior rugby took up its position in the spring.

The season began in earnest with barely enough healthy bodies to make up a 2nd XV. The outlook appeared bleak. With the advent of the third term, however, considerable interest had been aroused among the sleeping giants and slumbering dwarves

of the senior grades. There would be, ultimately, enough players for three teams.

We were privileged to have the expertise of itinerant Kiwi, Mr. John Cronin, on hand to help with the coaching. His skill practices were innovative, his approach thorough and his knowledge of the game sound. If only we had had a translator!

The team philosophy was to play an expansive game. Retention of possession was the key element with opportunities to score coming after second or third phase possession. The boys all devoted themselves enthusiastically to this style and the results were very encouraging. Skills developed and appreciation of the game increased. If only the com-

petitive season had been longer, the benefits would have been even more obvious and long lasting.

The playing record of the team was good. We played twelve games, won eight and lost four. Alex Holmes, one of the few Grade 12's on the team, was an effective and encouraging captain. Many Grade 9 and 10 players had the opportunity to practise and play competitively at this level. This experience will benefit them and Brentwood rugby in the years ahead.

With the rugby season over, our young men's fancies can lightly turn to thoughts of love. The six-inch rule still applies on campus, however.

Graham Linn

COLT RUGBY

COLT B RUGBY *Top, from Left to Right:* Mr. McCarthy (coach), C. Misfeldt, B. Asselstine, G. Minhas, C. Bradley, G. Scott, T. Herschmiller, B. Wu, C. Lau, Mr. Allpress (coach). *Bottom:* M. Pronick, A. Chow, W. Stothert (captain), O. Amiel, G. Spankie, M. Walker, I. Gordon-Collins.

COLT C RUGBY *Top, from Left to Right:* J.W. Suh, J. Chang, T. Goethals, A. Pipars, M. Pronick, B. Lee, C. Lau, G. Seed, Mr. Beniack (coach). *Bottom:* A. Chearananta, P. Wai, P. Nevlud, I. Lun (captain), G. Lang, A. Kloc, T. Otake.

Right from the beginning the boys in the Colt Cs identified themselves as a group in the fine traditions of Brentwood rugby. Their enthusiasm for learning the skills of the game as well as their spirited performances, made the team an enjoyable one to coach.

As with the whole age

group, injuries to key positions put a strain on the team, especially during the early part of the season. The group had fine leadership from their captain, Ivan Lun, who controlled the back line, and their vice-captain, Graham Lang, who rallied the forwards in many rucks and mauls. These boys led by example

and encouraged their teammates to lift their performances in tough games.

Finally, I would like to thank each of the boys for an enjoyable season. I hope they will continue to improve on the skills that they developed this year.

Reginald D. Beniack

COLT A RUGBY Top, from Right to Left: Mr. McCarthy (coach), J. Lee, T. Nakatani, R. Pan, J. Remai, J. Weldon, S. Dunlop, C. Burkmar, K. Martin, D. Ordze, G. Karau, Y. Okada, Mr. Allpress (coach).

COLTS IN ACTION

Top: Lineout features the Colt A forwards in the rain against Shawnigan. **Middle:** Mason Walker is in trouble as help hurries to the rescue. **Bottom:** Ivan Lun in full flight in Colt C game.

We began the season's training programme in the blistering heat of early September. The main lesson learned that Saturday afternoon was to always bring a water bottle to practice! We were conscious from the start that, given the lack of size and, to a lesser extent, experience, of our squad it was going to be an uphill struggle. Early results against Shawnigan and St. Georges were predictable as soon as the sides took to the field. The pain of the scorelines was aggravated by injuries taken to key players Yufo Okada, Chris Martin and James Weldon, all out for the duration.

Despite this the pack was beginning to come together, props Matthews and Remai were becoming a formidable combination while the backrow of Pidcock, Short-Forrer and Hsu were also starting to play as a unit. Early in the first S.M.U. games a much practised backrow move resulted in an excellent try on the

blindsides. Two further tries were added in quick succession by pressure from the backs, centre Pan on the interception and speedy winger Vadim Schmidt from a charge-down. A lead of twenty points eventually evaporated as the size and speed of the opposition backs began to take its toll.

Further encouragement came after mid-term as we fought a close battle against St. Georges and came second in the Mid-Island Tournament. As a side we were improving every game and there was a growing sense that the final match against Shawnigan would be a real tussle. We were not to be disappointed. Undaunted by the fact that Shawnigan were by now Island Champions the team threw itself into everything with one hundred percent conviction. The backs tackled as never before, with Karau and Ferreira providing the extra cover defence that made the difference between conceding the try and holding the line.

The forwards, led by Shaun Pidcock held, if not dominated, their opposite numbers in every phase of play.

The game ended a 3-3 tie, a fair result and a tremendous achievement by a team that, a month prior, lost by 40 points.

My thanks to all the players for their good humoured and co-operative approach and to fellow coaches, Mr. Allpress and Mr. Beniac, for their untiring efforts.

D. McCarthy

Junior Colts '94

A Virtual Triumph

So near, yet so far. The ISA championship eluded us this year despite one of the most talented groups of players the school has had at this level. Blame it on the coaches. Mr. Linn and I could not find the right formula to beat St. Georges. Ironically, both St. Michaels and Collingwood were able to do the trick, and these schools we beat. Collingwood split their games with us and won the title narrowly over St. Georges and us.

Enough regrets. Some great rugby was played by a very keen grade nine group and we enjoyed much success against public schools locally. The "A's" were undefeated and won the Mid-Island Tournament scoring over a dozen tries in two games to zero points against. The "B's" took it on the chin against some school's "A" teams, but also beat a couple of them.

The players appear in accompanying photographs, but a few deserve extra recognition. Prop Byran Meier was the scourge of the league dominating every set scrum he played against, and Sean Dixon stood

out as our Captain and MVP. He is a player to watch for in the future. Perhaps he will follow his brothers to representative honors. We had some excellent backs too, including our phenomenal but diminutive scrum-half, Ian Bishop. The player who impressed me most was Chad Danard. He began the year in the "B" team as their captain and rose to the "A" backline through hard work and courageous commitment to every game he played.

The future looks bright for the Colts next year as this skilled and well-motivated group heads on to meet new challenges. Graham and I have enjoyed working with them — we are sad to see them go. In parting we ask one more thing of them — beat St. Georges next year!

UNDER - 14 RUGBY

RECORD

PLAYED:	14
WON:	9
LOST:	5
POINTS FOR:	315
POINTS AGAINST:	209

This year's edition of the under-14 group was larger than usual and demonstrated the diversity of human life in all its forms. There were the tall (Sean) and the vertically challenged (Andrew) there were the strong (Patrick) and the flexible (Patrick). There were those selected for fight (Richard), flight (Frank) and negotiation (Aaron/Rory).

We were fortunate to number in our 25 players Jamie who played last year, and Kevin Fuller, who had at least some prior

knowledge of the game. The warm days of early September saw us toiling long and hard to become fit and to develop a simple team structure.

The team style showed balance and a full range of skills. Tyler, Richard and Sean usually dominated line-out play whilst the set scrumming of the forwards was always solid with Andrew or Robbie striking most of the balls. The ability of the back row to find or get possession of the loose ball steadily improved over the season, led by Tyler who is the best natural #8 I have ever seen at this level at Brentwood. Lee or Kevin provided steady scrum-half service to Kevin Fuller who usually kicked well or passed to Patrick and Frank in the centre. Frank possesses outstanding speed and developed a side-step and change of pace too, enabling him to score

15 tries. The various fullback/winger combinations played with courage and increasing skill.

In October we successfully defended the Brynteg Trophy, beating Quamichan 28-0 and a strong George Bonner side 27-7. In Independent Schools competition St. George's used their superior numbers and experience to good effect. We were competitive with Shawnigan and beat SMU twice for the first time in many years. The best performance all season was the second win at SMU where we scored good tries but played consistently excellent defence under great pressure.

I should like to thank 'the lads' for their hard work and enthusiasm, particularly Tyler for his example and leadership over the course of a successful season.
Mr. W.J. Burrows

SEVENS UP

In fun Sevens Tournament at Brentwood Frank Yang breaks away from pursuers, showing his blazing speed.

POWER TO BURN

Left and above Tyler Wish shows the powerful running that won him the "Mouse of the Year" award.

WONDROUS WOOD

Rory Wood weaves through would-be tacklers in a hotly contested game with Shawnigan.

1ST XI GIRLS FIELD HOCKEY

Field hockey is generally accepted as a game of low scores. It takes an exceptional team and exceptional players to average nearly 4 goals per game when the opposition is regularly the strongest in the province. To play 37 games and only tie once is also a remarkable statistic. Measured by the excitement of scoring goals and by the number of wins this 1st XI was Brentwood's best. The indication of the team's strength was demonstrated in the very first game when we won 5-0 against K.L.O., the team that won the "Single A" provincial tournament at the end of the season. (We play in the "Double A" competition). Early in the season we were officially ranked the strongest in the province. We won the U.B.C. Invitational Tournament in September and two weeks later repeated the 1992 success of winning the prestigious "Bridgman" tournament. Once again we beat Oak Bay (2-0) in the final played on the astro-turf field at U.Vic. In mid-October we hosted the eight-school I.S.A. tournament and won another trophy ("Wiggins Cup") by beating S.M.U. in the final.

We placed at the top of our North Island league after playing home and away games against Cowichan, Vanier (Courtenay) and Port Alberni. The Island Tournament brought together the North and South Island teams. Five games later we emerged second on the Island, having lost a tie-breaker

in the final against Vanier. The top four schools from the Island tournament qualified, as usual, to play in the 16-team provincial tournament held this year at U.B.C. The schools that finished 1st, 2nd, 3rd and 4th on the Island also finished in the top four in the province, underlining the strength of the players in our part of the world.

A very poor umpiring decision in our semi-final game took away a superb "goal" from Aoibhinn and, with it, our richly deserved place in the provincial final. After a little gnashing of teeth and a few genuine tears we settled for third place. The rise in the standard of play among the top provincial school teams is outstripping the standard of umpiring in the early 1990's. Aoibhinn Grimes was the top scorer at the tournament with 13 goals!

It takes eleven talented players to reach the kind of success the 1st XI achieved in 1993, but the brilliance of Aoibhinn Grimes (captain) and Pippa George (vice-captain) almost guaranteed that the team would have an exceptionally good season. Aoibhinn's scoring records at Brentwood are quite remarkable. In 1991 she scored 25 goals, in 1992 46 goals and in 1993, 68 goals. The previous individual record was 25 by Gillian Szamosi in 1985. Aoibhinn's talent lies in her speed and balance that give her the time and numerous opportunities to shoot on goal.

Played	Won	Lost	Tied
37	31	5	1
Goals For	Goals Against		
133	15		

Pippa's strength at centre midfield cannot be measured in statistics, although I could almost count on one hand how often the opposition went past her! Her speed and tenacity on the field were a joy to watch. I have seen many players in B.C. school teams who have gone on to play for Canada. Aoibhinn and Pippa are players with the same kind of talent.

Katy Piller (14 goals), Anna Grimes (23) and Alison Taylor (12) added to our power as a high-scoring team and will certainly maintain Brentwood's reputation in 1994. Alysha Forster, Clare MacKinnon and Nicky Reddington gave our back and midfield lines the toughness and experience around which newcomers could play with confidence. The newcomers were Cerah Richardson, Jackie Allen, Rachel Martin and Hilary Else. Two newcomers to the forward line were Jennifer Redshaw and Sarah Davies-Long, both exciting players who were plagued with injury this year, but who should play key roles in 1994. Last, but not least, I must mention the steady performance of Kristen Scheuer in goal. Easy victories gave her little to do, but on some occasions she felt the tension and pressure, and responded magnificently.

Nine players who gained first eleven experience in 1993 will be back to form another powerful Brentwood team in 1994.

JUNIOR A FIELD HOCKEY

The Junior As proved this year that a good coach, a rockin' bus, and some spirit, combine to make a great field hockey team. Not only did we work well together on the field, but we all got along excellently on the sidelines, too.

Our season began without our coach, Mrs. Ferreira, who was following her own hockey career in Hong Kong. The first game was at Bonner, and we came away with a surprising 2-1 victory with Mrs. Jackson filling in. After that we headed off to Burnaby with Mr. Lilly at the wheel of the bus for a tough tournament before suffering two disappointing losses to Mr. Prevost back home.

Though we had trouble scoring goals, the rest of our season was a winning one with our accomplishments including:

- third place at the ISA tournament;
- first at the Mid-Island Tournament, finally beating Mt. Prevost in the semi-finals.
- Ninth at the Island tournament with no goals scored against us.
- Almost beating Vanier on astroturf in B.C. Place Stadium.

- SEASON'S HIGHLIGHTS -

1. Trips to McDonald's.
2. "If you Wanna be Happy" and other classic songs.
3. Mrs. F. as a crazy bus driver.
4. "Can you please tuck your bum in?"
5. The year end party at Mrs. Ferreira's house.

On behalf of the team, we'd like to thank Mrs. Ferreira for all her hard work. We Grade 10s will miss her! ...and we wish the 8s and 9s good luck next year.

*Carla Smith
and
Emily Manning*

LET'S GET TOGETHER

The junior girls show their togetherness after the Vanier game at B.C. Place. *Top:* Carla Smith, Emily Manning, Mariska Richters, Jen Rossi and Lana Trojan have a "flop in" on the Astroturf. *Middle:* The whole crew hang out together.

Bottom: Marlana McLeod and Jessica Hicks pass the time and the ball over their prone teammates.

COACH'S COMMENTS

The Junior 1st XI promised to be a strong contingent with six players returning from last year's team. We also acquired three new students with previous hockey experience and great potential, Amber Palmer, Lana Trojan and Rebecca Whitney. To complete the team, we promoted three strong defenders from last year's 2nd XI, Joanna Recalma, Mariska and Dimphy Richters, along with two swift forwards, Jennifer MacLean and Jennifer Allard. Our defence was definitely our strength, led by Emily Manning in goal, confident, with two years experience behind her, and Marlena McLeod as sweeper, whose speed and strong hits continually relieved the pressure from the opposing attack. Joanna Recalma, Dimphy and Mariska Richters continued to improve all aspects of their game throughout the season. One player who really elevated the intensity of her game was Carla Smith. She, along with the ever tenacious Esther MacKinnon at centre half and the strong tackling Jenny Rossi, formed the mid-field. Our forwards, however, sometimes had difficulty scoring goals. Just when Jen MacLean began scoring at the Mid-Island, she suffered a severe injury to her finger before the Island Tournament. Lana Trojan, with her hard shots from the left wing, along with Jessica Hicks and Jen MacLean were our top goal scorers. Jessica carried the ball brilliantly down the right wing and over the season perfected her crosses into the circle. Rebecca Whitney, only in Grade 8, and the explosive Amber Palmer, added the necessary spark to ignite the team.

I was very impressed with the way this team gelled together in spirit. The team was led by two dedicated co-captains, Carla Smith and Emily Manning, who not only set a good example on the field, but also initiated the sharing of duties, especially when it came to hosting the Mid-Island Tournament.

Congratulations to Carla Smith and Jessica Hicks who made the A team and Jen MacLean, Emily Manning and Amber Palmer who were named to the B team for the Mid-Island Reps. Finally, I would just like to thank Jane Jackson for coaching this team during my two week absence in the early part of the season.
Laura Ferreira

INTERMEDIATE A FIELD HOCKEY: Back Row, Left to Right: J. Rossi, E. MacKinnon, D. Richters, J. MacLean, J. Recalma, J. Hicks, A. Palmer, Mrs. Ferreira - coach. Front Row, Left to Right: J. Allard, R. Whitney, C. Smith, E. Manning, M. MacLeod, L. Trojan, M. Richters.

INTERMEDIATE B FIELD HOCKEY: Back Row, Left to Right: A. Abramovich, F. Murray, K. Tate, S. Robertson, C. Harris, C. Todd, Mrs. Linn - coach. Front Row: H. Ezzat, J. McCartney, B. Kerr, S. Quist, L. Cartmel, D. Dickinson.

2nd XI

FIELD HOCKEY

After a long bus journey to Courtenay and 4-1 loss to G.P. Vanier School I was asked the "why" question. I told her the other teams in the league were very strong and we were doing very well. Events proved me right as G.P. Vanier, Brentwood first XI, and Cowichan finished first, second and fourth in the Island competition and second, third and fourth in the Provincial Tournament!

Given that context the team played with verve, guts and high spirits, enjoying Macdonalds visits, and surviving their coach's driving. They responded well to drills, grid play, mini games, and set play practices, emerging from the season with improved skills and enthusiasm unabated.

Tara Nord, who did every thing but stand on her head against a strong Old Girls' team, was the find of the season. New to the game, her first season was a baptism of fire but growing confidence, cool imperturbability and rapidly developing skills impressed her team. Sandrina Kiltz moved to centre half for many games acquitting herself well, buzzing around the field, bringing attacks to a speedy end. She used to good effect a through pass to both wings. Faye Collinson had strong games on the wing, using her ability to change pace and "ghost" past opposition defenders. Combining well in teamwork, her long crosses became more and more dangerous.

During our short, hectic season the 2nd XI learned valuable lessons, put up with disappointments, and never lost heart. They were a talented group of individuals and will give fine service to clubs or teams that they play for in the future.

G. Lilly

2nd XI FIELDHOCKEY: *Back Row, Left to Right:* R. Allan, F. Collinson, F. Stirling, N. Reti, S. McArthur, J. Althorp, S. Siltz, L. Cameron, Mr. Lilly, coach. *Front Row:* A. McFall, L. Mathewson, E. Hargreaves, T. Nord, C. McIntyre, A. George, J. Piper.

3rd XI FIELD HOCKEY: *Back Row, Left to Right:* S. Quist, L. Stone, K. Tate, A. Jackson, G. Dobrzensky, C. Harris, J. Hogan. *Front Row, Left to Right:* J. Piper, E. Helmelt, T. Nord, F. Stirling, L. Cameron, N. Robinson, C. Harris. Mr. Wynne, coach (absent).

Junior "B" Field Hockey

Junior B Girls Field Hockey: Back row (left to right): A. Sacks, M. Jones, J. Gregory, S. Tsu, L. Maclean, L. Garvey, D. Pipars, Coach: Mrs. Linn. Front Row (left to right): S. Turner, K. Mills, H. Maxwell, M. Albeck, J. Wright, J. Hoff.

This season we were, like last year most fortunate to have a healthy number of Grade 8, 9, and 10 girls. Therefore, we were able to field a Midget team as well as the Junior "B" team. Both teams were entered in their respective Cowichan Leagues.

The Midgets consisted of our beginner Grade 8 and 9 girls. They really used the experience of their matches to improve their skills and understanding of the game. Although a lot of their results were not successes, they all put tremendous effort and enthusiasm into their games. They played matches against Queen of Angels, George Bonner, and Mount Prevost. The season came to an end with

I would like to thank the Midget team for the hard work and commitment they showed at all times throughout the season.

The Junior "B" team's season opened with a match against Shawnigan Lake School. We then went on to play matches against Quamichan, George Bonner, Cowichan High, and Queen Margaret's. The team was a lot of fun to coach and the girls always gave of their best during matches and practices. Our defence grew in strength, a lot of this was due to Adele Sacks, who courageously decided to become our goalkeeper. She did an excellent job. The forward players were constantly demonstrating strong, penetrating strategies during our matches and they were backed up by some very

competent mid-field players. The season's finale was the Mid-Island Junior's Tournament held at Brentwood. We did very well considering we were playing against "A" teams as well as "B" teams from Mount Prevost, Queen Margarets, George Bonner, and Quamichan.

The Brentwood Junior Field Hockey program continues to thrive. I hope that the girls will participate in and enjoy field hockey in the years to come.

Mrs. F. Linn

Stalwart Goalkeeper Adele Sacks.

Midget Tournament which involved the schools I previously mentioned.

SENIOR BOYS' SOCCER

Sr. Boys' Soccer First XI:

Top Row, Left to Right:

D. Wood, J. Rannelli, S. Mason, D. Robinson, J. Recalma, A. Coster, J. Polard, T. Burns, J. Garvey (coach).

Bottom Row:

T. Williams, K. Moore, B. Jesson, N. Abramovich (Captain), K. Sanderson, C. Tassin, M. Jones, D. Stroble.

"FIRST CRACK"

1993 marks the first year of a new era at Brentwood. No longer do rugby posts dominate the skyline over the main school playing field, "A1". No longer do 30 boys lumber around A1 chasing a misshapen, deformed ball. The common sight in past Novembers, on a damp and gloomy afternoon, of the steam rising from a pack of rugby forwards on A1 as the 1st XV rugby practice nears its fourth hour, may never again be seen in the Fall. Senior rugby has been moved to a spring sport, thus leaving the senior boys to compete in a variety of sports in the Fall. The major sport for senior boys has become soccer. The posts on A1 now only reach 8 feet high - hardly enough to dominate the skyline. Durable rugby shorts have been replaced by snazzy, nylon soccer shorts. The rugby purists are disappointed. But then, nostalgia just isn't what it used to be.

Thus, in our first crack at Fall soccer, it was important for the 1st XI team to do well, so that we could establish a reputation in B.C. "AA" soccer circles. Brentwood has a good soccer tradition, but only in the insular ISA league. Our optimism was high because of the early form of our returning players. The depth of the club had also improved - there

were many good players in contention for the 2nd XI. The competition for positions on the 1st XI was hot. Then, disaster struck in a practice game. After a fair tackle, Jai Ralls went down with a broken leg. For the past two seasons Jai has been our outstanding playmaker in midfield. He has dominated games - creating multiple chances, scoring frequently, defending courageously, and inspiring all around him. Without him, our chances seemed to take a nosedive. For Jai, though, the injury was devastating; his senior season was over in mid-September, his dreams unfulfilled. Jai's first crack did not even prove to be his last (see basketball report).

It is to the credit of the other "veterans" - Norm Abramovich, Chris Tassin, Matt Jones and Ben Jesson - that we sprang back and did what we had set out to accomplish. Our goal was to make it to the B.C. Provincial High School "AA" Championship. We achieved that distinction, and much more.

After the sickening injury to Jai one might have expected an air of despondency to pervade the squad. Instead, an industrious mood and a determined attitude arose in practice. In the early September games, we realised that the standard of league play was

high and that the other teams were strong, tough competitors.

In fact, we did not have a single easy game all season. All nineteen matches were close; thirteen of them were tied or decided by a single goal! We quickly adjusted to the disciplined soccer one must play in these close games, but we came up short in two areas. Developing creative play that produces goal-scoring chances was initially beyond our reach; we did not generate enough chances and we did not convert those that did arrive. In defence, we tended to play well for 80 minutes. Unfortunately, soccer is a 90 minute game, and we often gave up a soft goal or two in our weak 10 minute lapse.

Eventually we became more consistent and more confident in our abilities. Players showed more poise under pressure. By the time that we played Gulf Islands for a berth in the North Island Championships, the team had improved defensively. With the more aggressive play from the defense and a solid midfield effort, we found that we held a territorial edge in our games. Much to our surprise, some exciting goal-scoring gave us a boost in the important Gulf Islands game. Then, in the North Island championships, we won two close battles to finish first, and so we

qualified for the BC High School "AA" tournament in Campbell River.

In the first game of this tournament, we fought back from a 2-0 deficit to score a late goal and hit the woodwork twice. Late pressure did not give us the tie; the only consolation was that our opponents, Guildford Park, went on to finish second (and only by penalty kicks) in the Province. We then scored two big wins over Prince George and SMU to qualify second in our pool. In the next game, we won handily over Kamloops, 4-2, and went on to play the host school, Carihi, for the fifth/sixth position.

It was a great game, in which we deservedly grabbed an early lead, took command of the play, but then surrendered a late equaliser. In overtime, on very tired legs, we surged forward and created many, many chances. We were dominating all the play. But from one of these pressing Brentwood attacks, Carihi got a long hopeful clearance, a breakaway and a ricochet goal. Thus we lost the game and finished sixth out of sixteen - a very good performance in our first attempt.

Many players shone during the tournament, none more so than Norm Abramovich, a truly talented dribbler and goalscorer. Often, he created or scored the

Sr. Boys' Soccer Second XI:

Top Row, Left to Right:

E. Ross, J. Burrows, A. Bak, I. Nugent, C. Woodward, M. Koch, G. Cyr, A. Steer (coach).

Bottom Row, Left to Right:

B. Boyte, F. Perez, C. Sroka, A. Holmes (captain), C. McFall, A. Frost, V. Biondo.

single goal that was the difference in the games. Also picking up accolades were the sweeper, Chris Tassin, who was dominant in defence, and David Stroble, the midfield dynamo who used his left foot to score 3 goals. His left foot! Matt Jones also showed tremendous attacking flair. Norm and Chris were selected to the second all-star team for the tournament.

The defensive unit of Drew Robinson, Tom Burns, Kevin Moore, Chris Tassin, Andrew Coster and Jake Recalma improved steadily all year. They developed the necessary teamwork, positional play and aggression to limit the opposition chances. In midfield, we had a wealth of talent with Norm, David, Matt, Ben and Jeremiah Polard. It took time, though, for them to blend into a cohesive unit, to link their passes together and create openings. We tried many combinations at the two striker positions - Devon Wood, Trevor Williams, Kristian Sanderson, and Norm - with mixed success. Some good goals were scored but some gifts, in key games, were left untaken. As all the players look back on their accomplishments this season, they can take pride in setting a high standard for all future teams to follow. The veterans may have that nagging feel-

ing that we could have done even better; we can just speculate what we would have done with Jai on the team.

Not only would I like to thank all the players for their hard work, but I would also like to compliment all the Grade Twelves on their leadership, especially Norm Abramovich. I wish them all luck for their future in the sport.

RECORD:

Played	19
Won	9
Tied	3
Lost	7
Goals For	35
Goals Against	24

Individually, Norm Abramovich extended his goal-scoring feats; he has now scored almost double the number of goals of any other 1st XI soccer player in Brentwood history: 44, if my numbers are right.

COLOURS AWARDED:

Intermediate: Drew Robinson, Thomas Burns, Andrew Coster. Senior: Norm Abramovich, Kevin Moore, Chris Tassin, Matt Jones, Ben Jesson, David Stroble.

Stephen Spragge Memorial Trophy: Norm Abramovich.

BEFORE THE FIRST CRACK

In happier times last year Jai Ralls took to the field "with" the First XI. But even then, they seemed to be getting used to doing things without him.

LEADING THE WAY

Team captain Norm Abramovich in action against Shawnigan.

JUNIOR BOYS' SOCCER

JUNIOR BOYS' SOCCER: BACK, *Left to Right*:: I. Lun, T. Otake, W. Stothert, J. Weldon, A. Pipars, A. Chearananta.
FRONT: R. Kloc, G. Lang, O. Amiel, A. Chow, M. Walker, G. Spankie, J. Ferreira.

This season the junior boys' soccer team enjoyed a longer schedule than ever before and has derived great benefit from it. Training began in the cold and damp of January with 25 willing, if somewhat unable, aspirants. However, they showed a willingness to work hard and heed advice and as a result their skills and fitness improved daily. We were all fortunate to meet once a week with Ian Bridge who, besides being an accomplished international player, is able to teach the basics

of soccer as well as he practises them. Much of the team's overall success can be attributed to his coaching input.

The Independent Schools' schedule involved three days on each of which we played St. George's and St. Michael's one after another. On each day we beat SMU easily but could not best St. George's, despite leading in all three games until the late stages and dominating territorially as well. In retrospect these defeats may have caused us to strive

harder to improve. Certainly a higher level of intensity was evident when we began local league competition. The teams provided a variety of styles to which we had to adapt. After wins over Ladysmith, Mt. Prevost and Shawnigan we had to play very well to tie with Cowichan High School. We met them again in the league final and, despite creating the better chances, we could not break a 1-1 tie and then lost in a shoot-out.

I should like to thank the

team (all 18 of them) that donned the red and black over the season. Gordie, Vadim and Mason became a potent trio up front scoring lots of goals whilst Ollie, Dax and Chris kept the opposition at bay. In addition to leading the team superbly well Chris helped Jeremy, Kerry and other midfielders create, defend and support. They were a delight to coach and I am certain that they will continue to represent Brentwood well at the senior level next Fall.
W.J. Burrows

Mason Walker does a balancing act to keep the ball in play against St. Georges in ISA competition.

BOYS' UNDER 15 SOCCER

U-15 "A": *Back:* Mr. Bridge, C. Storey, P. Woodward, A. Stone, E. Rossi, B. Meier, L. Aris, Mr. Martin. *Front:* N. Coffman, K. Fuller, S. Dixon, A. Scheuer, L. Ferreira, P. Brown.

U-15 "B": *Back:* Mr. Bridge, A. Wray, J. Chang, L. Bradley, J. Amiel, R. Kiltz, W. Duguid, B. Ashby, Mr. Hazlett, Mr. Martin. *Front:* N. Coffman, K. Fuller, S. Wall, S. Pan, L. Ferreira, A. Yeung.

The school's youngest soccer team was drawn from the 22 Grade 8 and 9 students who elected to play the sport in the winter term. The mild weather allowed us to make use of most of our practice time and to play our matches in good field conditions. Unfortunately, our regular opponents did not include Shawnigan lake School, whose sportsmen seem to hibernate in the hills west of Mill Bay during the months from January to March. Tournament days were arranged. St. George's, S.M.U. and ourselves hosted tournaments in which each school played two games.

Our Under 15 team, captained by Adam Scheuer, began the season full of promise. We beat S.M.U. 2-0 and St. George's 3-2 in the first tournament played at Brentwood. Kevin Fuller scored all three goals against St. George's. Our defence was well organised with the strength coming from Peter Woodward, Andrew Stone, Peter Brown, Lee Ferreira, and Adam. Leigh Aris was our regular goalkeeper. He gave commendable service to the team considering he volunteered to play in goal after Jamie Amiel was injured in early January.

Our scoring touch went missing in the second half of the season. The promise that Eduardo Rossi would score goals failed to materialise. A significant weakness of the team was that no player was able to head the ball effectively. We tended to let the high ball bounce rather than direct it immediately to one of our own team to control midfield and to set up a quick attack. We lost 1-0 to St. George's in Vancouver, beat S.M.U. again and seemed in a good position to become ISA champions. We drew with St. George's (0-0) in our third and final meeting and needed to beat S.M.U. in the last game of the season to declare ourselves champions. We lost 3-1! We led 1-0 at halftime, but S.M.U. overpowered us in the final 40 minutes to deserve their victory.

Some young, skilful players will return to the team next year, and the 1995 U-16 team will benefit from the promotion of the Grade 9 players. All have gained valuable experience and will play their part in the development of soccer in the senior school.

H.J. Martin

TO THE ATTACK

Photos show heated action against I.S.A. rivals St. Michaels and St. George's. *Top:* Christ Storey challenges for the ball against SMU. *Middle and Bottom:* Kevin Fuller shows his skills and (*below*) Peter Woodward turns to check a St. George's player.

JUNIOR GIRLS' SOCCER

JUNIOR GIRLS' SOCCER: *Back:* L. Weeks, M. Yamamoto, J. Recalma, J. Hoff, J. Hicks, A. King., D. Richters, E. Manning, L. Trojan, D. Dickinson, Mr. Levine (coach). *Front:* J. Bargh, S. Nichols, M. Elwick, C. Smith, M. MacLeod, A. Sacks, J. Allard, H. Maxwell.

After seeing the first training session of the term many thoughts went through my mind. How can I make them attack the ball; how can I make them pass the ball with a purpose other than just kicking it anywhere; will they ever talk to each other on the field and work as a team? Well, many fun and effective coaching drills came to mind in order to work on these aspects of their game, but in reality the squad had no more allocated coaching time until the end of the season.

The talk amongst the girls prior to the opening game against Mount Prevost A was all negative. She's bigger than me; she plays local league soccer; did you see her shoot? At this stage I believed that to attempt to install the correct sportsmanlike attitude in the players and to give them all as much match experience as possible was all I could do.

For many of them the Mount Prevost A game was a harsh introduction to the soccer season, losing 5-0; however, the score did not reflect the effort and enthusiasm displayed by all.

Game Two of the season was the local derby against strong rivals Shawnigan lake. The team showed a great deal of spirit, bouncing back from their defeat. Players worthy of mention are Marlena McLeod, who made many long penetrating runs from midfield, Alison Taylor and Jessica Hicks scoring the two vital goals and fearless support play from wingers Dana Dickinson and Jennifer Allard. After a convincing win against Shawnigan the team's confidence increased dramatically and I'm delighted to say that this was to set the trend for the remainder of the season. The team progressed to defeat both Cowichan and Mount Prevost B

by a 2-0 scoreline. Solid defending by Carla Smith, Sarah Nichols, Jo Recalma, Lorna Weeks and Miwa Yamamoto allowed Cowichan only one chance on goal and they completely dominated the Prevost B attack. Encouraging performances in these games were made by Emily Manning (goal), Hilary Maxwell, Jen Bargh, Lauren Cartmel and Margot Elwick. Towards the end of the competitive season valuable team contributions were made by Dimphy Richters, Adele Sacks, Jo Hoff (all midfield) and Lana Trojan and Alyssa King (forwards).

The finale to the season was our qualification as second seed in the Mid-island Cup played on home territory. After a complacent start we pulled through to face Prevost A in the final. They were the only team to have beaten us in the season. It was a delight

to see that the team's attitude had turned a full circle throughout the season. The comments now being - let's just give 100% effort let's work as a team with a purpose; we must do ourselves justice. The game was a very tight fought contest in which Brentwood were gallant losers. 2-0, the scoreline highlighting the vast improvement made by the team throughout the season. With statistics of played seven, won six, lost one, the entire squad can be proud of their excellent attitude, sportsmanship, high effort rate and their personal belief and motivation. As the coach I would like to congratulate them all on their successful season and say what a pleasure it has been working with a delightful and charismatic group of players. Well done and keep up the good work!!

D.E. Levine

SENIOR BOYS BASKETBALL

SR BOYS' BASKETBALL

BACK: G. Cyr, C. Tassin, M. Herschmiller, M. Jaims, M. Koch, A. Maughan.
FRONT: J. Ralls, T. Williams, J. Tsai, D. Sit, N. Lee, C. Thrasher, Mr. Cowie (*coach*).

BUT FOR A MOMENT

The defining moment of this season for the most outstanding senior team I have coached over fourteen years came at the end of our consolation final game against Robron in the Island AA Championships. A win would mean third place and a berth in the B.C. Tournament for the first time. We entered that eternity of time (a mere sixty seconds) with a four point lead earned by a superb team effort and Grant Cyr's unbelievable moon shot for three points from so far away he could scarcely see the basket for the curvature of the earth. Fate, how-

ever, dealt us a cruel blow, as Robron pulled off a miracle comeback, leaving us with the last shot to win. James Tsai, who had already made four of five three pointers courageously took the three pointer (two would have tied it) to win. As the ball arced beautifully toward the hoop their coach covered his eyes and we held our breath. Tragically it bounced high off the rim and was knocked out of play, killing our hopes. My mind went back to the two heart-stopping games we had already won in the tournament (one of them in overtime) and I

realized our lucky string had been broken.

Despite this crushing finale, our season has to go down as one of the best in Brentwood's basketball history. We dominated our Mid-Island league, going undefeated and played in five tournaments. Our overall record of 22 wins out of 33 games against some very strong opposition (including some Triple-A teams) speaks for itself. The team was very well balanced with a dominant post player, Mike Herschmiller, who led the team in scoring and rebounding, and a trio of tenacious forwards including Grant Cyr (our captain), Chris Tassin and Mackenzie Jaims. This talented group was complemented by a very skilled corps of guards. James Tsai was the playmaker and three point shooter while Trevor Williams was an offensive catalyst and stalwart defender. One can only speculate what Jai Ralls could have done had he stayed free of injury for the whole season. He dominated the few games he played for us. The seven men-

tioned shared the starting roles but they were ably backed up by the deepest bench we have ever had. Art Maughan, Drew Hetherington and Mike Koch were all plagued with injuries, but they contributed much when they played. Colin Thrasher and Nick Lee were enthusiastic supporters and hard workers in practice while Danny Sit and Scott Crooks were Grade Elevens who showed great promise for next year.

I can only surmise what might have been had destiny smiled on us in that pivotal moment, but we can still remember all the great games and the superb basketball this team played. The lads can go on to further sporting endeavours, knowing that they gave it everything they had and they went out in style. I would like to thank them all for their splendid effort and especially express my gratitude to Grant Cyr for his inspirational leadership over three years.

SENIOR GIRLS' BASKETBALL

The Senior Girls' Basketball team had both a fun-filled and unpredictable season. At the ISAs the team came in third, losing to Collingwood in the semi-finals who then went on to win the tournament. The team, led by Pip George then went on to win the Islands guaranteeing them a spot at the Senior 'A' Girls Provincial Championships. The final game was against Ahousat, Brentwood gaining a 51-35 victory. Driven by their lecherous bus driver to the seldom heard of village of Salmo, "the hub of the Kootenays", the team lost two games and won one, placing them sixth in the tournament. Rosanna Watson was named to the second All-Star team. For the entire season the MVPs were Pippa George, Rosanna Watson and Aoibhinn Grimes. The team wishes to thank Mr. O. for the good times and generous support which he provided to the team.

SENIOR GIRLS' BASKETBALL: *Back:* R. Martin, H. Walkley, T. Buziak, K. Wickland, R. Watson, S. Bailey, S. Davies-Long, S. Storey, A. Grimes, L. Cameron. *Front:* Mr. Ogilvie, D. Sit, A. Taylor, P. George, A. Grimes, L. Mathewson.

The b-ball girls all dolled up at Grad with their lucky coach, Mr. Ogilvie, and special guest from last year's team Lynn Ashton (back: third from left).

JUNIOR BOYS' BASKETBALL

Junior Boys' Basketball *Back Row:* J. Wray, A. Hsu, N. Korosu, T. Herschmiller, Mr. Henry, J. Lonsdale, G. Minhas, G. Brown.
Front Row: R. Kwong, J. Suh, N. Thran, I. Bishop, J. Chang, K. Tmana.

Contrary to popular belief, the Senior Boys' basketball team was not the only boys' basketball team in Brentwood. Did you ever wonder how the Senior Boys became so good in the first place? It was because they fine-tuned their skills against the Junior Boys Basketball team. Although he had a little "trouble" getting to the early morning games, Ian "under the weather" Henry did a superb job of making the team into a well-oiled machine. Although we were winless in the first four games, it made us realize we needed to improve our rebounding and shooting skills. Personalities were then established. The starting five were quite the group.

The "fab five" included: tremendously tall Thomas Herschmiller, our devastating centre; Gurdeep Minhas, our power forward with his quick eye and dazzling on-court fashion statements; Natsuki Korosu (sometimes called Air Natsuki) with his spectacular rejections; Ian "weaving" Bishop, who drained the three pointers; and team captain, James Lonsdale, aggressive off the wing. Of course, we could not have done it without Calveen Tmana's sharp-shooting and the nasty attitude of John Wray, who we were convinced was Evander Holyfield trapped inside a Gr.9's body. Also contributing were: left-handed Graham Brown, Jun Ho's agility

and speed, Andrew Hsu, who provided incredible passing and a quiet by effective temper, Raymond "the Kamikaze" Kwong; and, of course, the soft-spoken Nick Thran and Frank Yang. We finished off the season with a five game winning streak, which was extremely satisfying to all of us because we knew we all had come together as one. So, on a final note, and on behalf of the entire team, we would like to thank Mr. Henry, Brentwood and Gur's "gut" which we all rubbed for good luck. We hope that all of us continue playing, for there is so much we can achieve.

James Lonsdale and Gur Minhas

Could those late nights, moonlighting as a singing waiter, have caused him to be under the weather for those early morning games?

JUNIOR GIRLS' BASKETBALL

Girls' team coach Kurt Kelly. Is he barking out orders here or simply yawning?

JUNIOR GIRLS' BASKETBALL Back: A. Taylor, E. Manning, A. King, S. Robertson, R. Watson, L. Trojan, N. Frangou, A. Silverman, L. Baird. Front: Mr. Kelly (coach), D. Holmes, S. Nichols, J. Hicks, C. Smith, S. Hsu.

The Junior Girls' Basketball team hit the ground running this year, playing its first game prior to its first practice. The game coincided with a pre-Christmas shopping outing and resulted in a short-staffed squad invading Shawnigan Lake School. From this humble beginning the team soon swelled to fourteen skilled and enthusiastic athletes. Brentwood placed fourth at the I.S.A. tournament in Vancouver and fifth in the Mid-island League.

The Brentwood girls displayed an awesome ability to control the backboards during games, resulting in numerous scoring opportunities. This was coupled with an often fickle shooting eye that made all of the games close and hard fought battles of attri-

tion. Stand-out performances were turned in by Alison Taylor and Rosanna Watson who played on both the Junior and Senior teams. The leading scorer was Lana Trojan who often shouldered the bulk of the offence and rebounding.

All of the girls improved as the season went on with some especially dramatic improvements in the last three weeks of the term. The players would like to extend a hearty thank-you to all staff members and students who helped out with refereeing and scorekeeping during the season. I would like to wish those girls who are moving on to the Senior team next year success and good luck.

K. Kelly

GOLF TEAM: *Back* - Cole Spring, Evan Schmitke, Sean Wall. *Front* - Chris Martin, Pat Kerr, Mark Hodgson, Mr. Cowie (coach).

GOLF

"YOUTH MOVEMENT"

This season the emphasis was on raw, young talent. The youngest golfers came from the junior school. The competitive team, for example, included Pat Kerr (8), Sean Wall (8), Mark Hodgson (9), Chris Martin (10), Cole Spring (11), and Evan Schmitke (11). Our school champion and winner of the Rob Skop Cup was Chris Martin, with Pat Kerr as runner-up.

Along with youth comes inexperience and this year's team was somewhat over-awed by the competition in the North Island Tournament at Crown Isle (Comox). The squad shot respectable scores but finished well out of the running for berths in the B.C. Tournament. Similarly at the I.S.A. Tournament the lads were outgunned by the hotshots from St. Georges and SMU. How-

ever, in our Mid-Island league we fared better, winning all of our matches and having the opportunity to play a number of local courses. Many of the golf group had the chance to test their mettle in the white heat of competition while exploring much of the geography of lovely courses like Arbutus Ridge and Duncan Lakes.

This year the weather was also more kind to us, though I sus-

pect some of the players were hoping for rain outs so that they could catch the start of hockey games in the Canucks' run for the cup.

We look forward to a summer of growth and lots of golf for our rising stars. With luck their coaches Mr. Garvey and I will be able to "hit the links" a few times ourselves.

S.M. Cowie

SENIOR GIRLS' VOLLEYBALL

Any volleyball season at Brentwood can only be termed as busy. This year was no different in that respect. Over the three months that made up the practice and playing time we managed to get in a total of 104 games. By the end of the season our record stood at a very respectable 65 - 39. The season commenced with the second annual training camp. The usual groans and whimpers could be heard throughout the campus at the beginning of the September as 13 girls tried to recover from daily timed three thousands, sprints and polymetrics. Most were surprised when they even had the chance to touch a volleyball and do some sport specific drills. Once again our friend Paul Smith, the head coach of the U.Vic's men's squad, managed to give us some of his time and come up and conduct a one-day clinic. Certainly the opening days of the season showed promise of a team that could go far through the year. Captain Sarah Storey knew, however, that the road to success would be a long and winding one, with much work to be done on all the basics. She was quick to jump to the helm, though, and lead by example, with her hard work and self-discipline.

The gruelling season began with a challenge match against perennial rivals, Shawnigan Lake School. With Rhonda Bucsis leading the way in her new role as a setter we were able to start our playing season off on a good note with an easy 15-10, 15-6, 15-7 victory. Our first tournament was the traditional ISAs, this year hosted by Crofton House at St.

George's High School in Vancouver. Led by the play of newcomer, Tanya Buziak, at middle, and the blocking of Carmen Watson and Sara Bailey, Brentwood managed to get through the round-robin portion of the tournament losing only to Crofton House in straight sets. In the semi-finals Brentwood came up against a strong York House squad, but managed a victory. This win set the stage for the final against Crofton House. This game was to be a rematch of the final in last year's ISA tournament. Brentwood lost a close first game, 15-17, but managed to fight back on the strength of Janice Schulte's serving to win the second game 15-11. The final game see-sawed back and forth with Crofton just squeaking out a 15-13 victory in the end.

The next battle was at UBC a full two weeks later. The competition at this tournament is always strong and this year was no exception. The first day of competition was tough, producing four losses in four matches. Was this a sign of troubles to come in the season? The second day was much better as we were able to defeat our opponents in all three matches that we played, making us the champions of the "E" division. Rosanna Watson, a talented all-purpose player, brought up from the juniors, showed her skill in hitting and blocking in helping to salvage the last three victories.

So, on to the Western Canadian Independent School Volleyball Championships this year hosted in the booming metropolis of Prelate, Saskatch-

ewan. The entire trip was a real eye opener for many of the girls who had never stayed in a town with a population of only 180 people and for others who had never seen the flat land of the prairies before. As usual, the hospitality of our hosts was overwhelming. They made us feel welcome in all ways. The girls were put up at residences of local townspeople who lived close to St. Angela's Academy, the host school. There they were fed well and treated like royalty. In fact, one of the host families almost burned their house down trying to make puffed wheat squares for the girls. But, on to the volleyball. As usual, the Winnipeg and Saskatchewan teams were tough competition. In nine total two-game matches Brentwood managed three victories and two splits. Our final record left us in fifth place, just out of the playoffs. The eventual winners, St. John's Ravenscourt from Winnipeg, will be next year's hosts of the tournament. On the plane ride home from Saskatchewan the prevailing theme was clear - for Brentwood to be more successful, something had to change. On paper the team was destined for success, but on the court that success did not seem to be materializing. Sarah Storey, and assistant captains Vicki Peacock and Rhonda Bucsis all agreed that maybe a change in system and some positionings might do the trick. So was born the new Brentwood 5-1 offensive attack. It highlighted the smoldering hits of Sarah Storey, Janice Schulte and Rosanna Watson, the undying defence of Tanya Buziak, Keri

Anderson, and Renee Soenen, the tumultuous serving of Carmen Watson, the consistent setting of Rhonda Bucsis and Vicki Peacock, and the fierce blocking of Abi Kingsbury and Sara Bailey. Would these changes be enough to put the team back onto the winning track?

The answers were quick to come four nights later in a Friday night challenge match at Shawnigan Lake School. After practising the new system for two practices, Sarah Storey felt that the hearts and spirit of the entire team were not there. So, before the match, she made an impassioned speech to the entire team sitting in a small storage room outside the Shawnigan gym. The plea was heartfelt and simply asked the team to give it their all. Thought Brentwood lost that evening's match in straight sets 13-15, 13-15, her words were to have a much more positive effect.

After two more hard weeks of practice it was time to play Shawnigan in a rematch - this time on home turf. The team came out blazing, destroying the Shawnigan side 15-17, 15-0 in straight sets. The girls were back on track! The following day we hosted a mini-tournament with Shawnigan, McNair High School from Richmond, and Camosun College from Victoria. Once again, led by incredible play by Carmen Watson, Brentwood showed its strength, crushing a strong McNair team 15-12, 15-7 and keeping up with Camosun College, only to lose a close match in the end.

The timing could not have been more perfect. The following weekend was the Island

Senior Girls Volleyball "A"

TeamTop: Sara Bailey, Rosanna Watson. **Middle:** Renee Soenen, Janice Schulte, Abigail Kingsbury, Keri Anderson, Tanya Buziak. **Front:** Rhonda Bucsis, Sarah Storey, Victoria Peacock, Carmen Watson.

tournament held at St. Andrew's School in Victoria. Brentwood put on an amazing show of strength and power. We were able to beat every team in straight sets, leaving us with a perfect 7-0 round robin record. In the semi-finals, Pacific Christian posed no problem in an easy 15-5, 15-10 victory.

That brought Brentwood to the finals where Duncan Christian, too, fell to the mighty machine, losing 15-7, 15-5 in straight sets. Janice Schulte and Rhonda Bucsis were both elected to the Island all-star team and Sarah Storey was named the tournament MVP. In addition, we had scored a total of 270 points in the tourna-

ment while allowing the other teams collectively to score only 115. The tide had turned. It was on to the Provincial Championships in Ft. St. James.

It was a cold and snowy day as the school bus pulled into the high school in downtown Ft. St. James. Everyone knew the competition would be tough. Brentwood got off to a rocky start, losing its first two matches to White Rock, a wild card team, and Pender Harbour. If we were to go anywhere at this tournament the next three matches were crucial. Two of the games would be against two of the top teams in the province. First came Sparwood, always a hard-hitting team. Brentwood

lost the first game 9-15, but managed to win the second, 15-12. In the third game Sparwood jumped out to a commanding 13-2 lead. Was the will there? Everyone had written us off. If at any time, or the team to show character. Led by a most memorable spike that left the light fixtures swinging in the gym by Sarah Storey the team fought back to even the score at 13-13. Then the consistent serving of Carmen Watson took over. Brentwood took the game 17-15. The next match was an easy victory against Lake District and then the final round-robin match against the second-ranked team in the province, Mt. Sentinel. They had lost only one game in

their matches thus far, and they oozed with confidence. Playing probably the best volleyball all year and for some perhaps ever - the Brentwood girls managed an overwhelmingly sound defeat in straight sets 15-11, 15-11. The quarter final match became almost anti-climactic. In a most disappointing game we lost in straight sets 4-15, 7-15 to Eagle River. In the end Brentwood finished sixth overall - our best finish ever. In addition, Janice Schulte was given an honourable mention as an all star and Sarah Storey was voted to the second all star team. A terrific success story over the entire year - in the end everyone had to hold their heads high, knowing how far they had all come.

Everyone collectively contributed to the success of the team. As captain, Sarah Storey deserves recognition for her outstanding work. She gave a dragging team a spark. Her energy and hard work brought everyone to a new level. She deserves every accolade she received as a player throughout the year. Both Vicki Peacock and Rhonda Bucsis, the setters on the team, and the assistant captains, brought their individual talents to the team in their own ways. Vicki provided motivation with her cheering and team spirit, while Rhonda helped keep the team on track and on task. The fourth senior on the team, Carmen Watson, was a quiet leader on her own. Her dedication to the sport and her incredible progress through the year were an inspiration to the whole team. The confidence of the team rose incredibly in knowing Carmen was moving back to the service line. Janice Schulte developed her power as a hitter and server as the year progressed. Her natural sense for the game helped her get to the right place at the right time. Tanya Buziak came to us from Comox, B.C. Her skills as a defensive player were tremendously effective. Her passing was always accurate and her ability to dig impossible balls was admirable. As well Tanya's athletic ability made her a good blocker at the net. Abi Kingsbury honed her jumping skills throughout the season. She used them to become a good hitter and an effective blocker. She also improved her serving from the point of not being able to clear the net to hard and accurate service. Renee Soenen worked all year at improving her confidence and

did so effectively. She became a strong defensive player and a very consistent server. Sara Bailey arrived from Langley, B.C. as a tremendous addition in height as well as personality. Her blocking became topnotch by the end of the season. Sara was another whose serve progressed a great deal over the entire season. Certainly her hard work and extra practice set a great example for everyone. Keri Anderson was still haunted at the end of the season by her service, but in every other respect made a huge amount of improvement. Keri became a consistent defensive player with a natural feel for the game. This feel was especially evident with her front row play at the net. Rosanna Watson was our secret Grade 10 weapon. She used her hard left handed spike and her scintillating serve to dazzle opponents. She will certainly be a force to be reckoned with over the next two years. The last person was not a player on the court but definitely a huge part of the team. That was Sheila Sutton, our manager. Sheila was organized and ready for any situation. She kept complete statistics for each game as well as taking care of uniforms, first aid and lunches for the entire team, including the coach. Her efforts were well appreciated by each and every person on the Senior Girls' team.

It was a pleasure to watch this team unfold over the season. It is always sad when the last game is played and it is time to put the nets away for another year. Sarah Storey should be proud of the team she so ably led - they progressed a great deal from that opening day!

S. Khanna

STEPPIN' OUT

Whether line dancing in Ft. St. James, kicking up their heels in Prelate, Saskatchewan or spiking the opposition on Brentwood's home court, the senior girls team show plenty of flair.

THE KILLER BEES

Never before have such a talented group of athletes been gathered before coach Lynne Cronin. Despite the fact that there was no competition facing us, we trained valiantly to improve skills that could never be surpassed. Innovative training methods meant that our spikers could leap tall buildings in a single bound, our setters pass with infallible accuracy and our receivers make any service look easy.

Vigorous weight training sessions, fitness runs down Mill Bay Road, plus hours spent planning various social events, made for a busy term. Dinner at the coach's place, plus a trip to Victoria, made a season with the Killer 'B's a truly memorable one.

Back: S. Brautigam, A. Stocco, A. Wolfe, S. Robson, S. Hartley. **Coach - Lynn Cronin.** **Front:** J. Liu, G. Baker, J. Marston, K. Clifford, D. Sit.

THE KILLER BEES

Senior Girls' Volleyball Team with Coach Khanna at the grad dance

JUNIOR 'A' GIRLS' VOLLEYBALL

The Junior 'A' Girls' Volleyball team had their ups and downs but, unlike some teams, had a variety of personalities and people.

For example, there was Nicole Frangou who was always smiling and cheerful but couldn't quite seem to control those bumps. Then Lorna, ahhh Lorna, curled up in a corner with a good book, but when up to bat could "whale" her serves down on the opposing team. Alyssa, with her hard hits, could have killed the opposing team if they hadn't hit that court line! Who could forget Alanna with her charming accent and killer serve; she was just an all around great gal. Megan Stone could kill that ball but most often didn't realize her own strength. Then there was Jen who had a glint in her eye that made the other team wince. As for Tanis, she couldn't leave the game alone! She gave wonderful sets, even when she had sprained fingers and wasn't even supposed to be attempting it!

The other setter on the team was Sarah Nichols who always got under the ball to give a perfect set up to any member of the team but spent a little too much time on her knees. Finally our captain and leader was Camilla, who helped the team through tough times. With her high spirits and good pep talks, she kept us going.

Mrs. Backer was a great coach who worked us hard at practice - we finally did get that bumping drill together! She also had faith in us, even to come back from 15-1!

S. Nichols

ICE HOCKEY

The Brentwood Ice Hockey programme was blessed with a large number of players this year. In terms of age there was an even split between juniors and seniors. The split actually meant that both teams were relatively small. Unfortunately due to lack of ice time there were few games played. In fact both the junior and senior teams had games only against Shawnigan. Shawnigan's programme was very thin this year and they were thus forced to turn to the community for six of their players. All three senior games were close, tightly contested matches. The superb goal tending of Jon Keith-King between the pipes helped keep Brentwood in all of the games. Shawnigan managed to win two of the games with the third match, probably the best game between the two teams in years, ending in a 2-2 tie. Offensively the senior attack was led by veteran Steve Vertes, this year's captain, Speedster Randy Chalupa, and local goaltender Jon Tillie, who traded his goalstick for that of a centre man's. The defensive corps varied due to injury but was primarily anchored by Sean Dunlop, Mark Bensted, Grade 9 Junior Neil Roper and Jeff Hamilton.

The ISA tournament was once again hosted by St. George's at the UBC Thunderbird Arena. Our first game pitted us against our perennial rivals, Shawnigan. In a frustrating penalty filled battle Shawnigan managed a 5-2 victory. Knowing we were capable of better the entire team banded together and pledged to play a more disciplined battle against a large

St. George's contingent. Led by the solid checking of Mike Koch and Steve Vertes and the speed of Jeff Hamilton and Randy Chalupa

Brentwood went on the attack. At one point in the second period Adrian Bak scored two picture perfect short handed goals on breakaways in the span of only twenty seconds to put Brentwood up. At the end of the second period we were leading 6-3. Unfortunately because of injury and some poor planning all of the ice time had been exhausted. All three teams ended with 1-1 records. The tournament could not be decided on goals for and against as the final game was not completed. So, in the end, all three teams were awarded the ISA trophy as there was no fair way of distinguishing between the three teams. The strong performance was in part due to the bench strength available from players such as Mark Bensted, John Pugliese, Max Thornhill, Feras Al-Sarraj, Ted Mason, Sean Dunlop and Garrett Cameron.

Comparatively the junior team had a strong year. The attack was led by Ted Mason, Rich Whittington and Yuho Okada and the defensive core backed up by Neil Roper, Garrett Cameron, Kevin Cathers and Aaron

Vallejo. At the junior level the strength of the bench was responsible for the overall success. Players such as Rory Wood, Jack Lee, Ian Robson and Grade 12 (first time hockey player) Mark Jess, provided tenacity and fresh legs. The overall skill level at the junior level bodes well for the future of the ice hockey programme at Brentwood.

Future star Feras Al-Sarraj practises his slapshot off ice on his roller blades.

TRIATHLON

Second Term:

Most of Second Term was spent building fitness and sharpening skills for the first race of the year, the U.B.C. Triathlon. A good number of rowers participated in the program to increase fitness levels for third term rowing. Standouts at U.B.C. were Morgan Crooks and Ben Michael for the men and Kelly Scott for the women. Congratulations to all those who completed their first ever triathlon.

Third Term:

The months of May and June were uncharacteristically busy with four races for the students to choose from: Comox, Nanaimo, North Shore, and Sidney. The race at North Shore in Vancouver was the most fun; it gave the students an opportunity to race against #1 world ranked female triathlete, Carol Montgomery. All of the team also completed the tough Panorama Triathlon in Sidney, a 1/2km swim followed by a gruelling 30km bike and an extremely hard 8km run. Well done! Standouts this term were Aoibhinn Grimes, Bryan Last, Anna Grimes, Kelly Scott and Sarah Richardson who all managed a top five finish in each of their races this term. The year ended with an afternoon at the new Commonwealth Games Pool in Victoria and a fine dinner at Pagliacci's in Victoria. It was a great year with a group of great athletes. I would like to thank them for their hard training and dedication. Best of luck!

Rob Dyke

SECOND TERM TRIATHLON: *Back, Left to Right:* M. Crooks, N. Reti, A. Ross, J. Rossi, L. Wickland, R. Cook, A. Murphy, J. Rannelli, J. Burrows, N. Sisett, B. Michael, K. Scott, R. Bobsien, K. Piller, Mr. Dyke. *Front:* D. Stroble.

THIRD TERM TRIATHLON: *Back:* G. Scott, A. Whitehouse, B. Last. *Front:* K. Glanville, Mr. Dyke, N. Skinner, J. Rossi, J. MacLean, L. Wickland, A. Grimes, J. Allen, S. Richardson, K. Scott, A. Hansen, N. Reti, R. Soenen. *On Bike:* A. Grimes.

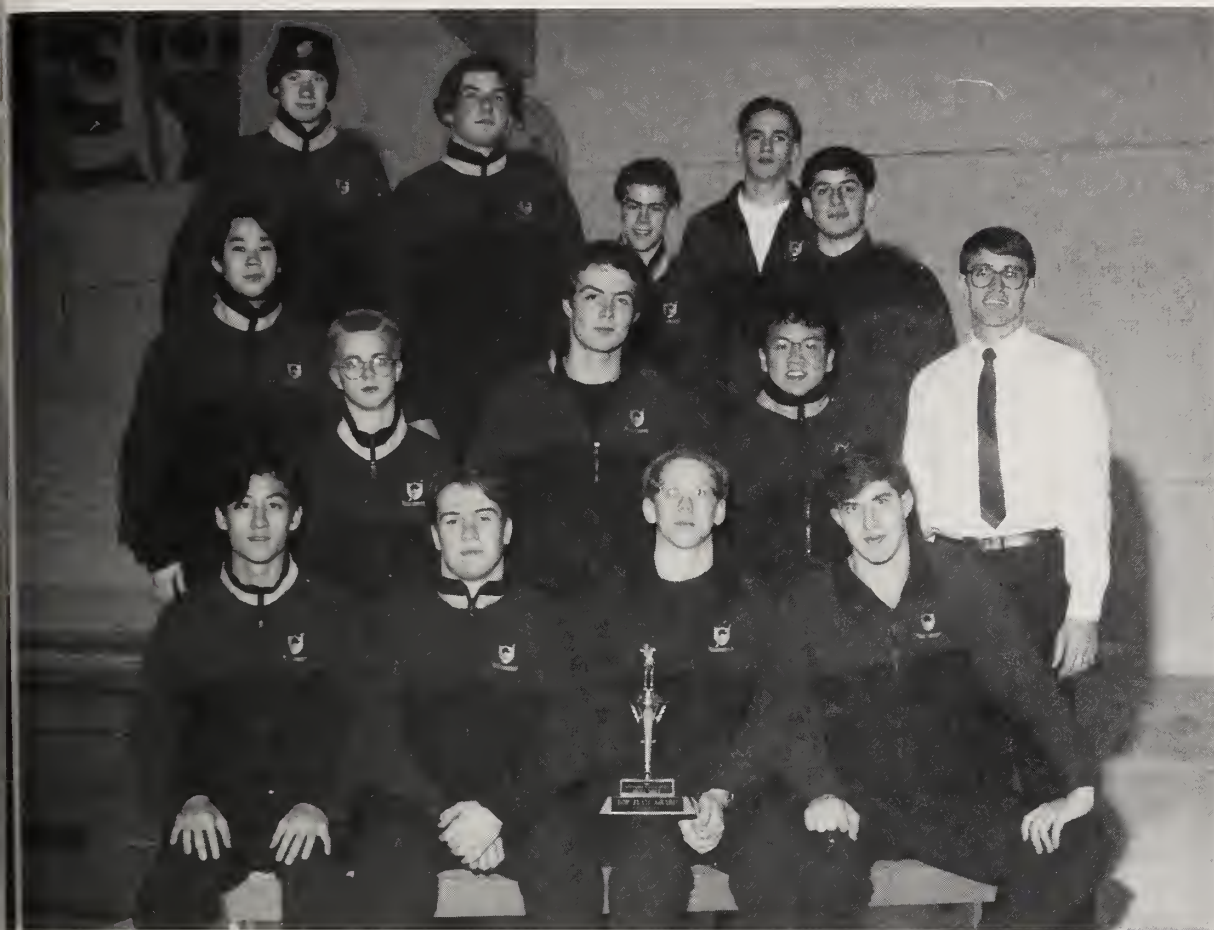

SWIMMING

The swimming programme operated through three terms with the competitions taking place in the first term. Rob Dyke coached the girls in the first term and was delighted with the turnout (20-25 girls). The girls worked hard and showed great improvement. The boys, coached by Bruce Clarke, were a strong group and were ably captained by Marc Beaulieu. The two teams combined to win the ISA Championships. At the meet Marc Beaulieu, Morgan Crooks and Mark Bensted were outstanding for the boys while Tanya Buziak, Jackie Moller and Cathy Anderson produced excellent results for the girls.

The provincial qualifying meet coincided with our mid-term so most of the students were unable to compete. Cathy Anderson and Jackie Moller represented the school there and performed well. The emphasis in second and third term swimming was on conditioning and stroke improvement. The interest and participation remained strong and some potential began to emerge in the junior grades. We hope to compete in more meets next year.

Cathy Anderson

BOYS' SWIMMING TEAM: *Back:* Scott Crooks, Mike Herschmiller, Jay Park, James Evens, Morgan Crooks. *Middle:* Ratanachai Chearananta, Eric Stenersen, Chris Piper, Roger Chen. *Coach:* Mr. Clarke. *Front:* Danny Sit, Travis Meier, Marc Beaulieu, Nolan Sisett.

Scott, I. Glanville, N. Skinner. *Front:* L. Sweet, C. Anderson, J. Moller, P. Hernandez. *Coach:* Mr. Robert Dyke.

WATER POLO

SECOND TERM WATERPOLO

Back: J. Bramall, T. Buziak,
A. Abramovich.

Middle: J. Hogan, Mr. Clarke.

Front: K. Broadway,
M. Bensted, C. Anderson,
M. Beaulieu, J. Chang.

The Aquatics programme offered Water Polo for two terms this year. The second term was led by co-captains Cathy Anderson and Ian Fletcher. Though it did not play in any tournaments the team was quite successful playing most week-ends against local competition.

In the third term there were more girls involved allowing Mr. Clarke to produce a girls' team captained by Cathy Anderson and a boys' team led by Mark Beaulieu. These groups were strictly developmental and the emphasis was on practising and perfecting new plays.

THIRD TERM WATERPOLO

Back: J. Evens, C. Spring,
D. Rorison, K. Broadway,

SAILING NOTES

SAILING, Back: T. Nakatani, Mr. Belcourt, C. Kennedy, L. Frost-Hunt, C. Gordon. **Middle:** J. Amiel, S. Shymko, Mr. Lironi, S. Parlatore, G. Swales, R. Dennett. **Front:** C. MacKinnon, K. Scheuer, L. Sweet, S. Quist, C. Schnurr, L. Mathewson.

The change of play arrangement, releasing seniors from the normal rugby season of September to December, allowed the club to have an exceptionally strong group of experienced sailors on hand early in the year, but postponed the beginner's course for junior grades to the wet and cold period of the middle term. The absence of senior sailors in the middle term also meant that the coach was called upon to demonstrate the skills that had previously been delegated to young, hardy, nimble proponents of the art who rejoiced in their ability to right turtled boats and hang out on the end of a trapeze. Just as it seemed all was lost, and your scribe's fumbling attempts were

to be revealed in all their hopeless ineptitude, there appeared, as if by magic, permission to go on a long awaited sabbatical. Pausing only to thrust the lists and manuals into the hands of Mr. Kevin Smith, I flew immediately to Venice where, sitting in my gondola, I was able to reflect upon the happy times he was undoubtedly enjoying.

Looking back on the first half of the year I note a couple of changes in the program that were of great benefit to the club. First was the arrival of Andre Belcourt, an experienced coach who has been working with Maple Bay Juniors for the last two years; second was a two-part regatta allowing us to race against the

Maple Bay Juniors, a "friendly" against SLS, and another match against Glenlyon-Norfolk. This early exposure to competition at the local level was exactly what we had been looking for, and the enthusiasm it generated in all who participated led to great things in the final term.

On my return from Italy I found a fax waiting for me from Verne Becott, Old Brentonian, now in charge of sailing at St. George's inquiring as to where the Independent School's Regatta would be held this year. He had obviously not realised that it had been defunct for many years. However, the germ of an idea came to mind and after a flurry of faxes and telephone calls it was

agreed that Brentwood and SLS would host the event jointly. At the end of May we met: Brentwood, SLS, St. George's, Glenlyon-Norfolk on the same day that the Shawnigan Rowing Regatta had to be abandoned because of high winds. For the sailors of the 24 lasers it was a wild ride and an exciting day of gear-busting racing. Glenlyon-Norfolk emerged just ahead of Brentwood as the winner and we all look forward to another great regatta next year. Many thanks go to J. Sarsfield and SLS for their help and loan of equipment and to Verne Becott for helping to get things started.

V. Lironi

RAMBLING / OUTDOOR PURSUITS

It was another superb year for Rambling. The program saw improvements in many areas due to the efforts of the students, the administration and the staff.

Perhaps the largest change was the introduction of a senior outdoor leadership program in the first term. The term was dedicated to raising the technical and leadership skills of a select group to a level where they could function as co-teachers for younger students in the second and third term. An elite group also earned a letter of recommendation from Godfrey Knox and I to aid in obtaining employment in the outdoor leadership industry. This program will be offered again in 94/95 with changes and improvements.

Weird goings on have been observed behind Mackenzie House. The new high altitude ropes course was finished and has provided a challenge to everyone who has tried it. Though it was Godfrey's idea and design he would like to thank the students who spent so much time high in the trees helping build it.

The new climbing wall was also finished this year. Mike Paget, Tyron Edgerly and Leigh Aris spent many hours hanging from ropes and covered in glue. They deserve much credit for finishing in a couple of weeks the work I had been trying to complete for two years. The wall is light years better than the old one and has raised the quality of climbing available on campus.

It was not the best of years for quantity of trips but the quality cannot be questioned. We went surfing at both Long Beach and Jordan River. Godfrey led climbing trips to Fleming Beach and to Squamish. But the best trip had to be ocean kayaking for five

days in the Broken Islands on the west coast of the Island. We, (fifteen of us) had only one half day of rain, many fine roasted oysters and an ambience that was that of a group of friends rather than a teacher student relationship. This was possible because of the unusually mature style of the whole group and especially of Jamie Maxwell, Hanna Ezzat, Jason Remai and Colin Bradley. Thank you.

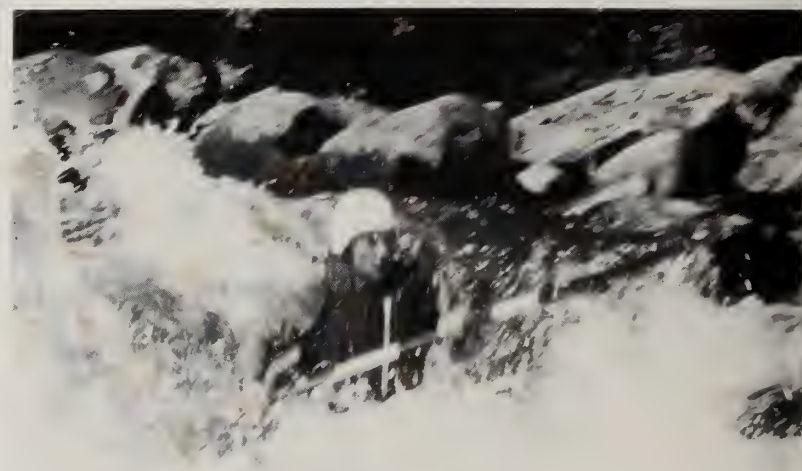

Terms two and three were our usual adventurous fare with kayaking and climbing, canoeing and survival skills practised during the week. On Saturdays we went hiking off campus in the hills and valleys. Once each term the bus failed to come back for us which allowed us to test our decisions on what to include in our survival packs for real life validity. Each term the level of preparedness is increasing. This is a good thing.

Next year? Some proposed trips include 2 weeks surfing and mountainhiking in Mexico, a serious mountaineering trip in the Squamish area and lots of whitewater kayaking day trips. Suggestions are always welcome.

In third term Lynn Cronin joined Godfrey and I as the third teacher in Rambling. It was great to have her with us and she added a lot of variety to the term by teaching canoeing and map skills. Thankyou Lynn, and sorry you can't continue with us.

This has been the best year of the five since I came to Brentwood and I must praise the students involved in the program for the success of this year. I speak for Godfrey, Lynn and myself when I say it has indeed been a pleasure.

Dan O'Brien

MOUNTAIN BIKING

Hatchet Jack's Lookout, the elusive Oliphant Lake, rides which are indelibly etched in our memories. Rides which started with a sign-in out front of the cafeteria - "Who's sick?", whose bike is broken?, who is not dressed adequately?" The latter was of considerable concern as we were riding in the mountains where the weather can change quickly and make a wet body very cold. This was especially true the day at Burnt Bridge when the majority got wet feet riding through a creek, and one poor soul, Bryan Last, took a proper bath, and then the temperature dropped several degrees below zero. However, frozen shoe laces and numb hands were a small price to be at the top of a sheer cliff with a view of the Coast mountains and Gulf Islands, with a pair of eagles perched on a snag so close that one stepped back for fear of invading their space; or being atop Mount Prevost with gusts up to forty nauts and then riding back down on a snow-covered trail; or discovering a cabin and lodge situated on a summit in a forest beside a stream where one is invited to stay so long as it is left the way it was. While many of the destinations were stunning, getting there was exciting as often we were only exploring and with the broad mix of grades, ability and personality it was also entertaining. I enjoyed the term with the boys and appreciated their patience in my quest to find Oliphant Lake which, as Don Mackenzie is quick to point out, is easily accessible by vehicle.

F. Purdon

MOUNTAIN BIKING: *Left to Right:* Mr. Purdon, B. Jesson, B. Last, P. Mathews, A. Bradley, I. Black, I. Gordon-Collins, D. Ross, M. Martell, D. Maurer, N. Kameron, P. Nevlud, J. Dinsdale, B. Code, M. Beaulieu, M. Jones.

CROSS COUNTRY

Five years have passed since the school participated in competitive cross country. While there was a considerable range in ability we placed third overall at the ISA meet in Victoria, with a strong second place finish by Mackenzie Jaims. Competing in the Victoria league on an exhibition basis, we witnessed a very high standard of running and fared reasonably well. On one occasion out of a field of 45 David Stroble, borrowed from the 1st XI, placed second, Ryan Dennett seventeenth, Mackenzie Jaims eighteenth and Rob Cook twentieth. Our training runs averaged eight miles, which included several excursions to Portland and Sidney Islands, and were often followed by cross training on mountain bikes. It was a good start to re-establish Brentwood as the ISA cross country champion.

FIRST TERM CROSS COUNTRY *Top:* A. Hansen, R. Dennett, E. Ross, J. Kawaja, St. John Moore. *Middle:* B. Henderson, R. Cook, J. Stewart, B. Mac Farlane. *Bottom:* R. Dixon, M. Herschmiller, M. Jaims, G. Getejanc, M. Bensted, S. Vertes.

SECOND TERM CROSS COUNTRY: *Back:* M. Shepherd, T. Sinclair, S. Kameron, C. Althorp, M. Jones, C. Becker, P. Nevlud, T. Yung, J. Allen, St. John Moore, *Front:* Mr. Wynne, K. Mills, E. MacKinnon, A. Hansen, C. Watson, S. Kiltz, K. Lee, R. Soenen.

Once again this year a remarkably large number of students of all ages and both sexes saved the elements and tackled a variety of trails around South Vancouver Island. The youngest was brave Katy Miller in Grade 8 who ran alongside Grade 12s and completed the grueling two hundred miles. The fastest was James Kawaja who edged on Brett Henderson and Cameron Althorp. The most enthusiastic was Jacquie Allen,

but she was closely followed by Renee Soenen and Sandrina Kiltz. The fleetest girl was Andrea Hansen who eats nobody's dust. The most unpredictable was Matthew Jones who had good days and bad days. The most indispensable were Michael Shepherd who had an accurate mile recorder and Scott Kameron whose wrist watch gave us an exact elevation.

Many are the reasons for choosing this sport: gain weight, lose weight, achieve fitness, see

the countryside, but the best excuse of all is to enjoy the fellowship on and off the trail. You don't have to be a lonely long distance runner. I greatly enjoyed the group and the assistance given me by my co-coach, St. John-Moore.

Once again the weekend at Long Beach was the highlight of our 'season' and I hope to enjoy many more such trips before my time "runs" out.

R.S. Wynne

ISA CROSS COUNTRY CHAMPIONSHIPS 5.8KM

INDIVIDUAL PLACINGS:

2	Mackenzie Jaims	22.28
11	Ryan Dennett	24.53
13	Brett Henderson	25.35
15	Steven Vertes	26.32

1st	St. Michael's U.
2nd	St. Georges
3	Brentwood
4	Shawnigan

BRENTWOOD TERRY FOX RUN

THE BIG START, (right).

Below: Ironwomen Andrea Hansen and Eli Sroka take a breather.

Right: WT takes an impromptu shower while Mike Koch keeps his back to the camera.

Theodore Goethals strides to the forefront as fellow competitors slow their pace.

Evan Schmitke aids Lorna Weeks in her quest with words of encouragement and, more importantly, a big glass of water. Andrew Yeung follows.

CELEBRATING WOMEN IN SPORTS

The second annual women's sports banquet was an occasion which allowed the girls to "visualize success in sports" in order to attain their dreams.

Above: Lynne Beecroft (U.Vic. Field Hockey Coach), the guest speaker, is congratulated by dinner M.C. Aoibhinn Grimes.

Left: A wide spectrum of sports were represented in the audience of Brentwood female athletes.

IT'S ALL GO!

AND THEY'RE OFF The senior boys are off and running in the last race of the day. Previously the junior girls had their place in the sun (*at right*) Hilary Maxwell, Alison Taylor and Jennifer MacLean share the sunlight and the lead.

EARLY OPTIMISTS The front runners in senior boys competition make it look easy. Dave Stroble predicts a one - two Privett sweep while Malcolm has his hands up in mock submission. James Kawaja, Cam Althorp and Jamie Burrows go along with them for now.

ELLIS RULES!

(*Far right*) Aaron Vallejo shows his confidence in Ellis House and is backed up by George Scott, Brian Code and eventual junior winner, Tom Herschmiller (*near right*).

IN THE CLEAR

Tim Yewchuk leads a pack of junior boys out of the woods.

INTER-HOUSE CROSS COUNTRY RESULTS

1st Place: Ellis Hse 1952 pts
2nd Place Rogers Hse 1926 pts
3rd Place: Privett Hse 1828 pts
4th Place: Whittall Hse 1518 pts

FAST ON THEIR FEET

Top senior boys finishers (*left to right*) Jamie Burrows (third), Malcolm Jones (second) David Stroble (first), James Kawaja (fourth).

ON THE MOVE

Above left: Aoibhinn Grimes leads the way in senior girls race as junior boys finish off.
Above right: Mr. Wynne (official organizer) exhorts Rob Dixon and Gord Getejanc, two of his cross country proteges, to stay ahead of the mob.

HAPPY IT'S OVER

Smiles in the winner's circle are evident on the faces of (*left to right*) Aoibhinn Grimes (first) Sarah Storey (third) and Andrea Hansen (second).

THIRD TERM FIELD HOCKEY

THIRD TERM FIELD HOCKEY

Back - Mr. Martin (coach), P. George, K. Piller, C. Burkmar, D. Maurer, M. Hall, O. Amiel, N. Roper. **Front** - C. Vallejo, J. Park, J. Ferreira, N. Lee, L. Ferreira, M. Walker.

The third term's sports programme at Brentwood has developed into a log jam and has certainly had a detrimental effect on the development of boys' field hockey. The shift of senior rugby to the summer term has resulted in several good athletes and experienced field hockey players in Grades 11 and 12 being lost to our programme. To this observer there seems to be something amiss when our students are asked to choose one sport from several in the third term. Rugby, tennis, rowing, soccer and field hockey are all potential losers. Brentwood is not alone. Shawnigan and St. George's field hockey teams were thinned out and weakened.

The Grade 10 students became the strength of our field hockey teams, supported in part by a few very talented girls who chose to upgrade their skills this term. Our 1st XI was dominated by younger players, even from Grade 8 in the slender shape of Lee Ferreira. Chris Burkmar, Mason Walker, Jeremy Ferreira and Oliver Amiel were very valuable players, all from Grade 10. The choices they make next year will have a bearing on the future of field hockey at Brentwood.

Our 1st XI consistently beat Shawnigan, by scores of 3-1, 2-0

and 1-0. Against St. George's we lost 2-1 and 5-0 in Vancouver. Junior elevens and mixed teams played a variety of games, winning most of the contests. Several players enjoyed the experience of playing on the artificial turf at U.Vic. The artificial surfaces are used more and more worldwide and I look forward to the day when Brentwood possesses one. The fast, true surface raises the quality of play and is excellent for improving the stickwork of individuals. Young players such as Lee, Neil Roper, Ted Mason and Charlie Vallejo

are among those who benefited. Nick Lee (Grade 12) was our regular senior goalkeeper and he constantly demonstrated his courage and sense of timing.

In the broad picture another successful aspect of the season was the play of the girls. Three of them played in the 1st XI. I know from experience that the girls will all be better players when their season starts in September.

The future of the game worldwide is healthy and growing. Let us hope Brentwood (and Canada) share that future.
H.J. Martin

BARBADOS / TOBAGO BOYS' HOCKEY TOUR

We played seven games in ten days. Four were lost, two were victories and one was tied. Nick Lee, in goal, allowed 8 goals and the offence scored 9, led by Mason Walker with 4 goals. All the lost games were by a single goal.

Fortunately all the games were played at 5 o'clock in the evening when the temperature had dropped to a mere 28 degrees Celsius. Our stiffest competition came from the Barbados high schools but the Tobago men's and ladies teams were very competitive.

The contrasts between the two islands were remarkable as we moved from a Tobago fishing village to a sophisticated environment in Barbados. The school can be proud of the athletic and social contributions made by the tour group. *R.S. Wynne*

SQUASH

SQUASH *Back:* Mr. Christiansen, A. Buchholz, E. Walle, L. Shen, P. Love, C. Danard, D. Arora, J. Ho, R. Semerad, G. Deacon, Mr. MacLean. *Middle:* J. Goetz, J. Kozuback, M. Weisner, B. Lee, G. Seed, B. Wu, C. Vallejo, R. Lam. *Front:* H. Lee, D. Boone, R. Weekun, P. Wai, D. Fung, T. Yewchuk, H. Lee.

The popularity of squash continues to grow at Brentwood College. The three, beautifully maintained, glass backed, international courts saw a great deal of activity over the season, with 52 students participating in our organized squash programme and many others being introduced to the game through the new racquets programme.

The programme offers beginning players basic instruction which enables them to progress,

with correct technique, to any level to which they may aspire. The game itself offers an aerobic and anaerobic physical challenge as well as a mental challenge. The game has often been described as a physical chess game where one person tries to move his (her) opponent around the court until he has him out of position and can play the winning shot.

More emphasis is being put on developing good physical con-

ditioning habits, along with squash skills, which like squash, can become a lifelong pursuit. Although the programme has its competitive aspects (Brentwood College has won the I.S.A. Squash Championships the past two years), a great deal of emphasis is placed on good sportsmanship and respect for teammates as well as the opposition.

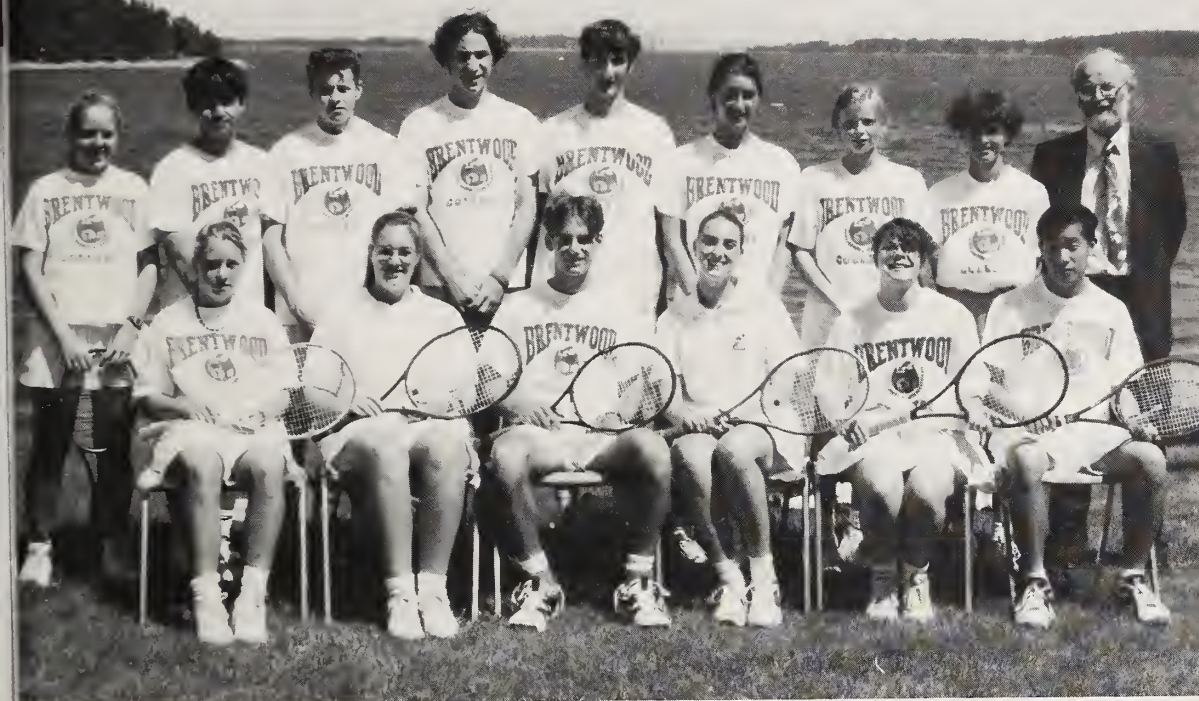

I look forward to next season for many reasons: to work with some of the aspiring juniors

and seniors who have been in the programme for the past two or three years; to introduce new players to the game; to encourage more of our female population to try the game; to organise our first ever spring squash tour; and most of all, to introduce this wonderful racquet sport, which continues to gain popularity world wide, to as many people as possible and get on the court and HAVE FUN!
L. Christiansen
Level III Squash Professional

TENNIS

It can be argued that 1993-1994 marks the end of an era in the evolution of Brentwood tennis. When saying goodbye to the graduating members of the senior team, I am very aware of their long meritorious years of service to the Tennis Club. For five years, Vince Biondo has set a wonderful example of sportsmanship and ability while showing a concern for others. It is a matter of record that Vince has not been defeated at Brentwood since his Grade 8 year. The Biondo era has been ably supported by Alysha, Clare and Vykkie for five years; Rhonda for four years, James and Drew for three and Mark for one year. At the provincial championships, we achieved a seventh place finish which is our best placing in several years. More importantly we approached the entire season as a team. Tennis can be a very individual sport, with many players adopting a very egotistical, "me first" approach. The Brentwood programme simply does not operate like that. People support each other in all sorts of ways. I am grateful for the spirit and leadership of the graduating members of the tennis team. Their words and actions reflect a strong belief in that team philosophy.

Ablly supporting the Grade 12 players were the 72 players from Grades 8-11. Next year's leaders will be Janice, Alistair, Faye and Edward from Grade 11. Who knows, perhaps we are seeing the dawn of a new era.

SENIOR TENNIS: *Back:* B. Kerr, E. Tsui, D. Hetherington, M. Russell, A. Lornie, J. Schulte, F. Collinson, Mrs. Barlow, Mr. MacLean. *Front:* C. MacKinnon, R. Bucsis, V. Biondo, A. Forster, V. Peacock, J. Tsai.

REGATTA 94

THE GREATEST EVER!

THE POWER OF MANY

This year the size of the club was reduced in numbers and this was reflected in the boys Colt and Junior Varsity divisions. Several new activities arose in the Club because the change in seasons of play opened up the Fall. Our Novices and Colts competed in the Victoria Schools Regatta series and got an early start to feeling the racing cadences. A new emphasis on sculling came about when the coxed quad scull was introduced to the racing season. Our Junior Boys and Senior Varsity Boys enjoyed consistent success in this new event and we hope to see further growth in the future.

Instead of taking crews on a long tour we decided to attend two major regattas in the racing season. The boys and girls first eights and the senior lightweight boys all went to San Diego to compete in the Crew Classic Regatta held on Mission Bay. It was a great experience for all the crews and coaches and everybody came home with medals, sun tans and a strong desire to return in the near future.

The Brentwood Regatta became a three day event this year with every member of the school involved in one way or another. A combination of great athletic performances with artistic, cultural and social activities going on throughout each day made this weekend a huge success. Regatta points were not awarded this year and each of the major organisations left the site feeling good about their performances. Brentwood had the most wins in the eight oared events that we specialise in but we shared success with many other clubs in the smaller boats. Again we can thank our coaches for producing such successful seasons. Their knowledge, enthusiasm and dedication were all needed in full measure by the Brentwood crews and I would like to list them here and thank them for their ef-

BOYS' FIRST EIGHT

CANADA'S BEST: Brentwood varsity boys heavy eight poses with coveted Cleland Trophy. *Back, from left, are:* Rob Bobsien, Ian Fletcher, Malcolm Jones, Grant Cyr, Morgan Crooks, Ben Michael, Brett Henderson. *Front:* Nolan Sisett, Eli Sroka.

This season was focussed on the Canadian Schools Championship in an attempt to erase the bad luck of the final race of the previous season. Four of our crew had been in that ill fated event and were very eager to even the score at St. Catharines. The group of twelve people who began in September was whittled down to nine before the racing season officially began in April. We had two very able coxswains in Peter Barry and Eli Sroka and they shared the racing responsibilities at each Regatta.

The crew rowed in the coxed four and coxed quad as well as in the eight and all together won an impressive number of races. Their only loss in the racing season was to the University of Washington Freshmen in the Open Men's Steward's Cup race in Portland. In an earlier heat against the same opposition the Brentwood crew rowed the 2000m distance in 6 minutes, losing by only a few feet to the Husky Frosh. The sweep four and sculling four never lost a race during the entire year. The quality of this year's eight was illustrated by the fact that two even and fast fours were present in our squad and all nine could scull effectively in singles even at racing cadences. Four of this eight seek junior international honours this summer in Munich, three for Canada and one for the U.S.

The race for the Canadian Championship is best described by the article in *The Pictorial*, reprinted below:

Reprinted from *The Pictorial*, June 19, 1994:

Canada's Richest Reward CLELAND TROPHY FOR BRENTWOOD

Never mind the Stanley Cup, Brentwood College won something

more valuable at the Canadian high school rowing championships in St. Catharines, Ontario.

The Calder Cleland Memorial Trophy is Canadian sport's richest reward. It goes to the winners of the men's senior eight, the final race on the program, and that was Brentwood.

The exquisite 30-inch high jug is valued at more than \$200,000. The trophy was created in 1853 by the gold and silversmiths of England and was originally raced for at the Royal Canadian Henley Regatta.

The trophy was presented to the Henley Aquatic Association of St. Catharines by the late W.B. Cleland in memory of his son Calder, who was killed while serving with the Royal Canadian Air Force during World War II.

For obvious reasons, Brentwood didn't get to bring the trophy home. However, the names of the rowers will be inscribed on it. The trophy is stored in the Sports Hall of Fame in Toronto.

Brentwood College began its claim to fame by arriving in St. Catharines in a rather sombre mood. Their stroke oar for the season was unable to travel with them for the final competition of an otherwise banner year.

Having won the San Diego junior eight and the Opening Day Regatta in Seattle, they were the undisputed champions of the West Coast of the U.S. and Canada. With their regular stroke man, they would be the favorites for the Canadian school

championship. But boating an inexperienced replacement meant that anything could happen.

The local favorites were from Holy Cross School, a private Catholic school in St. Catharines. They were a formidable group to the fresh-faced Grade 11-12s of Brentwood. Each one of the Holy Cross rowers sported a beard and looked like contenders for the Stanley Cup playoffs.

Brockville and Ridley also had big, strong crews, with state-of-the-art equipment.

Two heats were needed to find the final six crews to race for the coveted Cleland Trophy.

Brentwood had Holy Cross beside it and a duel of wits ensued. Neither crew wanted to show its hand completely.

Holy Cross pushed hard at the start but did not reveal its blistering speed early in the race. Brentwood had a nervous start, but settled into a strong mid-race cadence to earn a lead after 1,500 metres. Both crews shut down the power and easily qualified for the final next day.

Despite the lack of push in the last 500 metres, Brentwood clocked 5:53 to equal a club record for the distance. "We will always wonder how fast they could have gone if really pushed on that day."

The final race came at the end of the regatta. Brentwood had already raced and won the coxed four just five hours previously but half the crew was completely fresh and highly-motivated.

Brockville and Holy Cross had an incredibly fast start and led after 20 strokes. Both crews knew Brentwood had an alternate stroke and hoped to rattle them with their tactics.

Brentwood settled into its normal race plan and was fourth at the 500-metre mark.

The early leaders pushed even harder and tried to open up their lead further as crews reached the halfway mark. Holy Cross replaced Brockville at the head of the pack and went through the 1000-metre marker in 2:51.

Brentwood trailed by four seconds but was rowing strongly and the front-runners paid a huge price for their lead. With 750 metres to go, Brentwood pulled level with Brockville and pushed ahead.

With 500 metres to go, Brentwood was still a length behind Holy Cross but closing in on every stroke. The two crews were level with 300 metres to go and Holy Cross had nothing left to throw at the Brentwood crew.

Ben Michael, in the seven seat, pushed the stroke oar to 39 strokes per minute and Brett Henderson responded by holding that beat for the remainder of the race as the crew moved in front and won by one boat length. The time was 5:55 into a brisk head wind.

"This indeed was the best race that any Brentwood crew ever produced and only their best race ever would have won that trophy against such opposition as they met that day."

Varsity coxed quad hoists trophy at St. Kitts.

Power in the middle of the boat generated by Crooks, Jones and Fletcher.

THE POWER OF ONE

The Power of One is above all things, it's the power to believe in yourself often well beyond any latent ability you may have previously demonstrated. The mind is the athlete, the body is simply the means it uses to; run faster and stronger, jump higher or longer, keep the rate higher and brighter, row faster for longer. The dictum, "first with the head and then with the heart," is more than simply mixing brains with guts; it means thinking well beyond the normal powers of concentration and then daring your courage to follow your thoughts

Below: Coach Carr joins the victory celebration after the "best race ever"

Varsity cox Eli Sroka

BOYS' VARSITY LIGHT-WEIGHT EIGHT *From Left to Right:* Mr. Queen (coach), J. Lewis, C. Tassin, M. Jess, C. Althorp, J. Hamilton, J. Burrows, A. Ross, B. Jesson. Cox - I. Bishop.

EAGLE EYE

Through all seasons, in sunshine or snow, Eddie the Eagle watches over his favorite crew and brings it good fortune.

BOYS' VARSITY LIGHTWEIGHT EIGHT

Last year's act should have been a difficult one to follow, but follow it we did and developed it. Perhaps the bitter blow at St. Catharine's in 1993 did something to provide the incentive for the four returning crew members but, right from the outset in September, there was a clear commitment to excellence which was maintained throughout the year.

Training in the first term was tough but productive and, gradually, a crew started to take shape. Early competition yielded some good results but, clearly, the full potential of this crew was yet to be realised. Head races at Brentwood and Shawnigan gave us some encouragement during the second term but, as usual at this time of the year, we were not yet ready. Near the end of the term, at a regatta on Elk Lake, we lost somewhat ignominiously to the Vic. City lightweights. This crew had been touted "best in the west and possibly the best in Canada". They put three lengths into us and probably provided the catalyst for what was to follow.

The Easter Break, as in so many previous years, saw the metamorphosis from clumsy, slow caterpillar to elegant, flying butterfly. Alan Roaf, Technical Director for Rowing Canada, performed his two days of magic and the boat started to move with some authority.

Then, off to San Diego for the Crew Classic! A few days in the warm sunshine and palm trees worked their charm and we did well to finish third in the H.S. Heavyweight division for school 2nd eights. This coach had a rather red face after this one when he realised that he had forgotten to change the heavy training rig

on the boat to the lighter racing rig! What might the result have been???

It was about this time that the coaching staff decided to weigh all our boats. The results were horrifying. Our crews were racing in shells which were anywhere between 50lb. and 70lb. over the accepted minimum, possibly costing us between 2ft. and 3ft. per lb. over a full racing course. (Even the 1st Eight's Empacher weighed in at 20lb. over the legal limit). Those Vic. City lightweights were possibly not that fast after all. At the Elk Lake Spring Regatta we had the chance to test our suspicions when, just three weeks after our previous defeat, we were kindly loaned the Dirigo shell used by the U-Vic women. In this ultra light boat we beat the Vic. City crew by seven lengths! Case rested! Maple Bay regatta followed and here, once again, we performed with distinction and won our division.

Brentwood Regatta established us firmly as a superior lightweight crew. In the Sprints, racing in a combined heavyweight and lightweight race, we beat everyone except the Vic. City heavyweight crew, including the Scotch College crew from Australia and (unthinkably), our own 1st Eight. The latter were "not amused" but, probably, in the grander scheme of things the experience did no one any harm and we were under no delusions as to what would have happened over the full 1500m course. We went on to win the Lightweight Eights comfortably and, later in the day, won the heavyweight J.V. Eights by an easy margin.

Grad weekend precluded us from competing in the Pacific

N.W. Junior Championships in Portland, Oregon. We decided, therefore, to enter the three Varsity crews into the Senior Championships on the weekend prior to Grad. This proved a most valuable experience for our senior crews as they had to fight very hard for any measure of success in a field comprising exclusively University and Club crews from all over the N.W. Region. We had a humbling experience in the Freshmen Heavy Eights when, after winning our heat, we finished in 5th place in the final. In the Open Men's Lightweight Eights, however, we had a great race and finished 2nd in the final.

Then it was time for the season's climax. We travelled to St. Catharine's with some confidence knowing inside that it would take a truly superior crew to beat us in the Canadian Championships. Unfortunately, there were no heats, just a straight final. The lane draw was unkind to us but our new boat had arrived on cue. Our own Dirigo; light, stiff and ready for battle! The race was one of the toughest I can remember in this event, which annually provides a "cliffhanger". Three of the five crews battled it out all the way down with the other two trailing. Brentwood took the lead after 500m and held on to it narrowly until close to the end, when U.C.C. powered past us for a tight victory, with Lakeport a very close 3rd. This was a truly great race between three extremely competent highschool lightweight eights. Disappointment was hard to handle but, somehow, we did, knowing that our silver medals were a reflection of the extremely high standards of that day and not of any inferior effort or ability.

Six of the crew graduate this year and I hope that, over the years, they will cherish the memories of this fine season; memories which they can recall and relate with pride. This was a crew of great technical competence whose dedication and attitude provided a fine example for the whole club and set standards which future crews would do well to emulate. Mark, as captain, has set a tone of single-minded focus yet with kindly understanding and maturity beyond his years. It is captains and crews such as this that provide a coach with the inspiration and energy he needs from year to year. Coxswain Ian Bishop has been a fine asset to the crew, gaining, even as a novice, everyone's respect - and rightly so!

We all acknowledge with thanks, the support and encouragement of our fellow varsity crews and coaches and, indeed, of the whole Rowing Club. The expertise and experience of Tony Carr and Pat Kelly provide me with new lessons every day and we are lucky indeed, to have such quality on our coaching staff.

CREW:

Ben Jesson	Bow
Andrew Ross	2
Jamie Burrows	3
Jeff Hamilton	4
Cam Althorp	5
Mark Jess (captain)	6
Chris Tassin	7
Jeff Lewis	8 Stroke
Ian Bishop	Cox

Brentwood College Varsity Boys' Lightweight Crew acknowledges with gratitude, the generous sponsorship of Champion Canada. *J.L. Queen*

Varsity Girls' Rowing: *From Left to Right* - Mrs. Steinbrink Kelly (coach), S. Bailey, S. Sutton, A. Kingsbury, A. Jackson, H. Walkley, K. Clifford, L. Stone, A. Taylor, S. Mervyn.
Front - Coxswain, A. Vallejo.

The rowing year started with a split between novice and varsity. However, the two groups were soon put together in the hope of forming a Varsity Eight. During the fall there did not seem to be much hope for the Eight but the girls were dedicated and worked hard to prove that it could happen. Our rowing season started in San Diego with a third place finish that surprised both the girls and their coach. Before San Diego, we lost Sian to an arm injury and after San Diego we lost Sasha, due to a shoulder injury - both very strong rowers. We had a very disappointing result at the Brentwood Regatta that should have caused us not to attend Opening Day in Seattle but we managed to get invited anyway. We had a great race at Opening Day, placing third followed by another third place finish the next week-

end in Portland against the Freshmen University rowers. Our final regatta was St. Kitts, where we had a lot of fun listening to the crew tape, wearing our training outfits and using our nicknames - Daisey (Alison), Ginger (Lorelli), Barbie (Kate), Bambi (Hilary), Dixie (Amanda), Roxy (Abi), Kandee (Sheila), Cookie (Sara), Rico (Aaron) and Pazazz (Mrs. Kelly). We had our work cut out for us facing Ridley, T.C. Williams and Thomas Jefferson in the final, but we managed to pull through with a bronze medal finish. We had a great year, even though it definitely had its ups and downs. All in all I think we proved that even though we were not very large we had the heart to win and as our crew song states "we raised a lot of hell"

Sheila Sutton

This has been a very special group to have performed so well under all the extenuating circumstances that existed. I truly feel that **YOU GALS** and **GUY** outperformed yourselves and as a result you made this one of the most challenging, yet rewarding years of coaching that I have had at Brentwood!

I would like to thank Abigail for taking the lead role this year as crew captain and thank Sheila for her perspective on this year. I have to acknowledge the tremendous talent of our novices who met every challenge square on. Adieu to our graduates, Sian, Sheila, Kate, Lorelli, Amanda and Sasha, whom I wish continued success in their individual ventures. However, I anticipate an exciting 1994-1995 season with all the talent moving up into our group.

We, as a crew, would also like to acknowledge the many parents who supported us at our regattas and "CHAMPION" for its kind and generous sponsorship.

Patricia Steinbrink Kelly

Below: Tight race features Brentwood girls pulling away at St. Kitts.

Photo left shows the varsity girls' crew in excellent form at St. Kitts. They powered through the heats and won a bronze medal in the final. A superb performance showing their great heart.

Above: Lorelli and Sheila in pensive mood, perhaps considering their next race.

Each member of this squad developed all the aspects that you would want in your first year oarsmen. These include a good work ethic, competitive team spirit, friendship, and respect for not only their opposition but for each other as well.

Our competitive season started with some good results, particularly in the long distance races such as the Head of the Mill Bay. Even with our lightweight average that was thirty pounds less than our rival, Maple Bay, the racing was nothing less than exciting. Our best regattas included Maple, Bay, Brentwood, North West Pacific Championships, and Shawnigan lake.

From early results in the season certain members of the squad were nominated for a National School Boy crew; a first in a long while. Unfortunately as the season went on, our competitiveness for this high level wasn't within the boys' limits. However, I have every confidence that these boys will be an essential part of the club's Varsity rowing crews for next year.

I will look back over the many memories that the Senior Novice Crew of 1994 gave me this year, some of which are: Amber's going to cox the Senior Lightweights (only joking, Amber); the 'Whittall Trio' of Randy, Jamie and Scotty, with their air punching; Feras' marshmallow roast at the Shawnigan Lake Regatta; the quiet lads of Sit, Black and Last, who underneath, I thought were not that quiet; finally, for heaven's sake where is Robbie? -- At the washroom! -- Of Course!

Well done and congratulations on a great season.

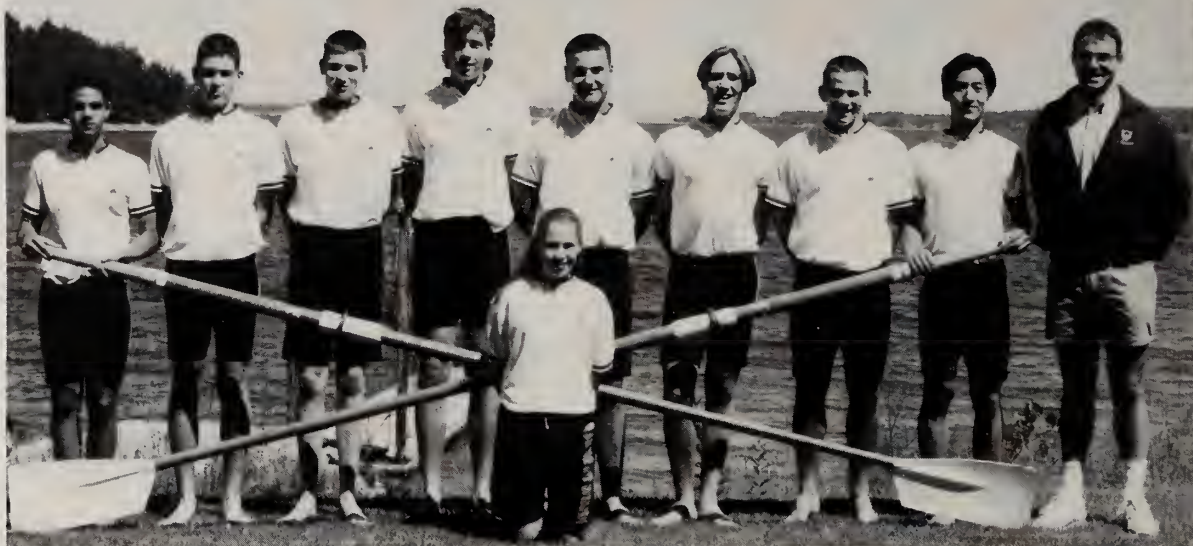

R.D. Beniac

JUNIOR AND SENIOR SUMMER SCULLING GROUP

Back: R. Cook, I. Black, R. Chalupa, J. Stewart.

Front: Mr. Beniac (coach), C. Danard, M. Stone, J. Moller, K. Mills, R. Whitney, J. Wright, I. Gregory, M. Jones, L. Garvey, P. Love.

SENIOR NOVICE BOYS

SENIOR NOVICE BOYS: *Back* - F. Al-Sarraj, B. Last, S. Crooks, J. Black, R. Chalupa, R. Cook, J. Stewart, D. Sit, Mr. Beniac (coach). *Front* - Coxswain, A. Palmer

Final boating order:

Cox -	Amber Palmer
8	Robert Cook
7	Danny Sit
6	Randall Chalupa
5	Jamie Stewart
4	Scott Crooks
3	Ian Black
2	Feras Al-Sarraj
Bow	Bryan Last

JUNIOR SCULLING

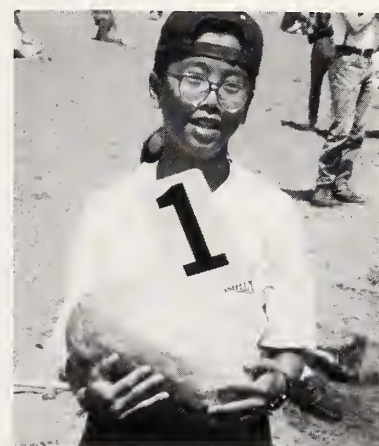

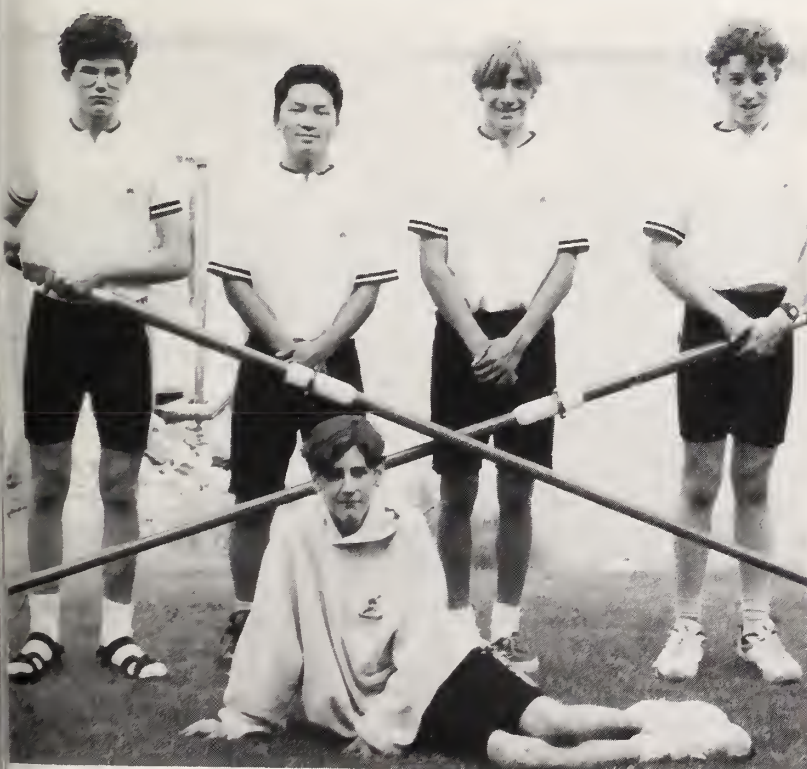

JUNIOR ROWING

JUNIOR X+ (COXED QUAD) hoist their trophy at the Brentwood Regatta. *Left to Right* - Kevin Fuller, James Weldon, Chris Burkmar, Tom Herschmiller, and Leif Short-Forrer.

JUNIOR 8 (COLT CREW): J. Weldon, C. Burkmar, T. Herschmiller, C. Misfeldt, D. Ordze, L. Short Forrer, C. Danard, C. Martin. K. Fuller -Coxswain. **Bottom:** Colt boys and girls crews pause for refreshment at the Pacific Northwest Regatta. **Middle Left:** On the bus to the B.C. Championships.

At the Pacific Northwest Championships Andrew Yeung needed 12 K. extra weight.

The Colt Quad (Beniac's crew) *above right:* G. Cameron, U. Okada, A. Scheuer, S. Wall. Cox: B. Code. Not included in team is Tyler Wish.

Traditionally, the Colt Rowing program started its racing season with all oarsmen rowing in eights. This year, we decided to change our approach, and fill the other boat categories. When we began in the fall with a few experienced athletes and many raw novices, we tried to give each rower a chance to row in every type of shell, both sculling and sweeping. This flexibility would be a distinct advantage when racing seat assignments had to be changed on short notice.

JUNIOR 8+

The Colt eight was undefeated in their category for the entire racing season and even won a High School Varsity event at the Pacific Northwest Championships in Portland, Oregon. An extremely motivated group of athletes, this crew went to the Canadian Scholastic Championships and claimed fourth place in a photo finish for second, third and fourth against older and larger competition from eastern schools.

JUNIOR 4x+ (Coxed Quad)

There were many areas in which this group impressed. Firstly, their determination to perform well, secondly their ability to learn from their mistakes, and finally their team spirit that required each boy to give his best performance. The major examples of this came during the regattas of Maple Bay, Brentwood, Northwest Pacific Championships and Shawnigan Lake.

JUNIOR 4+

The smallest athletes in the training squad, this group of boys had to contend with boat changes in almost every regatta of the year. Nevertheless, they have medals and ribbons, from hard-fought races, that they can display proudly, knowing that these were won in spite of adversity. We appreciate the easygoing nature of this group. Their success is in no small way dependent on their flexibility.

JUNIOR 2X

The junior double had the misfortune of being matched against stronger and more experienced scullers in every race they entered. However, the experience and knowledge they have gained will serve them well in this sport and in other sports.

There is a bright future for these athletes in rowing, and we would like to encourage each of them to build on this year's great work by returning to the sport.

JUNIOR GIRLS ROWING

JUNIOR GIRLS' ROWING

S. Toole, D. Sit, S. Nichols,
E. MacKinnon, A. Murphy,
S. Robertson, M. Jones, L. Wee,
L. Trojan, N. Frangou,
D. Dickinson, C. Harris, N. R.
K. Mills (coxswain)

When we started this season we did not know what we were getting ourselves into. Despite the dire warning of ex rowers we decided it could not be that bad. Oh, were we ever wrong! It seemed like a lot of fun when we took the barge out but then it all began - the running, ergs, body circuits, six minute pieces, blisters, and various other forms of torture. We actually thought that holidays were times to relax, but now, not for a rower; we were wrong there too!

Our actual season started out with two six kilometer head races. We felt proud to come first in both, we need not have told anyone that we were the only boat! Once we started racing other boats we found that we were actually pretty good! The season of races and continuous training went on. Still the pieces were hell

with Miss Carlos and our wild coxswain screaming at us to PULL and get the blades in TOGETHER!

All the work paid off in our two biggest regattas. We almost gave Miss Carlos a heart attack when we won our novice eight by open water, and our Junior B eight came in first as well.

A few weekends after we all piled into the bus and headed off to Delta Deas for the BC Provincials. We used Saturday as our practice regatta (Delta Deas) and on Sunday we showed our stuff! We again won in our novice eight in the under-sixteen category. We used our training and pulled through to beat Collingwood by one-tenth of a second. We came to an under-nineteen second place finish as well. Our final midterm was spent in Portland, Oregon where it was

hot and sunny, and a 2000 meter course. We pulled off two second place finishes but both times we were edged in the sprint.

Not surprisingly, the following week we were training for sprints. It paid off in our final regatta at Shawnigan when we won our heat by open water, pulling a rate of thirty-five strokes per minute for six hundred meters! We never did get to race our final because of bad conditions, but we were happy.

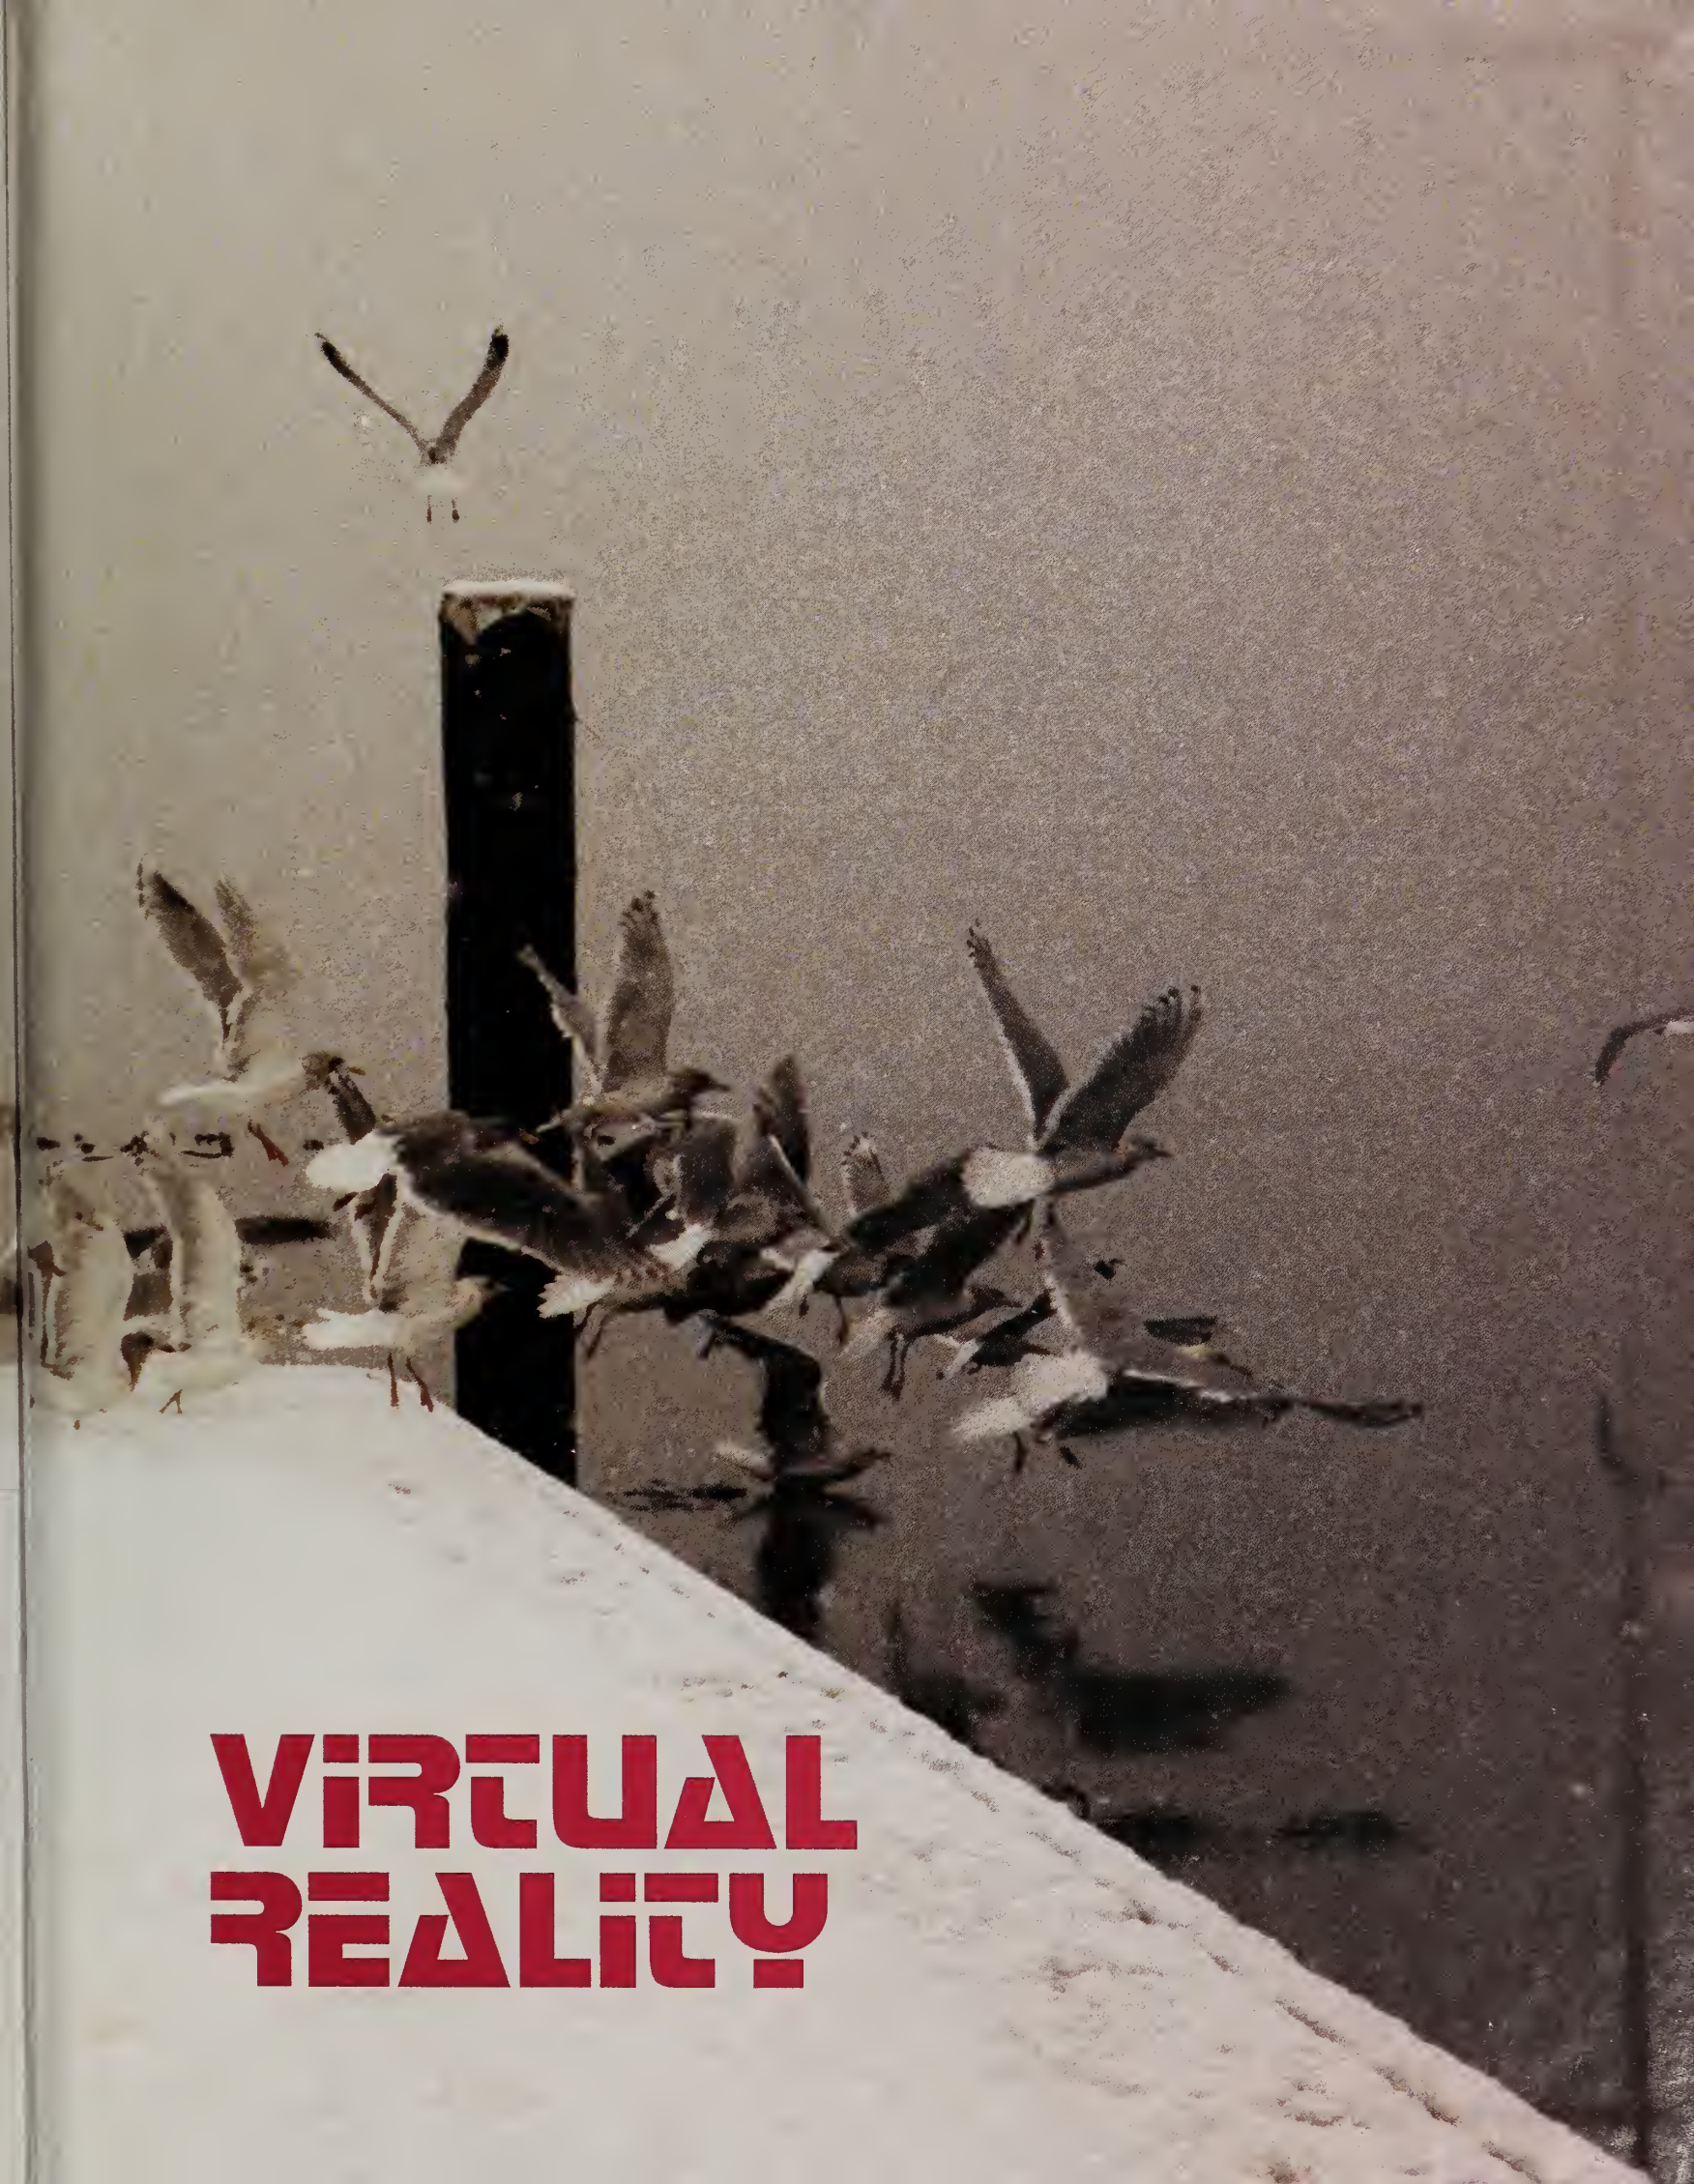

We would like to thank Miss Carlos for all her time and effort. We could not have gotten where we did without her. We all had fun with our "beluga whale" and our renamed bow seat - puke seat! Junior girls rock on - yeah, pretty much!
